Head Start's Model: Nationwide, Comprehensive, Multi-Generational

In the 55 years since Head Start began, families and society have changed dramatically, but our commitment to partnering with vulnerable children and families remains unwavering. From early math and reading skills to confidence and resilience, Head Start helps children build the skills they need to be successful in school and life. Our comprehensive approach meets the needs of the whole child, addressing health and well-being as well as ABC's and 123's. The proof of our success is in the outcomes—our 37 million alumni have gone on to succeed in all walks of life, breaking the cycle of poverty in communities across the country.

Comprehensive Services in Vermont

Long-Term Impact

Head Start participants are **12% less likely to live in poverty** as adults and **29% less likely to receive public assistance**.

“Evidence suggests Head Start not only helps kids develop and allows parents to go to work, but **it may also help at-risk kids from ending up in the foster care system.**”

Head Start parents have **steeper increases in their educational attainment** by the time their children are six years old.
