

1 H.282

2 An act relating to the Psychology Interjurisdictional Compact

3 It is hereby enacted by the General Assembly of the State of Vermont:

4 Sec. 1. 26 V.S.A. chapter 55 is amended to read:

5 CHAPTER 55. PSYCHOLOGISTS

6 Subchapter 1. General Provisions

7 \* \* \*

8 Subchapter 2. Psychology Interjurisdictional Compact

9 § 3021. PSYCHOLOGY INTERJURISDICTIONAL COMPACT;

10 ADOPTION

11 Vermont hereby enacts and adopts the Psychology Interjurisdictional  
12 Compact. The form, format, and text of the Compact have been conformed to  
13 the conventions of the Vermont Statutes Annotated. It is the intent of the  
14 General Assembly that this subchapter be interpreted as substantively the same  
15 as the Psychology Interjurisdictional Compact that is enacted by other  
16 Compact party states.

17 § 3022. PURPOSE

18 (a) Whereas, states license psychologists, in order to protect the public  
19 through verification of education, training, and experience and ensure  
20 accountability for professional practice;

21 (b) Whereas, this Compact is intended to regulate the day to day practice of  
22 telepsychology, which is the provision of psychological services using

1 telecommunication technologies, by psychologists across state boundaries in  
2 the performance of their psychological practice as assigned by an appropriate  
3 authority;

4 (c) Whereas, this Compact is intended to regulate the temporary in-person,  
5 face-to-face practice of psychology by psychologists across state boundaries  
6 for 30 days within a calendar year in the performance of their psychological  
7 practice as assigned by an appropriate authority;

8 (d) Whereas, this Compact is intended to authorize state psychology  
9 regulatory authorities to afford legal recognition, in a manner consistent with  
10 the terms of the Compact, to psychologists licensed in another state;

11 (e) Whereas, this Compact recognizes that states have a vested interest in  
12 protecting the public's health and safety through their licensing and regulation  
13 of psychologists and that such state regulation will best protect public health  
14 and safety;

15 (f) Whereas, this Compact does not apply when a psychologist is licensed  
16 in both the Home and Receiving States;

17 (g) Whereas, this Compact does not apply to permanent in-person, face-to-  
18 face practice, it does allow for authorization of temporary psychological  
19 practice; and

20 (h) Consistent with these principles, this Compact is designed to achieve  
21 the following purposes and objectives:

1           (1) increase public access to professional psychological services by  
2           allowing for telepsychological practice across state lines as well as temporary  
3           in-person, face-to-face services into a state in which the psychologist is not  
4           licensed to practice psychology;

5           (2) enhance the states' ability to protect the public's health and safety,  
6           especially client and patient safety;

7           (3) encourage the cooperation of Compact states in the areas of  
8           psychology licensure and regulation;

9           (4) facilitate the exchange of information between Compact states  
10          regarding psychologist licensure, adverse actions, and disciplinary history;

11          (5) promote compliance with the laws governing psychological practice  
12          in each Compact state; and

13          (6) invest all Compact states with the authority to hold licensed  
14          psychologists accountable through the mutual recognition of Compact state  
15          licenses.

16          § 3023. DEFINITIONS

17          As used in this subchapter:

18          (1) "Adverse action" means any action taken by a state psychology  
19          regulatory authority that finds a violation of a statute or regulation that is  
20          identified by the state psychology regulatory authority as discipline and is a  
21          matter of public record.

1           (2) “Association of State and Provincial Psychology Boards (ASPPB)”  
2           means the recognized membership organization composed of state and  
3           provincial psychology regulatory authorities responsible for the licensure and  
4           registration of psychologists throughout the United States and Canada.

5           (3) “Authority to Practice Interjurisdictional Telepsychology” means a  
6           licensed psychologist’s authority to practice telepsychology, within the limits  
7           authorized under this Compact, in another Compact state.

8           (4) “Bylaws” means those bylaws established by the Psychology  
9           Interjurisdictional Compact Commission pursuant to section 3031 of this title  
10          for its governance or for directing and controlling its actions and conduct.

11          (5) “Client or patient” means the recipient of psychological services,  
12          whether psychological services are delivered in the context of health care,  
13          corporate, supervision, consulting services, or a combination of these.

14          (6) “Commissioner” means the voting representative appointed by each  
15          state psychology regulatory authority pursuant to section 3031 of this title.

16          (7) “Compact state” means a state, the District of Columbia, or United  
17          States territory that has enacted this Compact legislation and that has not  
18          withdrawn pursuant to subsection 3024(c) of this title or been terminated  
19          pursuant to subsection 3023(b) of this title.

20          (8) “Coordinated licensure information system” or “coordinated  
21          database” means an integrated process for collecting, sorting, and sharing

1 information on psychologists' licensure and enforcement activities related to  
2 psychology licensure laws, which is administered by the recognized  
3 membership organization composed of state and provincial psychology  
4 regulatory authorities.

5 (9) "Confidentiality" means the principle that data or information is not  
6 made available or disclosed to unauthorized persons or processes, or both.

7 (10) "Day" means any part of a day in which psychological work is  
8 performed.

9 (11) "Distant State" means the Compact state where a psychologist is  
10 physically present, not through the use of the telecommunications  
11 technologies, to provide temporary in-person, face-to-face psychological  
12 services.

13 (12) "E.Passport" means a certificate issued by the Association of State  
14 and Provincial Psychology Boards (ASPPB) that promotes the standardization  
15 in the criteria of interjurisdictional telepsychology practice and facilitates the  
16 process for licensed psychologists to provide telepsychological services across  
17 state lines.

18 (13) "Executive Board" means a group of directors elected or appointed  
19 to act on behalf of, and within the powers granted to them by, the Commission.

20 (14) "Home State" means a Compact state where a psychologist is  
21 licensed to practice psychology. If the psychologist is licensed in more than

1 one Compact state and is practicing under the authorization to practice  
2 interjurisdictional telepsychology, the Home State is the Compact state where  
3 the psychologist is physically present when the telepsychological services are  
4 delivered. If the psychologist is licensed in more than one Compact state and  
5 is practicing under the Temporary Authorization to Practice, the Home State is  
6 any Compact state where the psychologist is licensed.

7 (15) “Identity history summary” means a summary of information  
8 retained by the Federal Bureau of Investigation (FBI), or other designee with  
9 similar authority, in connection with arrests and, in some instances, federal  
10 employment, naturalization, or military service.

