

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Economic Development, Housing and General Affairs to
3 which was referred House Bill No. 157 entitled “An act relating to registration
4 of construction contractors” respectfully reports that it has considered the same
5 and recommends that the bill be amended by striking out all after the enacting
6 clause and inserting in lieu thereof the following:

7 Sec. 1. FINDINGS

8 The General Assembly finds that:

9 (1) There is currently no master list of residential construction
10 contractors operating in the State.

11 (2) There is no standard process for determining or adjudicating
12 construction contract fraud complaints either on the part of contractors or
13 consumers.

14 (3) Public authorities have no mechanism to contact all contractors
15 when necessary to provide updates to public health requirements, safe working
16 protocols, codes and standards, and available trainings and certifications.

17 (4) Wide dissemination of information on codes, standards, and
18 trainings is vital to improving construction techniques throughout the State’s
19 construction industry. Since building thermal conditioning represents over
20 one-quarter of the State’s greenhouse gas emissions, improving energy

1 performance is a key strategy for meeting the requirements of the Global
2 Warming Solutions Act, 2020 Acts and Resolves No. 153.

3 (5) While registration is not licensure and confers no assurance of
4 competence, consumers have no way of knowing whether a contractor is
5 operating legally or has been subject to civil claims or disciplinary actions.

6 (6) A noncommercial, standardized public listing will provide
7 contractors an opportunity to include in their record optional third-party, State-
8 sanctioned certifications.

9 Sec. 2. 3 V.S.A. § 122 is amended to read:

10 § 122. OFFICE OF PROFESSIONAL REGULATION
