Dear Amber Burke,

Please pass my message on to the House Judiciary Committee.

"S.265 is completely unnecessary and is being misused as a vehicle for a Martin LaLonde Gun Control Campaign."

Mr. LaLonde has done this before in an attempt to terminate the legal gun ownership rights of the citizens of the United States and the State of Vermont any way he can. Mr. LaLonde is basically afraid of guns, (and things that go bump in the night), and is pushing for the prohibition of the private ownership of firearms in Vermont to quell his own personal fears. He does not represent Vermonters in any way, shape or form. Vermonters deserve better representation. Thank you for carrying the message.
