

1 TO THE HONORABLE SENATE:

2 The Committee on Education to which was referred Senate Bill No. 219
3 entitled “An act relating to ensuring compliance with the U.S. and Vermont
4 Constitutions in the use of public funds for tuition and in the dual enrollment
5 program” respectfully reports that it has considered the same and recommends
6 that the bill be amended by striking out all after the enacting clause and
7 inserting in lieu thereof the following:

8 * * * Provision of Publicly Funded Education in Vermont * * *

9 Sec. 1. 16 V.S.A. § 820 is added to read:

10 § 820. PROVISION OF PUBLICLY FUNDED EDUCATION IN

11 VERMONT

12 (a) Findings and purpose.

13 (1) The Vermont Constitution provides that “a competent number of
14 schools ought to be maintained in each town unless the general assembly
15 permits other provisions for the convenient instruction of youth.” VT Const.
16 CH II, § 68. Interpreting this provision in *Brigham v. State*, 692 A.2d 384
17 (1997), the Vermont Supreme Court stated that “[t]he state may delegate to
18 local towns and cities the authority to finance and administer the schools
19 within their borders; it cannot, however, abdicate the basic responsibility for
20 education by passing it on to local governments, which are themselves
21 creations of the state.” *Id.* at 395.

1 (A) From this, it is evident that the State has a constitutional
2 obligation to provide public education to its youth. Many Vermont school
3 districts operate schools, but others do not. Vermont is a relatively sparsely
4 populated and mountainous state that has made the operation of public schools
5 unviable in certain regions of the State. Students who live in these regions do
6 not have the choice of enrolling in a public school in their district; their only
7 choice is to enroll in a public school operated by another school district or an
8 independent school or to be homeschooled.

9 (B) Therefore, in order to fulfill its constitutional requirement to
10 provide public education to its youth, the State permits school districts that do
11 not operate schools (nonoperating school districts) to use public funds to send
12 their resident youth to public schools operated by other school districts or to
13 certain independent schools. In order for an independent school to be eligible
14 to receive public tuition, this section requires these schools to:

15 (i) comply with all federal and State antidiscrimination laws
16 applicable to Vermont public schools; and

17 (ii) not use public tuition to support religious instruction, religious
18 indoctrination, religious worship, or the propagation of religious views.

19 (2) Chapter 1, Article 3 of the Vermont Constitution, known as the
20 “Compelled Support Clause,” provides that “no person ... can be compelled to
21 support any place of worship ... contrary to the dictates of conscience ...”

1 (A) In *Chittenden Town v. Department of Education*, 38 A.2d 539
2 (Vt. 1999), the Vermont Supreme Court held that a school district may pay
3 public tuition to a school with a religious mission under the Compelled
4 Support Clause only if the school has adequate safeguards against the use of
5 such funds for religious worship or instruction or the propagation of religious
6 views.

7 (B) This section sets out adequate safeguards to ensure that public
8 tuition is not used for religious instruction, religious indoctrination, religious
9 worship, or the propagation of religious views.

10 (b) Conditions for eligibility of an approved independent school to receive
11 public tuition. An approved independent school shall be eligible to receive
12 public tuition only if all of the following conditions are met.

13 (1)(A) The school has adopted and implemented policies and procedures
14 to comply with all federal and State antidiscrimination laws applicable to
15 Vermont public schools and makes reasonable efforts to enforce these policies
16 and procedures. Compliance with the requirements set forth in these
17 antidiscrimination laws includes compliance with the Vermont Public
18 Accommodations Act, 9 V.S.A. chapter 139, the Vermont Fair Employment
19 Practices laws, 21 V.S.A. chapter 5, subchapter 6, and all other federal and
20 State antidiscrimination laws that apply to public schools, to the same extent

1 that these laws apply to public schools, even if those laws by their terms do not
2 apply to the approved independent school.

3 (B) Notwithstanding 21 V.S.A. § 495(e) (Unlawful Employment
4 Practice), which permits religious organizations, under limited circumstances,
5 to discriminate on the basis of sexual orientation or gender identity with
6 respect to matters of employment, approved independent schools eligible to
7 receive public tuition shall not discriminate on the basis of sexual orientation
8 or gender identity with respect to matters of employment.

9 (C) The school posts and maintains on its website in a prominent
10 place its policy to comply with all antidiscrimination laws that apply to public
11 schools.

