Dear Ms Burke,

**S.265 is completely unnecessary, as existing law works, and the bill is being misused by Rep. Martin LaLonde as a vehicle for a Gun Control Campaign.**

Prosecutor Thibault and gun control advocate Representative LaLonde (D -South Burlington) are attempting to use S.265 as a means to extend the prohibition of the private ownership of firearms in Vermont.

Even the VT ACLU recognizes this effort as against the public good.

Please do not support S.265.

It is an abuse of process, an abuse of powers given to our representatives to uphold the VT State Constitution and US Constitution.

Thank you,

Jeffrey Kaufman MD