11 (16) “In-person, face-to-face” means interactions in which the  
12 psychologist and the client or patient are in the same physical space and does  
13 not include interactions that may occur through the use of telecommunication  
14 technologies.

15 (17) “Interjurisdictional Practice Certificate” or “IPC” means a  
16 certificate issued by the Association of State and Provincial Psychology  
17 Boards (ASPPB) that grants temporary authority to practice based on  
18 notification to the state psychology regulatory authority of intention to practice  
19 temporarily and verification of one’s qualifications for such practice.

1           (18) “License” means authorization by a state psychology authority to  
2           engage in the independent practice of psychology, which would be unlawful  
3           without the authorization.

4           (19) “Non-Compact state” means any state that is not at the time a  
5           Compact state.

6           (20) “Psychologist” means an individual licensed for the independent  
7           practice of psychology.

8           (21) “Psychology Interjurisdictional Compact Commission,” or  
9           “Commission,” means the national administration of which all Compact states  
10          are members.

11          (22) “Receiving State” means a Compact state where the client or  
12          patient is physically located when the telepsychological services are delivered.

13          (23) “Rule” means a written statement by the Psychology  
14          Interjurisdiction Compact Commission promulgated pursuant to section 3032  
15          of this title that is of general applicability; implements, interprets, or prescribes  
16          a policy or provision of the Compact, or an organization, procedural, or  
17          practice requirement of the Commission and has the force and effect of  
18          statutory law in a Compact state; and includes the amendment, repeal, or  
19          suspension of an existing rule.

20          (24) “Significant investigatory information” means:

1           (A) investigative information that a state psychology regulatory  
2           authority, after preliminary inquiry that includes notification and an  
3           opportunity to respond if required by state laws, has reason to believe, if  
4           proven true, would indicate more than a violation of state statute or ethics code  
5           that would be considered more substantial than minor infraction; or

6           (B) investigative information that indicates that the psychologist  
7           represents an immediate threat to public health and safety regardless of  
8           whether the psychologist has been notified or had an opportunity to respond, or  
9           both.

10           (25) “State” means a state, commonwealth, territory, or possession of  
11           the Unites States, or the District of Columbia.

12           (26) “State psychology regulatory authority” means the board, office, or  
13           other agency with the legislative mandate to license and regulate the practice  
14           of psychology.

15           (27) “Telepsychology” means the provision of psychological services  
16           using telecommunication technologies.

17           (28) “Temporary Authorization to Practice” means a licensed  
18           psychologist’s authority to conduct temporary in-person, face-to-face practice,  
19           within the limits authorized under this Compact, in another Compact state.

20           (29) “Temporary in-person, face-to-face practice” means a psychologist  
21           is physically present, not through the use of telecommunications technologies,

1 in the Distant State to provide for the practice of psychology for 30 days within  
2 a calendar year and based on notification to the Distant State.

3 § 3024. HOME STATE LICENSURE

4 (a) The Home State shall be a Compact state where a psychologist is  
5 licensed to practice psychology.

6 (b) A psychologist may hold one or more Compact state licenses at a time.  
7 If the psychologist is licensed in more than one Compact state, the Home State  
8 is the Compact state where the psychologist is physically present when the  
9 services are delivered as authorized by the Authority to Practice  
10 Interjurisdictional Telepsychology under the terms of this Compact.

11 (c) Any Compact state may require a psychologist not previously licensed  
12 in a Compact state to obtain and retain a license to be authorized to practice in  
13 the Compact state under the circumstances not authorized by the Authority to  
14 Practice Interjurisdictional Telepsychology under the terms of this Compact.

15 (d) Any Compact state may require a psychologist to obtain and retain a  
16 license to be authorized to practice in a Compact state under circumstances not  
17 authorized by the Temporary Authorization to Practice under the terms of this  
18 Compact.

19 (e) A Home State's license authorizes a psychologist to practice in a  
20 Receiving State under the Authority to Practice Interjurisdictional  
21 Telepsychology only if the Compact state:

1           (1) currently requires the psychologist to hold an active E.Passport;

2           (2) has a mechanism in place for receiving and investigating complaints  
3 about licensed individuals;

4           (3) notifies the Commission, in compliance with the terms herein, of any  
5 adverse action or significant investigatory information regarding a licensed  
6 individual;

7           (4) requires an identity history summary of all applicants at initial  
8 licensure, including the use of the results of fingerprints or other biometric data  
9 checks compliant with the requirements of the FBI, or other designee with  
10 similar authority, no later than 10 years after activation of the Compact; and

11           (5) complies with the bylaws and rules of the Commission.

12           (f) A Home State's license grants Temporary Authorization to Practice to a  
13 psychologist in a Distant State only if the Compact state:

14           (1) currently requires the psychologist to hold an active IPC;

15           (2) has a mechanism in place for receiving and investigating complaints  
16 about licensed individuals;

17           (3) notifies the Commission, in compliance with the terms herein, of any  
18 adverse action or significant investigatory information regarding a licensed  
19 individual;

20           (4) requires an identity history summary of applicants at initial  
21 licensure, including the use of the results of fingerprints or other biometric data

1 checks compliant with the requirements of the FBI, or other designee with  
2 similar authority, no later than 10 years after activation of the Compact; and

3 (5) complies with the bylaws and rules of the Commission.

4 § 3025. COMPACT PRIVILEGE TO PRACTICE TELEPSYCHOLOGY

5 (a) Compact states shall recognize the right of a psychologist, licensed in a  
6 Compact state in conformance with section 3024 of this title, to practice  
7 telepsychology in other Compact states, called Receiving States, in which the  
8 psychologist is not licensed under the Authority to Practice Interjurisdictional  
9 Telepsychology as provided in the Compact.

10 (b) To exercise the Authority to Practice Interjurisdictional Telepsychology  
11 under the terms and provisions of this Compact, a psychologist licensed to  
12 practice in a Compact state must:

13 (1) hold a graduate degree in psychology from an institute of higher  
14 education that was, at the time the degree was awarded:

15 (A) regionally accredited by an accrediting body recognized by the  
16 U.S. Department of Education to grant graduate degrees, or authorized by  
17 Provincial Statute or Royal Charter to grant doctoral degrees; or

18 (B) a foreign college or university deemed to be equivalent to  
19 subdivision (A) of this subdivision (b)(1) by a foreign credential evaluation  
20 service that is a member of the National Association of Credential Evaluation

1 Services (NACES) or by a recognized foreign credential evaluation service;

2 and

3 (2) hold a graduate degree in psychology that meets the following  
4 criteria:

5 (A) The program, wherever it may administratively housed, must be  
6 clearly identified and labeled as a psychology program. Such a program must  
7 specify in pertinent institutional catalogues and brochures its intent to educate  
8 and train professional psychologists.

