

**S.48 Proposed Amendments – Rep. Ancel**

**Replace the third instance of amendment with the following:**

Third: In Sec. 1a, Secretary of State; Office of Professional Regulation; report, by striking out subdivision (4) in its entirety and inserting in lieu thereof the following:

(4) if the Office of Professional Regulation determines the implementation of the Nurse Licensure Compact has resulted in a reduction to the Vermont Board of Nursing's revenue, the Office shall include:

(A) a proposal to manage the revenue reduction through administrative efficiencies; or

(B) if the Office is not able to manage the revenue reduction through administrative efficiencies, a proposal to address the revenue reduction through an increase in the license fee for a Compact multistate license.
