

1 H.291

2 Introduced by Representatives Sibilgia of Dover and Chase of Colchester

3 Referred to Committee on

4 Date:

5 Subject: Executive; Agency of Digital Services; information technology;
6 cybersecurity; critical infrastructure

7 Statement of purpose of bill as introduced: This bill proposes to statutorily
8 create the Cybersecurity Advisory Council to advise on the State's
9 cybersecurity infrastructure, standards, and safeguards. This bill also proposes
10 to require the Cybersecurity Advisory Council to biennially review and
11 approve the State's cybersecurity standards for the State's critical
12 infrastructure domains.

13 An act relating to the creation of the Cybersecurity Advisory Council

14 It is hereby enacted by the General Assembly of the State of Vermont:

15 Sec. 1. 20 V.S.A. chapter 208 is added to read:

16 CHAPTER 208. CYBERSECURITY

17 § 4661. DEFINITIONS

18 As used in this chapter:

1 (1) “Critical infrastructure” has the same meaning as in 11 V.S.A.
2 § 1701.

3 (2) “Cybersecurity” means the practice of deploying people, policies,
4 processes, and technologies to protect organizations, their critical systems, and
5 sensitive information from digital attacks.

6 § 4662. CYBERSECURITY ADVISORY COUNCIL

7 (a) Creation. There is created the Cybersecurity Advisory Council to
8 advise on the State’s cybersecurity infrastructure, standards, and safeguards.

9 (b) Membership. The Council shall be composed of the following
10 members:

11 (1) one current member of the House of Representatives, who shall be
12 appointed by the Speaker of the House;

13 (2) one current member of the Senate, who shall be appointed by the
14 Committee on Committees;

15 (3) the Chief Information Officer, who shall serve as the Chair or
16 appoint a designee from the Council to serve as the Chair;

17 (4) the Chief Information Security Officer;

18 (5) a representative from a State electrical public utility, appointed by
19 the Governor;

20 (6) a representative from a State municipal water system, appointed by
21 the Governor;

1 (7) a representative from a Vermont hospital or accountable care
2 organization, appointed by the Governor;

3 (8) a person representing a Vermont business related to an essential
4 supply chain, appointed by the Governor;

5 (9) the Director of Vermont Emergency Management or designee;

6 (10) the Governor's Homeland Security Advisor or designee;

7 (11) the Vermont Adjutant General or designee; ~~and~~

(12) the Attorney General or designee; *and*

(13) the President of Vermont Information Technology Leaders or
designee.

8 (c) Powers and duties. The Council shall have the following duties:

9 (1) develop a strategic plan for protecting the State's public sector and
10 private sector information and systems from cybersecurity attacks;

11 (2) review and approve the State's cybersecurity standards for critical
12 infrastructure domains;

13 (3) evaluate statewide cybersecurity readiness and develop best
14 practices for policies and procedures to strengthen administrative, technical,
15 and physical cybersecurity safeguards as a resource for State government,
16 Vermont businesses, and the public;

1 (4) build relationships and conduct outreach within State government
2 and to federal government and the private sector to ensure the resilience of
3 electronic information systems;

4 (5) build strong partnerships with local universities and colleges in order
5 to leverage cybersecurity resources; and

6 (6) identify and advise on opportunities to:

7 (A) ensure Vermont promotes, attracts, and retains a highly skilled
8 cybersecurity workforce;

9 (B) raise citizen awareness through outreach and public service
10 announcements;

11 (C) provide technical capabilities, training, and advice to local
12 government and the private sector;

13 (D) provide recommendations on legislative action to the General
14 Assembly to protect critical assets, infrastructure, services, and personally
15 identifiable information;

16 (E) advise on strategic, operational, and budgetary impacts of
17 cybersecurity on the State;

18 (F) engage State and federal partners in assessing and managing risk;
19 and

20 (G) investigate ways the State can implement a unified cybersecurity
21 communications and response.

