reform:

1	S.114
2	Introduced by Committee on Education
3	Date:
4	Subject: Education; literacy; teacher training
5	Statement of purpose of bill as introduced: This bill proposes to continue the
6	ongoing work to improve literacy for all students in the State, while
7	recognizing that achieving this goal will require a multiyear and
8	multidimensional effort requiring continued focus by the General Assembly,
9	the Administration, and school leaders.
10 11	An act relating to improving prekindergarten through grade 12 literacy within the State
12	It is hereby enacted by the General Assembly of the State of Vermont:
13	Sec. 1. FINDINGS
14	(a) Addressing literacy outcomes is a key strategy for the successful
15	implementation of 2018 Acts and Resolves No. 173. The following findings
16	from the report entitled "Expanding and Strengthening Best-Practice Supports
17	for Students who Struggle" issued by the District Management Group in
18	November 2017, which informed the development of Act 173, support the
19	urgency to improve Vermont's literacy outcomes relative to special education

1	(1) "Investing in the effectiveness of core reading instruction is critical
2	for students in general education and students with disabilities."
3	(2) "Students with mild-to-moderate disabilities who struggle with
4	reading may not be supported by teachers skilled in the teaching of reading."
5	(3) "While some special education teachers across the supervisory
6	unions had a strong background in the teaching of reading, others indicated
7	that they did not have the training or background to be effective supporting
8	students struggling in reading."
9	(b) The data indicate Vermont needs to improve its literacy outcomes at the
10	early grades:
11	(1) Smarter Balanced Assessment Consortium results from 2016 to 2018
12	indicate that only about 50 percent of students in grade 3 were proficient in
13	English Language Arts in each of these years.
14	(2) From 2015 to 2019, Vermont's average scale in grade 4 reading on
15	the National Assessment of Educational Progress dropped every year from a
16	high of 230 to a low score of 222.
17	(c) The COVID-19 emergency has adversely affected student academic and
18	developmental progress. Failure to address literacy outcomes now could
19	significantly impact student development for many years to come, since
20	literacy is foundational to the success of each student.

1	Sec. 2. PURPOSE
2	The purpose of this act is to continue the ongoing work to improve literacy
3	for all students in the State, while recognizing that achieving this goal will
4	require a multiyear and multidimensional effort requiring continued focus by
5	the General Assembly, the Administration, and school leaders.
6	Sec. 3. LITERACY GRANT FUNDING; APPROPRIATION
7	The sum of \$3,000,000.00 is appropriated from [federal funds] for fiscal
8	year 2022 to the Agency of Education. The Agency shall use this
9	appropriation to provide grants to supervisory districts and supervisory unions
10	on behalf of their member school districts, to provide professional
11	development for teachers in methods of teaching literacy. The Agency shall
12	administer the grant program and determine which supervisory districts and
13	supervisory unions are eligible and the amount to be granted to each applicant
14	based on its assessment of the relative need for this funding, taking into
15	account the following factors across applicants:
16	(1) literacy assessments of students;
17	(2) the number of literacy instructors per enrolled students;
18	(3) the percentage of students eligible for free or reduced-priced meals;
19	(4) the percentage of students who are English language learners;
20	(5) discrepancies in outcome data on literacy for students from

historically underserved populations, including, to the extent that data is

1	available in compliance with privacy laws, students who are Black,
2	Indigenous, and People of Color and students on individualized education
3	programs; and
4	(6) the extent to which teacher professional development is integrated
5	with a multitiered system of supports.
6	Sec. 4. AGENCY OF EDUCATION; STAFFING
7	The following position is created in the Agency of Education: one full-
8	time, director level, classified position to serve as the Statewide Literacy
9	Coordinator in the Office of the Secretary. The person hired as the Statewide
10	Literacy Coordinator shall hold a masters' level degree, or have equivalent
11	expertise based on work experience, in the field of evidenced-based literacy
12	instruction. There is appropriated to the Agency of Education from the
13	General Fund for fiscal year 2022 the amount of \$150,000.00 for salary,
14	benefits, and operating expenses for this position.
15	Sec. 5. 16 V.S.A. § 2903 is amended to read:
16	§ 2903. PREVENTING EARLY SCHOOL FAILURE; READING
17	<u>LITERACY</u> INSTRUCTION
18	(a) Statement of policy. The ability to read <u>Literacy proficiency</u> is critical
19	to success in learning. Children who fail to read attain age-appropriate literacy
20	proficiency by the end of the first grade will likely fall further behind in
21	school. The personal and economic costs of reading literacy proficiency

failure are enormous both while the student remains in school and long
afterward. All students need to receive systematic reading literacy instruction
in the early grades from a teacher who is skilled in teaching reading literacy
through a variety of instructional strategies that take into account the different
learning styles and language backgrounds of the students. Some students may
require intensive supplemental instruction tailored to the unique difficulties
encountered.

- (b) Foundation for literacy. The State Board of Education, in collaboration with the Agency of Human Services, higher education, literacy organizations, and others, shall develop a plan for establishing a comprehensive system of services for early education in the first three grades prekindergarten through grade three to ensure that all students learn to read attain literacy proficiency by the end of the third grade. The plan shall be updated at least once every five years following its initial submission in 1998.
- (c) Reading Literacy instruction. A public school that offers instruction in grades one, two, or three any of prekindergarten through grade three shall provide highly effective, research-based reading evidence-based literacy instruction to all students. In addition, a school shall provide:
- (1) supplemental <u>reading literacy</u> instruction to any enrolled student in grade four whose <u>reading literacy</u> proficiency falls below third grade <u>reading</u> literacy expectations, as defined under subdivision 164(9) of this title;

1	(2) supplemental reading <u>literacy</u> instruction to any enrolled student in
2	grades 5-12 whose reading literacy proficiency creates a barrier to the student's
3	success in school; and
4	(3) support and information to parents and legal guardians.
5	(d) Evidence-based literacy instruction. As used in this section, "evidence-
6	based literacy instruction" means reading, writing, and spelling instruction that
7	is supported by high-quality research that meets rigorous standards and is
8	proven to translate effectively to classroom practices.
9	Sec. 6. 16 V.S.A. § 2903a is added to read:
10	§ 2903a. ADVISORY COUNCIL ON LITERACY
11	(a) Creation. There is created the Advisory Council on Literacy. The
12	Council shall advise the Agency of Education, the State Board of Education,
