Re: Office of Professional Regulation Fees by License Type

Dear House Committee on Ways and Means,

Thank you for the opportunities I have had to testify on H. 655.

In the last hearing, the Committee asked for a list of the professions that will be affected by this bill, along with the current application and renewal fees and the estimated fees for the Telehealth License (75% of the renewal fee) and Telehealth Registration (50% of the renewal fee). Please find the attached table of current fees and estimated fees for the two new license types across the OPR professions.

I am happy to come before the Committee again, if desired, to answer any questions or concerns with H. 655.

Thank you,
