1	H.868
2 3	An act relating to the fiscal year 2025 Transportation Program and miscellaneous changes to laws related to transportation
4	It is hereby enacted by the General Assembly of the State of Vermont:
5	* * * Transportation Program Adopted as Amended; Definitions * * *
6	Sec. 1. TRANSPORTATION PROGRAM ADOPTED; DEFINITIONS
7	(a) Adoption. The Agency of Transportation's Proposed Fiscal Year 2025
8	Transportation Program appended to the Agency of Transportation's proposed
9	fiscal year 2025 budget (revised February 15, 2024), as amended by this act, is
10	adopted to the extent federal, State, and local funds are available.
11	(b) Definitions. As used in this act, unless otherwise indicated:
12	(1) "Agency" means the Agency of Transportation.
13	(2) "Candidate project" means a project approved by the General
14	Assembly that is not anticipated to have significant expenditures for
15	preliminary engineering or right-of-way expenditures, or both, during the
16	budget year and funding for construction is not anticipated within a predictable
17	time frame.
18	(3) "Development and evaluation (D&E) project" means a project
19	approved by the General Assembly that is anticipated to have preliminary
20	engineering expenditures or right-of-way expenditures, or both, during the
21	budget year and that the Agency is committed to delivering to construction on
22	a timeline driven by priority and available funding.

1	(4) "Electric vehicle supply equipment (EVSE)" and "electric vehicle
2	supply equipment available to the public" have the same meanings as in
3	<u>30 V.S.A. § 201.</u>
4	(5) "Front-of-book project" means a project approved by the General
5	Assembly that is anticipated to have construction expenditures during the
6	budget year or the following three years, or both, with expected expenditures
7	shown over four years.
8	(6) "Mileage-based user fee" or "MBUF" means a fee for vehicle use of
9	the public road system with distance, stated in miles, as the measure of use.
10	(7) "Secretary" means the Secretary of Transportation.
11	(8) "TIB funds" means monies deposited in the Transportation
12	Infrastructure Bond Fund in accordance with 19 V.S.A. § 11f.
13	(9) The table heading "As Proposed" means the Proposed
14	Transportation Program referenced in subsection (a) of this section; the table
15	heading "As Amended" means the amendments as made by this act; the table
16	heading "Change" means the difference obtained by subtracting the "As
17	Proposed" figure from the "As Amended" figure; the terms "change" or
18	"changes" in the text refer to the project- and program-specific amendments,
19	the aggregate sum of which equals the net "Change" in the applicable table
20	heading; and "State" in any tables amending authorizations indicates that the

1	source of funds is State monies in the Transportation Fund, unless otherwise
2	specified.
3	* * * Summary of Transportation Investments * * *
4	Sec. 2. FISCAL YEAR 2025 TRANSPORTATION INVESTMENTS
5	INTENDED TO REDUCE TRANSPORTATION-RELATED
6	GREENHOUSE GAS EMISSIONS, REDUCE FOSSIL FUEL
7	USE, AND SAVE VERMONT HOUSEHOLDS MONEY
8	This act includes the State's fiscal year 2025 transportation investments
9	intended to reduce transportation-related greenhouse gas emissions, reduce
10	fossil fuel use, and save Vermont households money in furtherance of the
11	policies articulated in 19 V.S.A. § 10b and the goals of the Comprehensive
12	Energy Plan and the Vermont Climate Action Plan and to satisfy the Executive
13	and Legislative Branches' commitments to the Paris Agreement climate goals.
14	In fiscal year 2025, these efforts will include the following:
15	(1) Park and Ride Program. This act provides for a fiscal year
16	expenditure of \$1,464,833.00, which will fund one construction project to
17	create a new park-and-ride facility; the design and construction of
18	improvements to one existing park-and-ride facility; funding for a municipal
19	park-and-ride grant program; and paving projects for existing park-and-ride
20	facilities. This year's Park and Ride Program will create 60 new State-owned
21	spaces. Specific additions and improvements include:

