11           Agriculture, Food and Markets for State fair or field days organizations  
12           without distinct requirements that otherwise dictate how to allocate the funds.

13           § 5154. STATE AGRICULTURAL FAIRS AND FIELD DAYS GRANT

14           PROGRAM; ELIGIBILITY

15           (a) A grant program is established within the Agency of Agriculture, Food  
16           and Markets to provide financial assistance from funds appropriated for this  
17           purpose to eligible agricultural fair associations to support their agricultural  
18           fairs or field days.

19           (b) An agricultural fair association shall be eligible to apply for grant funds  
20           under this section if it meets all of the following:

1           (1) It operates an agricultural fair or field days that is open a minimum  
2           of three consecutive eight-hour days each year or it operates a fair that received  
3           grant funding through the previous State stipend fund for agricultural fairs.

4           (2) It timely applies for a grant, submits a complete application, and  
5           provides all requested information.

6           (3) It is in good standing with the Agency of Agriculture, Food and  
7           Markets.

8           (4) It fully intends to continue operating an agricultural fair or field days  
9           that is open a minimum of three consecutive eight-hour days during both the  
10          current and next calendar year.

11          (c) The Secretary shall create an application form that agricultural fair  
12          associations must utilize when applying for assistance. Agency of  
13          Administration Bulletin 5.0 shall apply to all awarded grants, and applicants  
14          shall certify that all information they provide is truthful and accurate to the best  
15          of their knowledge, information, and belief.

16          (d) The Secretary shall have the discretion to solicit relevant information,  
17          establish and enforce an application deadline, and establish a reasonable time  
18          frame to distribute grant funds to eligible and qualified applicants. The  
19          Secretary may require each applicant to:

20                 (1) explain the basis for each request with an informative narrative and  
21                 pertinent financial data;

1           (2) explain how any awarded grant funds will be used, including  
2           whether the funds will support general operations or plant improvement;

7           (4) indicate how the requested grant will support continued operations  
8           and promote agriculture in the State;

9           (5) explain how recently awarded program grants supported the  
10          purposes of this chapter; and

11          (6) explain its goals for the next five years, how it plans to achieve the  
12          goals, and the role of the requested grant funds in meeting its objectives.

13          (e) The Secretary shall have the discretion to issue grant awards to eligible  
14          agricultural fair associations after the application deadline expires and the  
15          Secretary evaluates all timely applications. The Secretary shall equitably  
16          distribute the appropriated funds to qualified applicants and strive to support  
17          fairs and field days in all areas of the State. When equitably distributing  
18          available funds, the Secretary shall consider the following factors:

19               (1) the importance of the requested grant to the applicant;

20               (2) how the grant will help farmers, food producers, and promote  
21          agriculture;

1           (3) how the grant will support the local community;

2           (4) each applicant's attendance numbers, the amount it spent on

3 premiums for competitive exhibits, the amount it spent on general operations,

4 and the amount it spent on plant improvements;

5           (5) each applicant's past success in productively utilizing grant funds;

6           (6) each applicant's plans to facilitate the purposes of this chapter; and

8 available funds may best meet the purposes of the program.

9           (f)(1) The Secretary shall equitably distribute appropriated funds to eligible

10 qualified applicants. The Secretary shall determine each applicant's

11 percentage of total fair and field days activity through a formula that equally

12 measures each applicant's respective percentage of the total applicant:

13           (A) attendance;

14           (B) premium expenditures;

15           (C) general operations expenditures, and

16           (D) plant improvement expenditures for the most recent calendar

17 year.

18           (2) Generally, the Secretary shall award proportionate shares of

19 available grant funds based on each applicant's combined percentage of total

20 applicant activity. No applicant shall receive more than 10 percent of the total

21 appropriated funds unless fewer than 10 fair associations apply. In the

1 Secretary's sole discretion, the Secretary may consider the additional  
2 enumerated factors in this section and use an alternate method to equitably  
3 distribute available funds.

4 Sec. 2. TRANSITION; CONTINUED ELIGIBILITY