9 (B) The psychology program must stand as a recognizable, coherent,  
10 organizational entity within the institution.

11 (C) There must be a clear authority and primary responsibility for the  
12 core and specialty areas whether or not the program cuts across administrative  
13 lines.

14 (D) The program must consist of an integrated, organized sequence  
15 of study.

16 (E) There must be an identifiable psychology faculty sufficient in  
17 size and breadth to carry out its responsibilities.

18 (F) The designated director of the program must be a psychologist  
19 and a member of the core faculty.

20 (G) The program must have an identifiable body of students who are  
21 matriculated in that program for a degree.

1           (H) The program must include supervised practicum, internship, or  
2           field training appropriate to the practice of psychology.

3           (I) The curriculum shall encompass a minimum of three academic  
4           years of full-time graduate study for a doctoral degree and a minimum of one  
5           academic year of full-time graduate study for a master's degree.

6           (J) The program includes an acceptable residency as defined by the  
7           rules of the Commission.

8           (3) possess a current, full, and unrestricted license to practice  
9           psychology in a Home State that is a Compact state;

10          (4) have no history of adverse action that violate the rules of the  
11          Commission;

12          (5) have no criminal record history reported on an identity history  
13          summary that violates the rules of the Commission;

14          (6) possess a current, active E.Passport;

15          (7) provide attestations in regard to areas of intended practice,  
16          conformity with standards of practice, competence in telepsychology  
17          technology; criminal background; and knowledge and adherence to legal  
18          requirements in the Home and Receiving States, and provide a release of  
19          information to allow for primary source verification in a manner specified by  
20          the Commission; and

21          (8) meet other criteria as defined by the rules of the Commission.

1       (c) The Home State maintains authority over the license of any  
2       psychologist practicing into a Receiving State under the Authority to Practice  
3       Interjurisdictional Telepsychology.

4       (d) A psychologist practicing into a Receiving State under the Authority to  
5       Practice Interjurisdictional Telepsychology will be subject to the Receiving  
6       State's scope of practice. A Receiving State may, in accordance with the  
7       state's due process law, limit or revoke a psychologist's Authority to Practice  
8       Interjurisdictional Telepsychology in the Receiving State and may take any  
9       other necessary actions under the Receiving State's applicable law to protect  
10       the health and safety of the Receiving State's citizens. If a Receiving State  
11       takes action, the state shall promptly notify the Home State and the  
12       Commission.

13       (e) If a psychologist's license in any Home State, another Compact state, or  
14       any Authority to Practice Interjurisdictional Telepsychology in any Receiving  
15       State, is restricted, suspended, or otherwise limited, the E.Passport shall be  
16       revoked and therefore the psychologist shall not be eligible to practice  
17       telepsychology in a Compact state under the Authority to Practice  
18       Interjurisdictional Telepsychology.

19       § 3026. COMPACT TEMPORARY AUTHORIZATION TO PRACTICE

20       (a) Compact states shall also recognize the right of a psychologist, licensed  
21       in a Compact state in conformance with section 3024 of this title, to practice

1 temporarily in other Compact states, called Distant States, in which the  
2 psychologist is not licensed, as provided in the Compact.

3 (b) To exercise the Temporary Authorization to Practice under the terms  
4 and provisions of this Compact, a psychologist licensed to practice in a  
5 Compact state must:

6 (1) hold a graduate degree in psychology from an institute of higher  
7 education that was, at the time the degree was awarded:

8 (A) regionally accredited by an accrediting body recognized by the  
9 U.S. Department of Education to grant graduate degrees, or authorized by  
10 Provincial Statute or Royal Charter to grant doctoral degrees; or

11 (B) a foreign college or university deemed to be equivalent to  
12 subdivision (A) of this subdivision (b)(1) by a foreign credential evaluation  
13 service that is a member of the National Association of Credential Evaluation  
14 Services (NACES) or by a recognized foreign credential evaluation service;  
15 and

16 (2) hold a graduate degree in psychology that meets the following  
17 criteria:

18 (A) The program, wherever it may administratively housed, must be  
19 clearly identified and labeled as a psychology program. Such a program must  
20 specify in pertinent institutional catalogues and brochures its intent to educate  
21 and train professional psychologists.

1           (B) The psychology program must stand as a recognizable, coherent,  
2           organizational entity within the institution.

3           (C) There must be a clear authority and primary responsibility for the  
4           core and specialty areas whether or not the program cuts across administrative  
5           lines.

6           (D) The program must consist of an integrated, organized sequence  
7           of study.

8           (E) There must be an identifiable psychology faculty sufficient in  
9           size and breadth to carry out its responsibilities.

10          (F) The designated director of the program must be a psychologist  
11          and a member of the core faculty.

12          (G) The program must have an identifiable body of students who are  
13          matriculated in that program for a degree.

14          (H) The program must include supervised practicum, internship, or  
15          field training appropriate to the practice of psychology.

16          (I) The curriculum shall encompass a minimum of three academic  
17          years of full-time graduate study for a doctoral degree and a minimum of one  
18          academic year of full-time graduate study for a master's degree.

19          (J) The program includes an acceptable residency as defined by the  
20          rules of the Commission.

1           (3) possess a current, full, and unrestricted license to practice  
2           psychology in a Home State that is a Compact state;

3           (4) have no history of adverse action that violate the rules of the  
4           Commission;

5           (5) have no criminal record history that violates the rules of the  
6           Commission;

7           (6) possess a current, active IPC;

8           (7) provide attestations in regard to areas of intended practice and work  
9           experience and provide a release of information to allow for primary source  
10          verification in a manner specified by the Commission; and

11          (8) meet other criteria as defined by the rules of the Commission.

12          (c) A psychologist practicing into a Distant State under the Temporary  
13          Authorization to Practice shall practice within the scope of practice authorized  
14          by the Distant State.

