

### S.148 TIMELINES

December 15, 2022	Appointments made to the Advisory Council and Interagency Committee. (§ 6004, pg. 15, line 13)
July 1, 2023	ANR, in consultation with Advisory Council and Interagency Committee, shall issue guidance on how agencies shall determine which investments provide environmental benefits to EJ populations (§ 6002, pg. 11, line 7)
July 1, 2023	Interagency Committee, in consultation with ANR and Advisory Council, shall develop a set of core principles to guide and coordinate development of community engagement plans. (§ 6004, pg. 18, line 1)
Annually, starting ~July 2023 (or one year from passage)	Every agency shall submit annual summaries to the Advisory Council detailing all complaints alleging EJ issues and Title VI violations and agency actions to resolve such complaints. (§ 6002, pg. 10, line 14)
December 1, 2023	Advisory Council and Interagency Committee jointly consider and recommend amendments to definition of EJ populations to General Assembly (§ 6004, pg. 16, line 3)
January 1, 2024	Mapping tool shall be available for use by the public (developed by ANR in consultation with Interagency Committee and Advisory Council) (§ 6005, pg. 22, line 9)
January 15, 2024	All named agencies, departments, and bodies shall review past three years of spending and generate baseline spending reports consistent with ANR guidance (§ 6002, pg. 11, line 14)
Annually, starting January 15, 2024	All named agencies, departments, and bodies shall issue and publicly post annual reports summarizing all actions taken to incorporate EJ (Sec. 3, pg. 22, line 12)
July 1, 2024	All agencies, departments, and bodies shall direct investments with goal of 55% of overall benefits going to EJ populations (§ 6002, pg. 12, line 5)
July 1, 2024	ANR shall adopt rules to define and implement cumulative environmental burdens, in consultation with Advisory Council and Interagency Committee (§ 6003, pg. 13, line 10) <sup>1</sup>
Annually, starting July 1, 2025	All named agencies, departments, and bodies shall issue and post annual spending reports (§ 6002, pg. 12, line 9)
July 1, 2025	All named agencies, departments, and bodies, in consultation with Advisory Council, shall adopt or amend rules, policies, procedures, etc., consistent with the chapter. (§ 6003, pg. 13, line 20)

<sup>1</sup> July 1, 2024 is the date of rule adoption. The rulemaking process involves other timelines, such as: (a) Advisory Council and Interagency Committee convening early 2023; (b) ANR scoping rule without the mapping tool (anticipated January 1, 2024), consulting with Advisory Council and Interagency Committee, drafting the rule and supporting documentation, engaging public; and (c) initiating APA rulemaking process winter/spring 2024.

July 1, 2025	All state agencies shall create and adopt community engagement plans. (§ 6002, pg. 10, line 3)
December 15, 2025	ANR shall submit report to the General Assembly describing whether spending reports indicate any municipalities routinely “underserved” by environmental benefits. (§ 6002, pg. 12, line 19). Report includes recommendation about “underserved community” definition. (pg. 13, line 5)
Every five years, starting ~July 2027	ANR, in consultation with Advisory Council and Interagency Committee, review definition of EJ population every five years and recommend revisions to General Assembly (§ 6002, pg. 11, line 1)
