Martin –

I thank you for sharing your thoughts and concerns.

During my testimony, and in response to a question that Rep Notte raised, I believe I also suggested an entity registered with the Secretary of State, and that seemed to address the concerns he raised.

Your suggested wording would work for us: *"...organized shooting competition sponsored by an entity registered with the Secretary of State..."*.

If you have further thoughts or concerns: I am at your disposal, and Thank You again for spending time on this.

Best Regards to All
Chris

Chris,

Thanks for reaching out. My concern is fairly straight-forward. I think "organized shooting competition" is too broad. Something like "organized shooting competition sponsored by . . ." But I need to have who it is sponsored by, By an entity registered at the Secretary of State? I don't want this to be open for anyone to "organize" a shooting competition to be able to take advantage of the exemption. I'm open to your ideas.

Thanks,
Martin

Representative LaLonde (Martin) –

I hope this note finds you well sir.

Regarding the above topic, I understand that you have some concerns about the language of that amendment, and if I recall yesterday's testimony correctly, you seemed to have a concern over the term "organized".

I was wondering if we might have a quick chat to discuss your concerns, as I would be happy to assist however I can to construct language that may assist adoption.

Do you have time (at your convenience) for a quick call, or is it just as easy to outline your concerns via email?

I place myself at your disposal if I can be of any assistance.

Best Regards,
Chris
