

Wanda L. Minoli, Commissioner of the Vermont Department of Motor Vehicles

Wanda brings a unique blend of leadership skills to her position with 37 years of State service which has provided her the relevant understanding to lead the department as Commissioner for the Vermont Department of Motor Vehicles.

Wanda was appointed by Governor Scott in 2018 as Commissioner for Motor. Commissioner Minoli manages a state department with approximately a \$35 million annual budget and a workforce of over 225 employees and her department processes over one million transactions annually. Minoli oversees the collection of approximately \$340 million in revenue annually which supports a significant portion of the State's transportation fund.

During Minoli's tenure at DMV she has demonstrated through her leadership the opportunities for this organization to modernize IT systems and create new opportunities for Vermont residents to receive services. COVID 19 pandemic has changed how customers interact with DMV and through her leadership over the past year DMV has constantly been challenged at looking for ways to serve customers outside the normal business practices. DMV has expanded online services, implemented a scheduling system for customers that need to come to our offices for business, and we continue to spearhead complex modernization efforts that advance the department IT infrastructure enhancing the customers experience while gaining operational efficiencies.

Prior to her appointment at DVM, Wanda managed the State School Construction program for the Agency of Education for over 10 years. In the late 90's and for 20 years of her career she served the department of buildings and general services as the Principal Assistant to the commissioner and later in her career served as the deputy commissioner.
