4 32 V.S.A. § 604 (electric vehicle supply equipment fees) is repealed on

5 July 1, ~~2022~~ 2025.

6 Sec. 36. 32 V.S.A. § 604 is amended to read:

7 § 604. ELECTRIC VEHICLE SUPPLY EQUIPMENT FEES

8 (a) Notwithstanding any other provision of this subchapter, any agency or
9 department that owns or controls electric vehicle supply equipment (EVSE), as
10 defined in 30 V.S.A. § 201, may establish, set, and adjust fees for the use of
11 that electric vehicle supply equipment. The agency or department may
12 establish fees for electric vehicle charging at less than its costs, to cover its
13 costs, or equal to the retail rate charged for the use of electric vehicle supply
14 equipment available to the public. Fees collected under this section shall be
15 deposited in the same fund or account within a fund from which the electric
16 operating expense for the electric vehicle supply equipment originated.

17 (b) Notwithstanding 2 V.S.A. § 20(d), the Agency of Transportation, in
18 consultation with the Department of Buildings and General Services, shall file
19 an annual written report with the House and Senate Committees on
20 Transportation not later than January 15 that provides an update on the State's
21 efforts to collect fees for the use of EVSE that is owned or controlled by the

1 State pursuant to subsection (a) of this section and any significant national
2 trends with regards to the pricing of EVSE. As part of that report, the Agency
3 of Transportation shall include a copy of any applicable fee schedules, along
4 with an explanation as to whether or not the fee schedule accounts for expenses
5 associated with the EVSE, including electricity costs.
