
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Counsel without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 44 (S. 137). An act relating to energy efficiency modernization

Subjects: Public service; Public Utility Commission; energy efficiency programs

This act extends for an additional three years the pilot program established in 2020 Acts and Resolves No. 151 that allows thermal energy and process fuel efficiency funding to be spent on measures allowed under the pilot program.

Effective Date: June 1, 2023
