

Hi, Gail,
I'm looking forward to speaking with the Committee today.

I am attaching an updated handout which touches on some of the funding Senator Leahy has secured to address Burn Pits, if you are able to print out for the Committee.

Additionally, I wanted to direct the Committee to the VA's Airborne Hazards and Burn Pits Center of Excellence at <https://www.warrelatedillness.va.gov/WARRELATEDILLNESS/index.asp>.

See you this afternoon.

Thanks! Katherine