15          (d) A psychologist practicing into a Distant State under the Temporary  
16          Authorization to Practice will be subject to the Distant State's authority and  
17          law. A Distant State may, in accordance with that state's due process law,  
18          limit or revoke a psychologist's Temporary Authorization to Practice in the  
19          Distant State and may take any other necessary actions under the Distant  
20          State's applicable law to protect the health and safety of the Distant State's

1 citizens. If a Distant State takes action, the state shall promptly notify the  
2 Home State and the Commission.

3 (e) If a psychologist's license in any Home State, another Compact state, or  
4 any Temporary Authorization to Practice in any Distant State, is restricted,  
5 suspended, or otherwise limited, the IPC shall be revoked and therefore the  
6 psychologist shall not be eligible to practice in a Compact state under the  
7 Temporary Authorization to Practice.

8 § 3027. CONDITIONS OF TELEPSYCHOLOGY PRACTICE IN A  
9 RECEIVING STATE

10 A psychologist may practice in a Receiving State under the Authority to  
11 Practice Interjurisdictional Telepsychology only in the performance of the  
12 scope of practice for psychology as assigned by an appropriate state  
13 psychology regulatory authority, as defined in the rules of the Commission,  
14 and under the following circumstances:

15 (1) the psychologist initiates a client or patient contact in a Home State  
16 via telecommunications technologies with a client or patient in a Receiving  
17 State; and

18 (2) other conditions regarding telepsychology as determined by rules  
19 promulgated by the Commission.

1     § 3028. ADVERSE ACTIONS

2           (a) A Home State shall have the power to impose adverse action against a  
3           psychologist's license issued by the Home State. A Distant State shall have  
4           the power to take adverse action on a psychologist's Temporary Authorization  
5           to Practice within that Distant State.

6           (b) A Receiving State may take adverse action on a psychologist's  
7           Authority to Practice Interjurisdictional Telepsychology within that Receiving  
8           State. A Home State may take adverse action against a psychologist based on  
9           an adverse action taken by a Distant State regarding temporary in-person, face-  
10          to-face practice.

11          (c) If a Home State takes adverse action against a psychologist's license,  
12          that psychologist's Authority to Practice Interjurisdictional Telepsychology is  
13          terminated and the E.Passport is revoked. Furthermore, that psychologist's  
14          Temporary Authorization to Practice is terminated and the IPC is revoked.

15           (1) All Home State disciplinary orders that impose adverse action shall  
16           be reported to the Commission in accordance with the rules promulgated by  
17           the Commission. A Compact state shall report adverse actions in accordance  
18           with the rules of the Commission.

19           (2) In the event discipline is reported on a psychologist, the psychologist  
20           will not be eligible for telepsychology or temporary in-person, face-to-face  
21           practice in accordance with the rules of the Commission.

1           (3) Other actions may be imposed as determined by the rules  
2           promulgated by the Commission.

3           (d) A Home State’s Psychology Regulatory Authority shall investigate and  
4           take appropriate action with respect to reported inappropriate conduct engaged  
5           in by a licensee that occurred in a Receiving State as it would if such conduct  
6           had occurred by a licensee within the Home State. In such cases, the Home  
7           State’s law shall control in determining any adverse action against a  
8           psychologist’s license.

9           (e) A Distant State’s psychology regulatory authority shall investigate and  
10           take appropriate action with respect to reported inappropriate conduct engaged  
11           in by a psychologist practicing under the Temporary Authorization to Practice  
12           that occurred in that Distant State as it would if such conduct had occurred by a  
13           licensee within the Home State. In such cases, the Distant State’s law shall  
14           control in determining any adverse action against a psychologist’s Temporary  
15           Authorization to Practice.

16           (f) Nothing in this Compact shall override a Compact state’s decision that a  
17           psychologist’s participation in an alternative program may be used in lieu of  
18           adverse action and that such participation shall remain nonpublic if required by  
19           the Compact state’s law. Compact states must require psychologists who enter  
20           any alternative programs to not provide telepsychology services under the  
21           Authority to Practice Interjurisdictional Telepsychology or provide temporary

1 psychological services under the Temporary Authorization to Practice in any  
2 other Compact state during the term of the alternative program.

3 (g) No other judicial or administrative remedies shall be available to a  
4 psychologist in the event a Compact state imposes an adverse action pursuant  
5 to subsection (c) of this section.

6 § 3029. ADDITIONAL AUTHORITIES INVESTED IN COMPACT

7 STATE'S PSYCHOLOGY REGULATORY AUTHORITY

8 (a) In addition to any other powers granted under state law, a Compact  
9 state's psychology regulatory authority shall have the authority under this  
10 Compact to:

11 (1) Issue subpoenas for both hearings and investigations, which require  
12 the attendance and testimony of witnesses and the production of evidence.  
13 Subpoenas issued by a Compact state's psychology regulatory authority for the  
14 attendance and testimony of witnesses, or the production of evidence from  
15 another Compact state, shall be enforced in the latter state by any court of  
16 competent jurisdiction, according to that court's practice and procedure in  
17 considering subpoenas issued in its own proceedings. The issuing state  
18 psychology regulatory authority shall pay any witness fees, travel expenses,  
19 mileage, and other fees required by the service statutes of the state where the  
20 witnesses or evidence, or both, are located; and

1           (2) Issue cease and desist or injunctive relief orders, or both, to revoke a  
2           psychologist's Authority to Practice Interjurisdictional Telepsychology or the  
3           Temporary Authorization to Practice, or both.

4           (b) During the course of any investigation, a psychologist may not change  
5           the psychologist's Home State licensure. A Home state psychology regulatory  
6           authority is authorized to complete any pending investigations of a  
7           psychologist and to take any actions appropriate under its law. The Home  
8           State psychology regulatory authority shall promptly report the conclusions of  
9           such investigations to the Commission. Once an investigation has been  
10           completed, and pending the outcome of said investigation, the psychologist  
11           may change the psychologist's Home State licensure. The Commission shall  
12           promptly notify the new Home State of any such decisions as provided in the  
13           rules of the Commission. All information provided to the Commission or  
14           distributed by Compact states pursuant to the psychologist shall be  
15           confidential, filed under seal, and used for investigatory or disciplinary  
16           matters. The Commission may create additional rules for mandated or  
17           discretionary sharing of information by Compact states.

