The aggregate fees and charges, directly or indirectly, charged to a customer related to a single transaction or series of related transactions involving virtual currency effected through a money transmission kiosk in this State, including any difference between the price charged to a customer to buy, sell, exchange, swap, or convert virtual currency and the prevailing market value of such virtual currency at the time of such transaction, shall not exceed the greater of the following:

(1) \$5.00; or

(2) three percent of the U.S. dollar equivalent of virtual currency involved in the transaction or transactions.

If deemed necessary and appropriate by the Commissioner, the Commissioner may make recommendations for additional statutory or regulatory safeguards. In addition, the Commissioner shall make recommendations for enhanced oversight and monitoring of virtual-currency kiosks for the purpose of minimizing their use for illicit activities as described in the U.S. Government Accountability Office report on virtual currencies, GAO-22-105462, dated December 2021.
