Subject: [External] s265

[External]

S.265 is completely unnecessary and being misused as a vehicle for a Martin LaLonde Gun Control Campaign. In addition, i don't believe that state employees, elected or appointed officials deserve a special status from other citizens when it comes to threats. Alot of people talk too much, and then eventually reverse their stupid comments. it deserves a misdemeanor status at best.

Jim Haddad, huntington vt