1 (d) Assistance. The Council shall have the administrative and technical
2 assistance of the Agency of Digital Services.

3 (e) Working groups and consultations.

4 (1) The Council may establish interagency working groups to support its
5 charge, drawing membership from any State agency or department.

6 (2) The Council may consult with private sector and municipal, State,
7 and federal government professionals for information and advice on issues
8 related to the Council's charge.

9 (f) Meetings.

10 (1) The Chief Information Officer shall be the Chair of the Council.

11 (2) A majority of the membership shall constitute a quorum.

12 (3) The Council shall meet at least quarterly.

13 (g) Reports. On or before January 15 each year, the Council shall submit a
14 written report to the House Committees on Commerce and Economic
15 Development, on Environment and Energy, on Government Operations and
16 Military Affairs, and on Ways and Means, and the Senate Committees on
17 Economic Development, Housing and General Affairs, on Finance, and on
18 Government Operations on information acquired pursuant to activities required
19 under subsection (c) of this section and any recommendations for legislative
20 action. The provisions of 2 V.S.A. § 20(d) (expiration of required reports)
21 shall not apply to the report to be made under this subsection.

(h) Compensation and reimbursement.

(1) For attendance at meetings during adjournment of the General Assembly, a legislative member of the Council serving in the member's capacity as a legislator shall be entitled to per diem compensation and reimbursement of expenses pursuant to 2 V.S.A. § 23. These payments shall be made from monies appropriated to the General Assembly.

(2) Other members of the Council who are not otherwise compensated or reimbursed for their attendance shall be entitled to per diem compensation and reimbursement of expenses as permitted under 32 V.S.A. § 1010. These payments shall be made from monies appropriated to the Agency of Digital Services.

1 § 4663. CYBERSECURITY STANDARDS FOR CRITICAL

2 INFRASTRUCTURE

3 (a) Standards. Beginning on July 1, 2024 and biennially thereafter, the
4 Cybersecurity Advisory Council, established pursuant to section 4662 of this
5 title, shall review and approve the cybersecurity standards for the critical
6 infrastructure domains. The standards shall include:

7 (1) the identification of critical infrastructure and the associated risks;

8 (2) the implementation of security controls to protect against identified
9 risks;

1 (3) regular testing and evaluation of the effectiveness of the security
2 controls;

3 (4) the development and implementation of incident response plans;

4 (5) the regular training of personnel on cybersecurity risks and incident
5 response;

6 (6) the implementation of measures to protect against unauthorized
7 access, use, disclosure, disruption, modification, or destruction of critical
8 infrastructure data;

9 (7) compliance with all State and federal laws and regulations related to
10 cybersecurity; and

11 (8) the implementation of measures to ensure the ongoing
12 confidentiality, integrity, and availability of critical infrastructure.

13 (b) Standards for other regulatory bodies. The cybersecurity standards
14 approved by the Council pursuant to subsection (a) of this section shall
15 include:

16 (1) cybersecurity standards developed by the Public Utility Commission
17 to protect the State's critical infrastructures relating to electric, water,
18 telecommunications, and any other essential sectors as determined by the
19 Commission.

(2) cybersecurity standards developed by the Green Mountain *Care*
Board to protect the State's critical infrastructures relating to health care,

including hospitals, health care systems, accountable care organizations, and other essential health systems as determined by the Board.

1 (c) Exemption. Any assessments and reports related to the cybersecurity
2 standards for critical infrastructure are exempt from public inspection and
3 copying under the Public Records Act and shall be kept confidential.

4 Sec. 2. 11 V.S.A. § 1701 is amended to read:

5 § 1701. DEFINITIONS

6 ~~In~~ As used in this chapter:

7 (1) “Critical infrastructure” means property and equipment owned or
8 used by communications networks and electric generation, transmission, and
9 distribution systems; water and wastewater systems; health systems; essential
10 supply chains; and communications networks, including cellular, broadband,
11 and telecommunications networks.
