You have to have Class 2 Miles to apply.
Some towns don't take the max grant every year, keeping their numbers even.
If towns take the max every time they may not get a grant every three years based on the % numbers.
Towns may not apply if they can't meet the local match requirements.
It is a conversation and review between the Town and the District.

Funds distributed to the Districts based on the number of the structures in their Districts.
Districts review the existing conditions, AADTs of the facilities, distance of the detour, % of funding awarded over time, number of structures, complexity, and size.
Application history and performance on grants.
Joel is working with staff to develop a consistent evaluation methodology for making awards.
Grants are capped at \$175K.
Towns can use the funds for engineering but this amount is contained with in the cap and it could be YR1 is Eng. And YR2 is Con. with the total of no more than \$175K.