12 (2) None of the public tuition will be used to support religious
13 instruction, religious indoctrination, religious worship, or the propagation of
14 religious views, except for religious instruction that is designed to provide an
15 overview of religious history and teachings and does not support religious
16 instruction, religious indoctrination, religious worship, or the propagation of
17 any one religion or theology over others. As used in this section,
18 “indoctrination” means to instruct in a body of doctrine or principles.

19 (3) The school receives approval from the State Board of Education to
20 receive public tuition. In order to receive State Board approval, the school
21 shall, in addition to satisfying any conditions required by the State Board, enter

1 into a contract with the State Board, signed by an authorized representative
2 acting on behalf of the school’s governing body, agreeing to comply with the
3 eligibility requirements under subdivisions (1)–(2) of this subsection
4 (antidiscrimination; no use of funds for religious purposes).

5 (c) Process for payment and school selection.

6 (1) The State Board of Education shall maintain a list of approved
7 independent schools eligible to receive public tuition on its website.

8 (2) A school district may only pay tuition to an approved independent
9 school eligible to receive public tuition listed on the State Board’s website.

10 Payment of public tuition shall be made directly from the district to the school
11 unless otherwise required by court order.

12 (d) Approved independent school eligible to receive public tuition. As
13 used in this title, an “approved independent school eligible to receive public
14 tuition” means an approved independent school that is eligible to receive
15 public tuition under this section. An independent school meeting education
16 quality standards under section 165 of this title or an approved independent
17 school in Vermont functioning as an approved area career technical center
18 under chapter 37 of this title that seeks to receive public tuition is required also
19 to qualify as an approved independent school eligible to receive public tuition.

20 (e) No private right of action. No private right of action is created by this
21 section against an approved independent school eligible to receive public

1 tuition for noncompliance with subsection (b) of this section or noncompliance
2 with the contract between the school and the State Board of Education required
3 under that subsection. The State Board is authorized to use its powers under
4 subdivision 166(b)(5) of this title to revoke, suspend, or impose conditions on
5 the eligibility of an approved independent school to receive public tuition for
6 noncompliance with these requirements. The State Board shall establish and
7 maintain a process to receive, investigate, and resolve allegations of
8 noncompliance with these requirements in a manner that provides due process
9 for the person or persons making the allegation and the approved independent
10 school against which the allegation is made.

11 Sec. 1a. 16 V.S.A. § 820 is amended to read:

12 § 820. PROVISION OF PUBLICLY FUNDED EDUCATION IN
13 VERMONT

14 (a) Findings and purpose.

15 (1) The Vermont Constitution provides that “a competent number of
16 schools ought to be maintained in each town unless the general assembly
17 permits other provisions for the convenient instruction of youth.” VT Const.
18 CH II, § 68. Interpreting this provision in *Brigham v. State*, 692 A.2d 384
19 (1997), the Vermont Supreme Court stated that “[t]he state may delegate to
20 local towns and cities the authority to finance and administer the schools
21 within their borders; it cannot, however, abdicate the basic responsibility for

1 education by passing it on to local governments, which are themselves
2 creations of the state.” *Id.* at 395.

3 * * *

4 (B) Therefore, in order to fulfill its constitutional requirement to
5 provide public education to its youth, the State permits school districts that do
6 not operate schools (nonoperating school districts) to use public funds to send
7 their resident youth to public schools operated by other school districts or to
8 certain independent schools. In order for an independent school to be eligible
9 to receive public tuition, this section requires these schools to:

10 (i) comply with all federal and State antidiscrimination laws
11 applicable to Vermont public schools; ~~and~~

12 (ii) not use public tuition to support religious instruction, religious
13 indoctrination, religious worship, or the propagation of religious views; and

14 (iii) enroll any student with an individualized education program
15 (IEP) who requires special education services and who is placed in the
16 independent school as an appropriate placement and least restrictive
17 environment for the student by the student’s individualized education program
18 team or by the local education agency (LEA) as required under section 2973 of
19 this title.

20 * * *

1 (b) Conditions for eligibility of an approved independent school to receive
2 public tuition. An approved independent school shall be eligible to receive
3 public tuition only if all of the following conditions are met.

4 * * *

5 (3) The school enrolls any student with an individualized education
6 program who requires special education services and who is placed in the
7 approved independent school as an appropriate placement and least restrictive
8 environment for the student by the student’s individualized education program
9 team or by LEA as required under section 2973 of this title.

10 ~~(3)~~(4) The school receives approval from the State Board of Education
11 to receive public tuition. In order to receive State Board approval, the school
12 shall, in addition to satisfying any conditions required by the State Board, enter
13 into a contract with the State Board, signed by an authorized representative
14 acting on behalf of the school’s governing body, agreeing to comply with the
15 eligibility requirements under subdivisions (1)–~~(2)~~(3) of this subsection
16 (antidiscrimination; no use of funds for religious purposes; enrollment of
17 students on an IEP).

