

Section xx. Sunset of Seed Review

2019 Acts and Resolves No. 83, section 18 (seed review) is repealed on July 1, 2021.

Renewable Chemical Production Language

Add new language to page three, below line 15-

(5) Recommend practices to reduce the use and generation of waste associated with plastic in farming.

(6) Incentivize farming practices that are looking to reduce the use and dependence on pesticides in their practices.

(7) Advise the Agency with regard to the regulation of biostimulants.

(8) Recommend studies necessary for the performance of its functions as established under this section.

(9) Explore developing standards for a Vermont Agricultural Marketing program that sets standards for carbon capture, plastics use, and organic product selection.

(10) Study and issue recommendations regarding the feasibility of the use of biodegradable plastics and renewable chemical production in Vermont.
