

ESSER funds for CTE

CTE Center	ESSER Funding	Additional Notes
Burlington Technical Center	Yes	Will receive a total of \$60,000 from host district for instructional materials. Funding requests for student supports/SEL/additional staffing to meet needs were denied.
Center for Technology, Essex	No	
Central Vermont Career Center	Yes	Host district has committed funding for staff professional development (one year) and for a literacy interventionist (for 3 school years).
Cold Hollow Career Center	No	Staff will participate in district hosted professional development and have access to district resources.
Green Mountain Technology & Career Center	No	
Hartford Area Career & Technology Center	No	
North Country Career Center	No	Have been invited to SU level discussions. Center has not requested any funds.
Northwest Career & Technical Center	Yes	Host district has committed to using funds to hire a CTE center specific substitute.
Patricia Hannaford Career Center	Maybe	Regional technical center school district, so not eligible to receive funds directly. Sending districts may commit ESSER funds for some professional development for CTE center staff.
Randolph Technical Career Center	Yes	Money from host district confirmed for paraeducator(s) and a social worker. Tentative plans are underway for construction to make larger COVID safe shops and classrooms for construction trades and electrical programs.
River Bend Career & Technical Center	Yes	Host supervisory union has committed approximately \$96,000 to date for student supports and extended learning opportunities.
River Valley Technical Center	No	Regional technical center school district, so not eligible to receive funds directly.
Southwest Technical Center	No	Regional technical center school district, so not eligible to receive funds directly.
Stafford Technical Center	Yes	Will receive funds from host district. Amount is not yet determined. Funds will be used for

		facilities (e.g. ventilation systems, outdoor classrooms) and/or professional development. No funding for student supports and interventions. Host district believes that cost should be shared by all sending districts, but there is not a mechanism in place to make that happen.
Windham Regional Career Center	No
