Imminent Courthouse Security Crisis

- Sheriffs are experiencing recruitment problems
- Judiciary is experiencing a loss of deputies at multiple courthouses
- Current Judicial rates range from \$29 to \$33 per hour
- BGS rates start at \$50 per hour
- Roads contracts can be \$70 to \$90 per hour
- One contract cancelled; three others reduced just this year
- An hourly rate of \$50 is necessary to maintain security services in FY23

County Courthouse Ventilation Needs

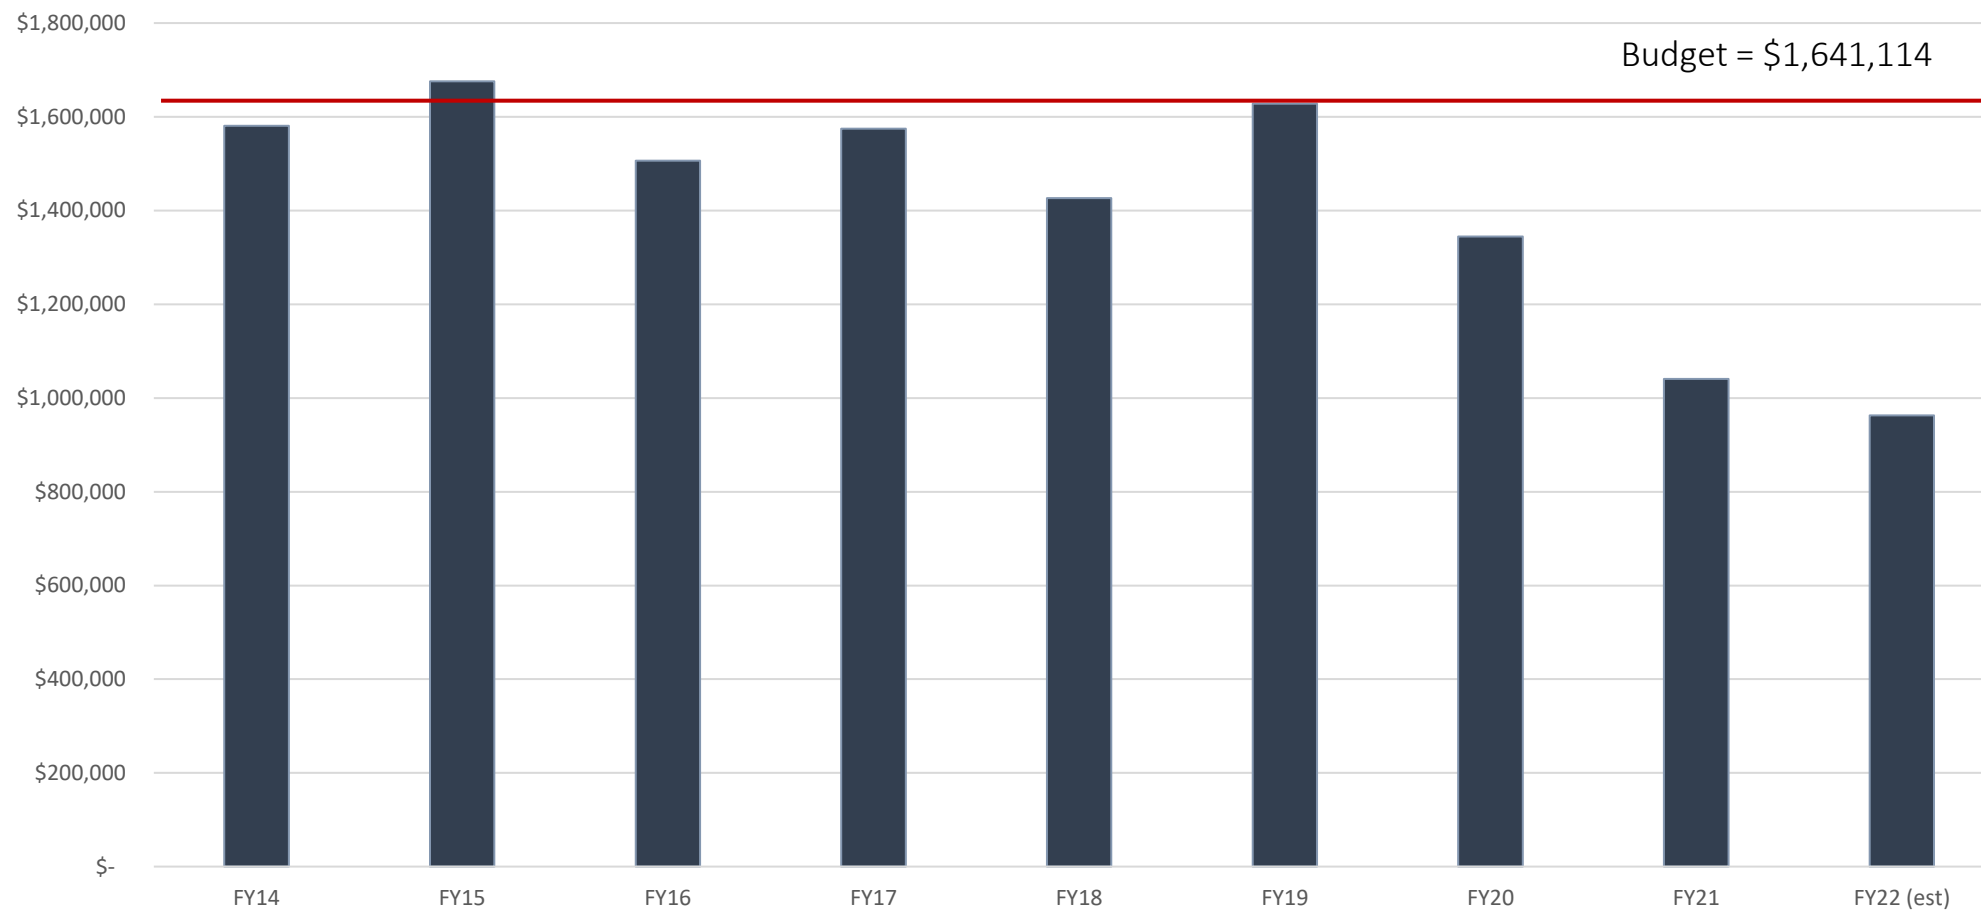

- In collaboration with county executives the Judiciary has developed a capital budget of \$5.7M to address critical ventilation issues at county courthouses
- 12 courthouses need ventilation work – 6 need installs and 6 need upgrades
- In-person activity is limited in these courthouses
- Full funding is needed to enable the sustained restart of all operations

Pandemic Recovery Staffing Needs
