

LEGISLATIVE SESSION 2022

Transportation Committee Digital Tools

Presented by Rep. Becca White

Go! Vermont

- Transit app - to track all buses on all routes in VT.
- Automated Carpool matching Service
- Guaranteed Ride Home program.
- Go Vermont Trip Planner
- VetLift VT – a zip code based searching tool for transportation resources.
- Remote Work and Telecommuting – resources and best practices.
- EV charging locations
- Resources and assistance for employers
- Resources and assistance for communities
- Carpool program – not exactly a digital resource and unsure if this counts. Same with the link to all our transit providers and Biking page – helpful hints and offers of assistance in assessing the right e-bike for an individual.

- Road conditions - Snowplow locations -
Road & Bridge projects current, future and
past

GMT MyRide

Free Rural-Uber style

Download the app, select a location with the pin and the ride will be booked for a 5-15 minute time period. Open from early morning to 7PM, anywhere in the Montpelier downtown.
