S.265 is completely unnecessary, as existing law works, and the bill is being misused by Rep. Martin LaLonde as a vehicle for a Gun Control Campaign.

Why is the legislature so focused on limiting Vermonter's right to own firearms? Statistically Vermont has almost zero gun crime. Looking at cities with draconian gun laws such as Chicago should show that stringent gun control laws do nothing to prevent gun crime.

Thanks & Best Regards

John Houston

Milton Vt.