18           § 3030. COORDINATED LICENSURE INFORMATION SYSTEM

19           (a) The Commission shall provide for the development and maintenance of  
20           a coordinated licensure information system and reporting system containing  
21           licensure and disciplinary action information on all psychologists to whom this

1 Compact is applicable in all Compact states as defined by the rules of the  
2 Commission.

3 (b) Notwithstanding any other provision of state law to the contrary, a  
4 Compact state shall submit a uniform data set to the coordinated database on  
5 all licensees as required by the rules of the Commission, including:

6 (1) identifying information;

7 (2) licensure data;

8 (3) significant investigatory information;

9 (4) adverse actions against a psychologist's license;

10 (5) an indicator that a psychologist's Authority to Practice

11 Interjurisdictional Telepsychology or Temporary Authorization to Practice, or  
12 both, is revoked;

13 (6) nonconfidential information related to alternative program  
14 participation information;

15 (7) any denial of application for licensure and the reasons for such  
16 denial; and

17 (8) other information that may facilitate the administration of this  
18 Compact, as determined by the rules of the Commission.

19 (c) The coordinated database administrator shall promptly notify all  
20 Compact states of any adverse action taken against, or significant investigative  
21 information on, any licensee in a Compact state.

1       (d) Compact states reporting information to the coordinated database may  
2       designate information that may not be shared with the public without the  
3       express permission of the Compact state reporting the information.

4       (e) Any information submitted to the coordinated database that is  
5       subsequently required to be expunged by the law of the Compact state  
6       reporting the information shall be removed from the coordinated database.

7       § 3031. ESTABLISHMENT OF THE PSYCHOLOGY

8               INTERJURISDICTIONAL COMPACT COMMISSION

9       (a) The Compact states hereby create and establish a joint public agency  
10       known as the Psychology Interjurisdictional Compact Commission.

11           (1) The Commission is a body politic and an instrumentality of the  
12       Compact states.

13           (2) Venue is proper and judicial proceedings by or against the  
14       Commission shall be brought solely and exclusively in a court of competent  
15       jurisdiction where the principal office of the Commission is located. The  
16       Commission may waive venue and jurisdictional defenses to the extent it  
17       adopts or consents to participate in alternative dispute resolution proceedings.

18           (3) Nothing in this Compact shall be construed to be a waiver of  
19       sovereign immunity.

20       (b) Membership, voting, and meetings.

1           (1) The Commission shall consist of one voting representative appointed  
2           by each Compact state who shall serve as that state’s Commissioner. The state  
3           psychology regulatory authority shall appoint its delegate. This delegate shall  
4           be empowered to act on behalf of the Compact state. This delegate shall be  
5           limited to:

6                   (A) the Executive Director, Executive Secretary, or similar executive;

7                   (B) a current member of the state psychology regulatory authority of  
8           a Compact state; or

9                   (C) a designee empowered with the appropriate delegate authority to  
10           act on behalf of the Compact state.

11           (2) Any Commissioner may be removed or suspended from office as  
12           provided by the law of the state from which the Commissioner is appointed.  
13           Any vacancy occurring in the Commission shall be filled in accordance with  
14           the laws of the Compact state in which the vacancy exists.

15           (3) Each Commissioner shall be entitled to one vote with regard to the  
16           promulgation of rules and creation of bylaws and shall otherwise have an  
17           opportunity to participate in the business and affairs of the Commission. A  
18           Commissioner shall vote in person or by such other means as provided in the  
19           bylaws. The bylaws may provide for Commissioners’ participation in  
20           meetings by telephone or other means of communication.

1           (4) The Commission shall meet at least once during each calendar year.

2           Additional meetings shall be held as set forth in the bylaws.

3           (5) All meetings shall be open to the public, and public notice of  
4           meetings shall be given in the same manner as required under the rulemaking  
5           provisions in section 3032 of this title.

6           (6) The Commission may convene in a closed, nonpublic meeting if the  
7           Commission must discuss:

8                   (A) noncompliance of a Compact state with its obligations under the  
9           Compact;

10                   (B) employment, compensation, discipline, or other personnel  
11           matters, practices, or procedures related to specific employees; or other matters  
12           related to the Commission's internal personnel practices and procedures;

13                   (C) current, threatened, or reasonably anticipated litigation against  
14           the Commission;

15                   (D) negotiation of contracts for the purchase or sale of goods,  
16           services, or real estate;

17                   (E) accusation against any person of a crime or formally censuring  
18           any person;

19                   (F) disclosure of trade secrets or commercial or financial information  
20           that is privileged or confidential;

1           (G) disclosure of information of a personal nature where disclosure  
2           would constitute a clearly unwarranted invasion of personal privacy;

3           (H) disclosure of investigatory records compiled for law enforcement  
4           purposes;

5           (I) disclosure of information related to any investigatory reports  
6           prepared by or on behalf of or for use of the Commission or other committee  
7           charged with responsibility for investigation or determination of compliance  
8           issues pursuant to the Compact; or

9           (J) matters specifically exempted from disclosure by federal and state  
10          statute.

11          (7) If a meeting, or portion of a meeting, is closed pursuant to this  
12          provision, the Commission's legal counsel or designee shall certify that the  
13          meeting may be closed and shall reference each relevant exempting provision.  
14          The Commission shall keep minutes that fully and clearly describe all matters  
15          discussed in a meeting and shall provide a full and accurate summary of  
16          actions taken, of any person participating in the meeting, and the reasons  
17          therefor, including a description of the views expressed. All documents  
18          considered in connection with an action shall be identified in such minutes.  
19          All minutes and documents of a closed meeting shall remain under seal,  
20          subject to release only by a majority vote of the Commission or order of a  
21          court of competent jurisdiction.

