**Q15** Now I'm going to ask you some questions about qualified immunity. Qualified immunity comes up in lawsuits filed against public officials, including police, when they are accused of serious civil rights violations, and it essentially makes it much harder for people who file those lawsuits to present their cases or collect any money damages. That is, qualified immunity is a legal doctrine that often shields public officials from any liability, including in cases where they are accused of violating civil rights. How much would you say you already know about qualified immunity: a lot, some, just a little, or nothing at all?

- Some* ..... 37%
- Just a little* ..... 30%
- Nothing at all* ..... 14%

**Q16** Qualified immunity prevents people who are victims of police misconduct from having their cases heard when their rights have been violated. Removing this legal barrier would allow families, victims, and survivors to access justice in court and hold law enforcement accountable when they commit civil rights violations. Would you strongly support, somewhat support, somewhat oppose, or strongly oppose eliminating qualified immunity in Vermont?

- Strongly support* ..... 43%
- Somewhat support* ..... 31%
- Somewhat oppose* ..... 9%
- Strongly oppose* ..... 8%
- Not sure* ..... 8%

**Q17** One of the criticisms of qualified immunity is that it allows police to violate civil rights without any consequences or accountability, which damages the credibility of law enforcement and undermines trust in local communities. Does this give you very serious concerns, somewhat serious concerns, or no real concerns about qualified immunity?

- Very serious concerns* ..... 47%
- Somewhat serious concerns* ..... 31%
- No real concerns* ..... 16%
- Not sure* ..... 7%

**Q18** Another criticism of qualified immunity is that by shielding officers from legal liability, it removes the incentive to follow the rules and may encourage some bad officers to abuse their power and violate people’s civil rights. Does this give you very serious concerns, somewhat serious concerns, or no real concerns about qualified immunity?

- Very serious concerns* ..... 54%
- Somewhat serious concerns* ..... 26%
- No real concerns* ..... 16%
- Not sure* ..... 3%

**Q19** Another criticism of qualified immunity is that victims of police abuse can’t present their claims on an even playing field, and are essentially shut out of the normal court process. Does this give you very serious concerns, somewhat serious concerns, or no real concerns about qualified immunity?

- Very serious concerns* ..... 53%
- Somewhat serious concerns* ..... 28%
- No real concerns* ..... 15%
- Not sure* ..... 4%

- It wouldn’t make a difference* ..... 15%
- Not sure* ..... 7%
