

Potential language for kindergarten entrance age study

Sec. X. STATEWIDE STANDARDIZATION OF THE ENTRANCE AGE

THRESHOLD FOR PUBLIC SCHOOL KINDERGARTEN;

REPORT AND RECOMMENDATIONS

On or before December 15, 2022, the Agency of Education shall issue a written report to the Senate and House Committees on Education on the impact of standardizing the entrance age threshold for public school kindergarten attendance. In preparing the report, the Agency of Education shall consult with the Vermont School Boards Association, the Vermont Principals' Association, the Vermont Superintendents Association, and the Vermont National Education Association. The report shall include any recommendations for legislative action.