1       (c) The Commission shall, by a majority vote of the Commissioners,  
2       prescribe bylaws or rules, or both, to govern its conduct as may be necessary or  
3       appropriate to carry out the purposes and exercise the powers of the Compact,  
4       including but not limited to:

5               (1) Establishing the fiscal year of the Commission;

6               (2) Providing reasonable standards and procedures:

7                       (A) for the establishment and meetings of other committees; and

8                       (B) governing any general or specific delegation of any authority or  
9       function of the Commission;

10               (3) Providing reasonable procedures for calling and conducting  
11       meetings of the Commission, ensuring reasonable advance notice of all  
12       meetings, and providing an opportunity for attendance of such meetings by  
13       interested parties, with enumerated exceptions designed to protect the public's  
14       interest, the privacy of individuals of such proceedings, and proprietary  
15       information, including trade secrets. The Commission may meet in closed  
16       session only after a majority of the Commissioners vote to close a meeting to  
17       the public in whole or in part. As soon as practicable, the Commission must  
18       make public a copy of the vote to close the meeting revealing the vote of each  
19       Commissioner with no proxy votes allowed;

20               (4) Establishing the titles, duties and authority and reasonable  
21       procedures for the election of the officers of the Commission;

1           (5) Providing reasonable standards and procedures for the establishment  
2           of the personnel policies and programs of the Commission. Notwithstanding  
3           any civil service or other similar law of any Compact state, the bylaws shall  
4           exclusively govern the personnel policies and programs of the Commission;

5           (6) Promulgating a code of ethics to address permissible and prohibited  
6           activities of Commission members and employees;

7           (7) Providing a mechanism for concluding the operations of the  
8           Commission and the equitable disposition of any surplus funds that may exist  
9           after the termination of the Compact after the payment or reserving, or both, of  
10          all of its debts and obligations;

11          (8) The Commission shall publish its bylaws in a convenient form and  
12          file a copy thereof and a copy of any amendment thereto, with the appropriate  
13          agency or officer in each of the Compact states;

14          (9) The Commission shall maintain its financial records in accordance  
15          with the bylaws; and

16          (10) The Commission shall meet and take such actions as are consistent  
17          with the provisions of this Compact and the bylaws.

18          (d) The Commission shall have the following powers:

19               (1) The authority to promulgate uniform rules to facilitate and  
20               coordinate implementation and administration of this Compact. The rule shall  
21               have the force and effect of law and shall be binding in all Compact states;

1           (2) To bring and prosecute legal proceedings or actions in the name of  
2           the Commission, provided that the standing of any state psychology regulatory  
3           authority or other regulatory body responsible for psychology licensure to sue  
4           or be sued under applicable law shall not be affected;

5           (3) To purchase and maintain insurance and bonds;

6           (4) To borrow, accept, or contract for services of personnel, including,  
7           but not limited to, employees of a Compact state;

8           (5) To hire employees, elect or appoint officers, fix compensation,  
9           define duties, grant such individuals appropriate authority to carry out the  
10          purposes of the Compact, and to establish the Commission's personnel policies  
11          and programs relating to conflicts of interest, qualifications of personnel, and  
12          other related personnel matters;

13          (6) To accept any and all appropriate donations and grants of money,  
14          equipment, supplies, materials, and services, and to receive, utilize, and  
15          dispose of the same; provided that at all times the Commission shall strive to  
16          avoid any appearance of impropriety or of conflict of interest;

17          (7) To lease, purchase, accept appropriate gifts or donations of, or  
18          otherwise to own, hold, improve, or use any property, real, personal, or mixed;  
19          provided that at all times the Commission shall strive to avoid any appearance  
20          of impropriety;

1           (8) To sell, convey, mortgage, pledge, lease, exchange, abandon, or  
2           otherwise dispose of any property, real, personal, or mixed;

3           (9) To establish a budget and make expenditures;

4           (10) To borrow money;

5           (11) To appoint committees, including advisory committees composed  
6           of members, state regulators, state legislators or their representatives, and  
7           consumer representatives, and such other interested persons as may be  
8           designated in this Compact and the bylaws;

9           (12) To provide and receive information from, and to cooperate with,  
10          law enforcement agencies;

11          (13) To adopt and use an official seal; and

12          (14) To perform such other functions as may be necessary or appropriate  
13          to achieve the purposes of this Compact consistent with the state regulation of  
14          psychology licensure, temporary in-person, face-to-face practice, and  
15          telepsychology practice.

16          (e) The Executive Board. The elected officers shall serve as the Executive  
17          Board, which shall have the power to act on behalf of the Commission  
18          according to the terms of this Compact.

19               (1) The Executive Board shall be composed of six members:

20                   (A) five voting members who are elected from the current  
21                   membership of the Commission by the Commission; and

1           (B) one ex-officio, nonvoting member from the recognized  
2           membership organization composed of state and provincial psychology  
3           regulatory authorities.

4           (2) The ex-officio member must have served as staff or member on a  
5           state psychology regulatory authority and will be selected by its respective  
6           organization.

7           (3) The Commission may remove any member of the Executive Board  
8           as provided in bylaws.

9           (4) The Executive Board shall meet at least annually.

10          (5) The Executive Board shall have the following duties and  
11          responsibilities:

12           (A) recommend to the entire Commission changes to the rules or  
13           bylaws, changes to this Compact legislation, fees paid by Compact states such  
14           as annual dues, and any other applicable fees;

15           (B) ensure Compact administration services are appropriately  
16           provided, contractual or otherwise;

17           (C) prepare and recommend the budget;

18           (D) maintain financial records on behalf of the Commission;

19           (E) monitor Compact compliance of member states and provide  
20           compliance reports to the Commission;

21           (F) establish additional committees as necessary; and

1           (G) other duties as provided in rules or bylaws.

2           (f) Financing of the Commission.

3           (1) The Commission shall pay, or provide for the payment of, the  
4 reasonable expenses of its establishment, organization, and ongoing activities.

5           (2) The Commission may accept any and all appropriate revenue  
6 sources, donations, and grants of money, equipment, supplies, materials, and  
7 services.

8           (3) The Commission may levy on and collect an annual assessment from  
9 each Compact state or impose fees on other parties to cover the cost of the  
10 operations and activities of the Commission and its staff, which must be in a  
11 total amount sufficient to cover its annual budget as approved each year for  
12 which revenue is not provided by other sources. The aggregate annual  
13 assessment amount shall be allocated based upon a formula to be determined  
14 by the Commission, which shall promulgate a rule binding upon all Compact  
15 states.

16           (4) The Commission shall not incur obligations of any kind prior to  
17 securing the funds adequate to meet the same; nor shall the Commission  
18 pledge the credit of any of the Compact states, except by and with the authority  
19 of the Compact state.

20           (5) The Commission shall keep accurate accounts of all receipts and  
21 disbursements. The receipts and disbursements of the Commission shall be

1 subject to the audit and accounting procedures established under its bylaws.  
2 However, all receipts and disbursements of funds handled by the Commission  
3 shall be audited yearly by a certified or licensed public accountant and the  
4 report of the audit shall be included in and become part of the annual report of  
5 the Commission.

