

1 H.434

2 Representative Norris of Shoreham moves that the House concur in the
3 Senate proposal of amendment with a further proposal of amendment in Sec. 1,
4 6 V.S.A. chapter 215, subchapter 7A, in section 4964, by striking out
5 subsection (d) in its entirety and inserting in lieu thereof the following:

6 (d) Seed review. The Agricultural Innovation Board shall advise the
7 Secretary regarding the sale, distribution, or use of genetically engineered seed
8 in the State and may recommend to the Secretary limits or conditions on the
9 sale, distribution, or use of a genetically engineered seed or seeds or
10 recommend a limited period of time for sale of a genetically engineered seed or
11 seeds.
