

Dawn Ellis Bio

Dawn Ellis is the Founder and President of Dawn M. Ellis & Associates, LLC and has worked for over twenty years to enhance communities by consulting in the areas of education and social services; community, economic and leadership development; access and inclusion; corrections and social justice; innovation and virtual learning; as well as creativity, culture and recreation. Her work empowers people and affects policy across the U.S. and abroad. As the former Executive Director of VSA Vermont, the state organization on arts and disability, Ms. Ellis built partnerships that continue today to increase access and include people with disabilities and from disadvantaged groups in the broader community.