10 (a) of this section or that the school is making insufficient progress in
11 improving student performance in relation to the standards for student
12 performance set forth in subdivision 164(9) of this title, ~~he or she~~ the Secretary

11 complies with all statutory requirements for approved independent schools and
12 the Board's rules for approved independent schools. ~~An independent school~~

Sec. 15. DEVELOPMENT OF STANDARD CONTRACT

(a) On or before August 1, 2022, the State Board of Education shall create and post on its website a standard form contract for use by approved independent schools eligible to receive public tuition that complies with the requirements of 16 V.S.A. § 820(b)(3) (antidiscrimination; no use of funds for religious purposes; enrollment of students on an individualized education program). The contract shall contain each of the following provisions:

(1) The State Board’s authorization for the school to receive public tuition is conditioned on continued compliance by the school of this contract as well as any other conditions required by law or State Board rules.

(2)(A) The school has adopted and implemented policies and procedures to comply with all federal and State antidiscrimination laws applicable to Vermont public schools and makes reasonable efforts to enforce these policies and procedures. Compliance with the requirements set forth in these antidiscrimination laws includes compliance with the Vermont Public Accommodations Act, 9 V.S.A. chapter 139, the Vermont Fair Employment Practices laws, 21 V.S.A. chapter 5, subchapter 6, and all other federal and State antidiscrimination laws that apply to public schools to the same extent

1 that these laws apply to public schools, even if those laws by their terms do not
2 apply to the school.

3 (B) Notwithstanding subsection (e) of 21 V.S.A. § 495 (Unlawful
4 Employment Practice), which permits religious organizations, under limited
5 circumstances, to discriminate on the basis of sexual orientation or gender
6 identity with respect to matters of employment, the school shall not
7 discriminate on the basis of sexual orientation or gender identity with respect
8 to matters of employment.

9 (C) The school has posted and shall maintain on its website in a
10 prominent place its policy to comply with all antidiscrimination laws that apply
11 to public schools.

12 (3) None of the public tuition will be used by the school to support
13 religious instruction, religious indoctrination, religious worship, or the
14 propagation of religious views, except for religious instruction that is designed
15 to provide an overview of religious history and teachings and does not support
16 religious instruction, religious indoctrination, religious worship, or the
17 propagation of any one religion or theology over others. As used in this
18 contract, “indoctrination” means to instruct in a body of doctrine or principles.

19 (4) Commencing with the 2023–2024 school year and thereafter, the
20 school shall enroll any student with an individualized education program who

3 agency as required under 16 V.S.A. § 2973.

4 (b) On or before August 1, 2022, the State Board of Education shall create
5 and post on its website a standard form contract for use by independent schools
6 in another state or country that complies with the requirements of 16 V.S.A.
7 § 828(b) (antidiscrimination; no use of funds for religious purposes). The
8 contract shall contain each of the following provisions:

9 (1) The State Board’s authorization for the school to receive public
10 tuition is conditioned on continued compliance by the school of this contract.

11 (2)(A) The independent school has adopted and implemented policies
12 and procedures to comply with all antidiscrimination laws applicable to public
13 schools in the state or country where the independent school is located and
14 makes reasonable efforts to enforce these policies and procedures. Compliance
15 with the requirements set forth in these antidiscrimination laws includes
16 compliance with antidiscrimination laws to the same extent as these laws apply
17 to public schools, even if those laws by their terms do not apply to the
18 independent school.

19 (B) The independent school posts and maintains on its website in a
20 prominent place its policy to comply with all antidiscrimination laws that apply

1 to public schools in the state or country where the independent school is
2 located.

3 (3) None of the public tuition will be used to support religious
4 instruction, religious indoctrination, religious worship, or the propagation of
5 religious views, except for religious instruction that is designed to provide an
6 overview of religious history and teachings and does not support religious
7 instruction, religious indoctrination, religious worship, or the propagation of
8 religious views of any one religion or theology over others. As used in this
9 contract, “indoctrination” means to instruct in a body of doctrine or principles.

10 (c) A contract signed on behalf of the State Board and a school under 16
11 V.S.A. § 820(b)(3) or 828(b) shall contain no other conditions or requirements
12 than those required under this section. The State Board and the school shall
13 amend the contract as necessary to comply with applicable law, and the State
14 Board shall amend its model contracts accordingly.
