

No. 139. An act relating to supporting Vermont's young readers through evidence-based literacy instruction.

(S.204)

It is hereby enacted by the General Assembly of the State of Vermont:

* * * Findings * * *

Sec. 1. FINDINGS

The General Assembly finds that:

(1) In its December 2023 report to the General Assembly, the Advisory Council on Literacy found the following:

(A) Explicit and systematic instruction on code-based and comprehension-based reading skills and needs-based support are the most effective literacy practices for the early grades.

(B) A strong focus is needed on phonemic awareness, phonics, fluency, vocabulary, and comprehension for all students, and needs-based tiers and layers of support are critical for struggling learners.

(2) Reading instruction is interwoven into the principles of creating culturally responsive and inclusive environments for all students. The availability and use of texts that are culturally relevant and representative of historically underrepresented voices is critical to ensure that all students can connect their experiences to the text they are reading.

The Agency shall include in its guidance instances in which schools can leverage assessments that meet overlapping requirements and guidelines to maximize the use of assessments that provide the necessary data to understand student needs while minimizing the number of assessments used and the disruption of instructional time.

(b) Each public and approved independent school that is eligible to receive public tuition shall screen all students in kindergarten through grade three, at least annually, using age and grade-level appropriate universal reading screeners. The universal screeners shall be given in accordance with best practices and the technical specifications of the specific screener used.

(c)(1) If such screenings determine that a student is significantly below relevant benchmarks as determined by the screener's guidelines for age-level or grade-level typical development in specific literacy skills, the school shall

determine which actions within the general education program will meet the student's needs, including differentiated or supplementary evidence-based reading instruction and ongoing monitoring of progress. Within 30 calendar days following a screening result that is significantly below the relevant benchmarks, the school shall inform the student's parent or guardian of the screening results and the school's response.

(2) Additional diagnostic assessment and evidence-based curriculum and instruction for students demonstrating a substantial deficit in reading or dyslexia characteristics shall be determined by data-informed decision making within existing processes in accordance with required federal and State law.

(d) Evidence-based reading instructional practices, programs, or interventions provided pursuant to subsection (c) of this section shall be effective, explicit, systematic, and consistent with federal and State guidance and shall address the foundational concepts of literacy proficiency, including phonemic awareness, phonics, fluency, vocabulary, and comprehension.

(e)(1) Each supervisory union and approved independent school that is eligible to receive public tuition shall annually report to the Agency, in a format prescribed by the Agency, the following information and prior year performance, by school:

(A) the number and percentage of students in kindergarten through grade three performing below proficiency on local and statewide reading assessments, as applicable; and

(B) the universal reading screeners utilized.

(2) The Agency shall provide guidance to supervisory unions and approved independent schools that are eligible to receive public tuition on whether, and if so, how, the data provided pursuant to subdivision (1) of this subsection may be disaggregated based on poverty, the provision of special education services, or any other category the Agency deems relevant to understanding the status of the State's progress to improve literacy learning.

(f) On or before January 15 of each year, the Agency shall issue a written report to the Governor and the Senate and House Committees on Education on the status of State progress to improve literacy learning.
