

**DEPT. OF DISABILITIES, AGING & INDEPENDENT LIVING
DEPARTMENT OF HEALTH**

April 27, 2021

Hello Clinical Community,

We are pleased to announce the **Dementia Diagnosis Corner Consult with Dr. William Pendlebury** thanks to efforts of the Alzheimer's Disease Hub and Spoke working collaborative including representatives from Department of Disabilities, Aging and Independent Living (DAIL), Vermont Department of Health (VDH), UVM Center on Aging, UVMHC Memory Program, Vermont Association of Hospitals and Health Systems, One Care Vermont, VT Alzheimer's Association, and several primary care providers. Consultation regarding diagnosis and treatment of Alzheimer's Disease is now available by appointment for primary care providers in Vermont. This work is supported by a grant from DAIL.

If you would like to discuss a dementia clinical issue with Dr. Pendlebury, sign up for up to 45-minutes for a consult. Click the link below to pick a date.

Dr. Pendlebury will be available on the second and fourth Wednesdays of the month from 2:00-4:00 pm (May 2021 to June 2022) for ad hoc/informal consultation to discuss clinical issues concerning Alzheimer's disease and related disorders.

- These consultations can take the form of Q & A sessions, discussion of interesting or problematic clinical cases, pharmacologic treatment, or review of specific clinical or research topics.
- There will be no fee for these consultations, and the specific topic(s) will be chosen in advance by the primary care provider (PCP) requesting the consultation.
- Each session will last no more than 45 minutes and will be available to PCPs throughout the State of Vermont.
- The format will be via video through Zoom and you will be sent a link when you sign up.

Do not miss this unique opportunity to advance Alzheimer's Disease and Related Dementia care in our state. Sign up for your slot here:
