
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Counsel without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 57 (H. 31). An act relating to aquatic nuisance control

Subjects: Conservation and development; aquatic nuisance control; study committee

This act established the Aquatic Nuisance Control Study Committee to assess the environmental and public health effects of the use of pesticides, chemicals other than pesticides, and biological controls for aquatic nuisance control in State waters. The Aquatic Nuisance Control Study Committee shall submit to the Vermont General Assembly recommendations regarding whether and when pesticides, chemicals other than pesticides, or biological controls should be used to control aquatic nuisances in Vermont.

Effective Date: June 12, 2023
