Subject: [External] Tax exemption for retirees from the military

[External]

Hi my name is Adrian Megrath and I'm a Vietnam veteran I sit on the governors veterans advisory Council and this would be a good thing for the state as it would bring young people in that are retiring early from the military and still have skills that the state of Vermont could use as well as bringing their money and their families into the state of Vermont we have been working on this for a good number of years and it's about time that somebody brought it to our good vote and passed it plus it would keep the retirees here in the state so that they don't move to a different state that has a tax exemption.

Thank you,

Adrian Megrath
