6 Statement of purpose of bill as introduced: This bill proposes to amend the

7 valuation of time-share projects to require towns to value time-share units

8 similarly to comparable real property that does not contain time-share estates.

9 An act relating to valuation of time-share projects

10 It is hereby enacted by the General Assembly of the State of Vermont:

11 Sec. 1. 32 V.S.A. § 3619 is amended to read:

12 § 3619. TIME-SHARE PROJECTS

13 (a) As used in this section, a time-share project means a project involving
14 real property containing time-share estates. A “time-share estate” is a right to
15 occupy a unit or any of several units in a time-share project during separated
16 time periods coupled with a freehold estate or an estate for years in a time-
17 share property or a specified portion thereof.

18 (b) With respect to property taxes, both real and personal, on time-share
19 projects, each property owner of a time-share estate shall be liable for the
20 payment thereof to the town. However, the owners’ association, corporation,

1 or whatever entity is authorized by the project instruments to manage the
2 common property; shall be the agent of the time-share estate owners for the
3 payment of property taxes from the individual owners to the town. The town
4 shall set in the grand list as real estate the units and common property of the
5 project of which the time-share estates are a part and shall list the entire
6 property to the association, corporation, or whatever entity is authorized by the
7 project instruments to manage the common property, which entity assumes the
8 rights and liabilities of any owner of property in the grand list. However, with
9 respect to each other, each owner of a time-share estate shall be responsible
10 only for a fraction of such assessments, property taxes, both real and personal,
11 and charges proportionate to the magnitude of ~~his or her~~ the owners' undivided
12 interest in the fee to the whole estate of which ~~he or she~~ the owner is a part, as
13 covered in the association's, corporation's, or entity's bylaws or other project
14 instruments.

16 (d) The town shall determine the estimated fair market value, pursuant to
17 subdivision 3481(1)(A) of this title, of each unit of a time-share project in the
18 same manner as the town determines the value of comparable real property that
19 does not contain time-share estates.

20 Sec. 2. EFFECTIVE DATE

21 This act shall take effect on July 1, 2022.
