Subject: [External] Important article about burning wood for energy.

[External]

Dear Senator Cummings,

Thank you for your work! Please read and post the article linked below for your committee to read.

<https://news.mongabay.com/2021/02/500-experts-call-on-worlds-nations-to-not-burn-forests-to-make-energy/>

Note that I am very much against cutting forests and burning wood to produce energy. This is not simply a personal opinion!

Here are some scientists to back it up.

Thank you again.

Alan Coulter (Weybridge, VT)