6 (g) Qualified immunity, defense, and indemnification.

7 (1) The members, officers, Executive Director, employees, and  
8 representatives of the Commission shall be immune from suit and liability,  
9 either personally or in their official capacity, for any claim for damage to or  
10 loss of property or personal injury or other civil liability caused by or arising  
11 out of any actual or alleged act, error, or omission that occurred, or that the  
12 person against whom the claim is made had a reasonable basis for believing  
13 occurred within the scope of Commission employment, duties, or  
14 responsibilities, provided that nothing in this paragraph shall be construed to  
15 protect any such person from suit or liability for any damage, loss, injury, or  
16 liability caused by the intentional or willful or wanton misconduct of that  
17 person.

18 (2) The Commission shall defend any member, officer, Executive  
19 Director, employee, or representative of the Commission in any civil action  
20 seeking to impose liability arising out of any actual or alleged act, error, or  
21 omission that occurred within the scope of Commission employment, duties, or

1 responsibilities, or that the person against whom the claim is made had a  
2 reasonable basis for believing occurred within the scope of Commission  
3 employment, duties, or responsibilities, provided that nothing herein shall be  
4 construed to prohibit that person from retaining the person's own counsel; and  
5 provided further, that the actual or alleged act, error, or omission did not result  
6 from that person's intentional or willful or wanton misconduct.

7 (3) The Commission shall indemnify and hold harmless any member,  
8 officer, Executive Director, employee, or representative of the Commission for  
9 the amount of any settlement or judgment obtained against that person arising  
10 out of any actual or alleged act, error, or omission that occurred within the  
11 scope of Commission employment, duties, or responsibilities, or that such  
12 person had a reasonable basis for believing occurred within the scope of  
13 Commission employment, duties, or responsibilities, provided that the actual  
14 or alleged act, error, or omission did not result from the intentional or willful  
15 or wanton misconduct of that person.

16 § 3032. RULEMAKING

17 (a) The Commission shall exercise its rulemaking powers pursuant to the  
18 criteria set forth in this section and the rules adopted thereunder. Rules and  
19 amendments shall become binding as of the date specified in each rule or  
20 amendment.

1       (b) If a majority of the legislatures of the Compact states rejects a rule, by  
2       enactment of a statute or resolution in the same manner used to adopt the  
3       Compact, then such rule shall have no further force and effect in any Compact  
4       state.

5       (c) Rules or amendments to the rules shall be adopted at a regular or special  
6       meeting of the Commission.

7       (d) Prior to promulgation and adoption of a final rule or rules by the  
8       Commission, and at least 60 days in advance of the meeting at which the rule  
9       will be considered and voted upon, the Commission shall file a notice of  
10       proposed rulemaking:

11             (1) on the website of the Commission; and

12             (2) on the website of each Compact states' psychology regulatory  
13       authority or the publication in which each state would otherwise publish  
14       proposed rules.

15       (e) The notice of proposed rulemaking shall include:

16             (1) the proposed time, date, and location of the meeting in which the  
17       rule will be considered and voted upon;

18             (2) the text of the proposed rule or amendment and the reason for the  
19       proposed rule;

20             (3) a request for comments on the proposed rule from any interested  
21       person; and

1           (4) the manner in which interested persons may submit notice to the  
2           Commission of their intention to attend the public hearing and any written  
3           comments.

4           (f) Prior to adoption of a proposed rule, the Commission shall allow  
5           persons to submit written data, facts, opinions, and arguments, which shall be  
6           made available to the public.

7           (g) The Commission shall grant an opportunity for a public hearing before  
8           it adopts a rule or amendment if a hearing is requested by:

9           (1) at least 25 persons who submit comments independently of each  
10          other;

11          (2) a governmental subdivision or agency; or

12          (3) a duly appointed person in an association that has at least 25  
13          members.

14          (h) If a hearing is held on the proposed rule or amendment, the  
15          Commission shall publish the place, time, and date of the scheduled public  
16          hearing.

17          (1) All persons wishing to be heard at the hearing shall notify the  
18          Executive Director of the Commission or other designated member in writing  
19          of their desire to appear and testify at the hearing not less than five business  
20          days before the scheduled date of the hearing.

1           (2) Hearings shall be conducted in a manner providing each person who  
2           wishes to comment a fair and reasonable opportunity to comment orally or in  
3           writing.

4           (3) No transcript of the hearing is required, unless a written request for a  
5           transcript is made, in which case the person requesting the transcript shall bear  
6           the cost of producing the transcript. A recording may be made in lieu of a  
7           transcript under the same terms and conditions as a transcript. This  
8           subdivision shall not preclude the Commission from making a transcript or  
9           recording of the hearing if it so chooses.

10           (4) Nothing in this section shall be construed as requiring a separate  
11           hearing on each rule. Rules may be grouped for the convenience of the  
12           Commission at hearings required by this section.

13           (i) Following the scheduled hearing date, or by the close of business on the  
14           scheduled hearing date if the hearing was not held, the Commission shall  
15           consider all written and oral comments received.

16           (j) The Commission shall, by majority vote of all members, take final  
17           action on the proposed rule and shall determine the effective date of the rule, if  
18           any, based on the rulemaking record and the full text of the rule.

19           (k) If no written notice of intent to attend the public hearing by interested  
20           parties is received, the Commission may proceed with promulgation of the  
21           proposed rule without a public hearing.

1       (l) Upon determination that an emergency exists, the Commission may  
2       consider and adopt an emergency rule without prior notice, opportunity for  
3       comment, or hearing, provided that the usual rulemaking procedures provided  
4       in the Compact and in this section shall be retroactively applied to the rule as  
5       soon as reasonably possible, in no event later than 90 days after the effective  
6       date of the rule. For the purposes of this provision, an emergency rule is one  
7       that must be adopted immediately in order to:

8               (1) meet an imminent threat to public health, safety, or welfare;

9               (2) prevent a loss of Commission or Compact state funds;

10              (3) meet a deadline for the promulgation of an administrative rule that is  
11       established by federal law or rule; or

12              (4) protect public health and safety.

