
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Counsel without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 59 (H. 126). An act relating to community resilience and biodiversity protection

Subjects: Land use; conservation and development; land conservation; biodiversity; community resilience

This act establishes State goals of conserving 30 percent of the land of the State by 2030 and 50 percent by 2050. It requires the Vermont Housing and Conservation Board in consultation with the Secretary of Natural Resources to develop an inventory of the existing conserved lands in the State and a plan on how to reach the goals.

Effective Date: July 1, 2023