13       (m) The Commission or an authorized committee of the Commission may  
14       direct revisions to a previously adopted rule or amendment for purposes of  
15       correcting typographical errors, errors in format, errors in consistency, or  
16       grammatical errors. Public notice of any revisions shall be posted on the  
17       website of the Commission. The revision shall be subject to challenge by any  
18       person for a period of 30 days after posting. The revision may be challenged  
19       only on grounds that the revision results in a material change to a rule. A  
20       challenge shall be made in writing and delivered to the Chair of the  
21       Commission prior to the end of the notice period. If no challenge is made, the

1 revision will take effect without further action. If the revision is challenged,  
2 the revision may not take effect without the approval of the Commission.

3 § 3033. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

4 (a) Oversight.

5 (1) The executive, legislative, and judicial branches of state government  
6 in each Compact state shall enforce this Compact and take all actions  
7 necessary and appropriate to effectuate the Compact's purposes and intent.  
8 The provisions of this Compact and the rules promulgated hereunder shall have  
9 standing as statutory law.

10 (2) All courts shall take judicial notice of the Compact and the rules in  
11 any judicial or administrative proceeding in a Compact state pertaining to the  
12 subject matter of this Compact that may affect the powers, responsibilities, or  
13 actions of the Commission.

14 (3) The Commission shall be entitled to receive service of process in  
15 any such proceeding and shall have standing to intervene in such a proceeding  
16 for all purposes. Failure to provide service of process to the Commission shall  
17 render a judgment or order void as to the Commission, this Compact, or  
18 promulgated rules.

19 (b) Default, technical assistance, and termination.

1           (1) If the Commission determines that a Compact state has defaulted in  
2           the performance of its obligations or responsibilities under this Compact or the  
3           promulgated rules, the Commission shall:

4                   (A) provide written notice to the defaulting state and other Compact  
5                   states of the nature of the default, the proposed means of remedying the  
6                   default, and any other action to be taken by the Commission; and

7                   (B) provide remedial training and specific technical assistance  
8                   regarding the default.

9           (2) If a state in default fails to remedy the default, the defaulting state  
10           may be terminated from the Compact upon an affirmative vote of a majority of  
11           the Compact states, and all rights, privileges, and benefits conferred by this  
12           Compact shall be terminated on the effective date of termination. A remedy of  
13           the default does not relieve the offending state of obligations or liabilities  
14           incurred during the period of default.

15           (3) Termination of membership in the Compact shall be imposed only  
16           after all other means of securing compliance have been exhausted. Notice of  
17           intent to suspend or terminate shall be submitted by the Commission to the  
18           governor, the majority and minority leaders of the defaulting state's legislature,  
19           and each of the Compact states.

20           (4) A Compact state that has been terminated is responsible for all  
21           assessments, obligations, and liabilities incurred through the effective date of

1 termination, including obligations that extend beyond the effective date of  
2 termination.

3 (5) The Commission shall not bear any costs incurred by the state that is  
4 found to be in default or that has been terminated from the Compact, unless  
5 agreed upon in writing between the Commission and the defaulting state.

6 (6) The defaulting state may appeal the action of the Commission by  
7 petitioning the U.S. District Court for the State of Georgia or the federal  
8 district where the Compact has its principal offices. The prevailing member  
9 shall be awarded all costs of such litigation, including reasonable attorney's  
10 fees.

11 (c) Dispute resolution.

12 (1) Upon request by a Compact state, the Commission shall attempt to  
13 resolve disputes related to the Compact that arise among Compact states and  
14 between Compact and non-Compact states.

15 (2) The Commission shall promulgate a rule providing for both  
16 mediation and binding dispute resolution for disputes that arise before the  
17 commission.

18 (d) Enforcement.

19 (1) The Commission, in the reasonable exercise of its discretion, shall  
20 enforce the provisions and rules of this Compact.

1           (2) By majority vote, the Commission may initiate legal action in the  
2           U.S. District Court for the State of Georgia or the federal district where the  
3           Compact has its principal offices against a Compact state in default to enforce  
4           compliance with the provisions of the Compact and its promulgated rules and  
5           bylaws. The relief sought may include both injunctive relief and damages. In  
6           the event judicial enforcement is necessary, the prevailing member shall be  
7           awarded all costs of such litigation, including reasonable attorney's fees.

8           (3) The remedies herein shall not be the exclusive remedies of the  
9           Commission. The Commission may pursue any other remedies available under  
10          federal or state law.

11          § 3034. DATE OF IMPLEMENTATION OF THE PSYCHOLOGY

12                   INTERJURISDICTIONAL COMPACT COMMISSION AND  
13                   ASSOCIATED RULES, WITHDRAWAL, AND AMENDMENTS

14          (a) The Compact shall come into effect on the date on which the Compact  
15          is enacted into law in the seventh Compact state. The provisions that become  
16          effective at that time shall be limited to the powers granted to the Commission  
17          relating to assembly and the promulgation of rules. Thereafter, the  
18          Commission shall meet and exercise rulemaking powers necessary to the  
19          implementation and administration of the Compact.

20          (b) Any state that joins the Compact subsequent to the Commission's initial  
21          adoption of the rules shall be subject to the rules as they exist on the date on

1 which the Compact becomes law in that state. Any rule that has been  
2 previously adopted by the Commission shall have the full force and effect of  
3 law on the day the Compact becomes law in that state.

4 (c) Any Compact state may withdraw from this Compact by enacting a  
5 statute repealing the same.

6 (1) A Compact state's withdrawal shall not take effect until six months  
7 after enactment of the repealing statute.

8 (2) Withdrawal shall not affect the continuing requirement of the  
9 withdrawing state's psychology regulatory authority to comply with the  
10 investigative and adverse action reporting requirements of this act prior to the  
11 effective date of withdrawal.

12 (d) Nothing contained in this Compact shall be construed to invalidate or  
13 prevent any psychology licensure agreement or other cooperative arrangement  
14 between a Compact state and a non-Compact state that does not conflict with  
15 the provisions of this Compact.

16 (e) This Compact may be amended by the Compact states. No amendment  
17 to this Compact shall become effective and binding upon any Compact state  
18 until it is enacted into the law of all Compact states.

19 § 3035. CONSTRUCTION AND SEVERABILITY

20 This Compact shall be liberally construed so as to effectuate the purposes  
21 thereof. If this Compact shall be held contrary to the constitution of any state

1 member thereto, the Compact shall remain in full force and effect as to the  
2 remaining Compact states.

3 Sec. 2. EFFECTIVE DATE

4 This act shall take effect on July 1, 2024.