1	(A) Manchester—construction of 50 new spaces; and
2	(B) Sharon—design and construction of 10 new spaces.
3	(2) Bike and Pedestrian Facilities Program. This act provides for a
4	fiscal year expenditure, including local match, of \$11,648,752.00, which will
5	fund 28 bike and pedestrian construction projects; 21 bike and pedestrian
6	design, right-of-way, or design and right-of way projects for construction in
7	future fiscal years; and eight scoping studies. The construction projects
8	include the creation, improvement, or rehabilitation of walkways, sidewalks,
9	shared-use paths, bike paths, and cycling lanes. Projects are funded in
10	Arlington, Bennington, Bethel, Brattleboro, Burke, Burlington, Castleton,
11	Chester, Enosburg Falls, Fair Haven, Fairfax, Hartford, Hyde Park, Jericho,
12	Manchester, Middlebury, Montpelier, Moretown, Newport City, Northfield,
13	Pawlet, Richford, Royalton, Rutland City, Rutland Town, Shaftsbury,
14	Shelburne, Sheldon, South Burlington, Springfield, St. Albans City, St. Albans
15	Town, Sunderland, Swanton, Tunbridge, Vergennes, Wallingford, Waterbury,
16	and West Rutland. This act also provides funding for:
17	(A) some of Local Motion's operation costs to run the bike ferry on
18	the Colchester Causeway, which is part of the Island Line Trail;
19	(B) a small-scale municipal bicycle and pedestrian grant program for
20	projects to be selected during the fiscal year;
21	(C) projects funded through the Safe Routes to School Program; and

1	(D) community grants along the Lamoille Valley Rail Trail (LVRT).
2	(3) Transportation Alternatives Program. This act provides for a fiscal
3	year expenditure of \$5,416,614.00, including local funds, which will fund 28
4	transportation alternatives construction projects; 28 transportation alternatives
5	design, right-of-way, or design and right-of-way projects; and three studies,
6	including scoping, historic preservation, and connectivity. Of these 59
7	projects, 21 involve environmental mitigation related to clean water or
8	stormwater concerns, or both clean water and stormwater concerns, and 38
9	involve bicycle and pedestrian facilities. Projects are funded in Athens, Barre
10	City, Brandon, Bridgewater, Bristol, Burke, Burlington, Cambridge, Castleton,
11	Colchester, Derby, Enosburg Falls, Fair Haven, Fairfax, Franklin, Hartford,
12	Hinesburg, Hyde Park, Jericho, Londonderry, Lyndon, Mendon, Middlebury,
13	Montgomery, Newark, Newfane, Proctor, Richford, Richmond, Rockingham,
14	Rutland City, Sharon, Shelburne, South Burlington, Springfield, St. Albans
15	Town, Swanton, Tinmouth, Vergennes, Wardsboro, Warren, Weston,
16	Williston, Wilmington, and Winooski.
17	(4) Public Transit Program. This act provides for a fiscal year
18	expenditure of \$56,170,225.00 for public transit uses throughout the State.
19	Included in the authorization are:
20	(A) Go! Vermont, with an authorization of \$405,000.00. This
21	authorization supports transportation demand management (TDM) strategies,

1	including the State's Trip Planner and commuter services, to promote the use				
2	of carpools and vanpools.				
3	(B) Mobility and Transportation Innovations (MTI) Grant Program,				
4	with an authorization of \$3,500,000.00, which includes \$3,000,000.00 in				
5	federal Carbon Reduction Funds. This authorization continues to support				
6	projects that improve both mobility and access to services for transit-dependent				
7	Vermonters, reduce the use of single-occupancy vehicles, and reduce				
8	greenhouse gas emissions.				
9	(5) Rail Program. This act provides for a fiscal year expenditure of				
10	\$48,746,831.00, including local funds, for intercity passenger rail service,				
11	including funding for the Ethan Allen Express and Vermonter Amtrak services,				
12	and rail infrastructure that supports freight rail as well. Moving freight by rail				
13	instead of trucks lowers greenhouse gas emissions by up to 75 percent, on				
14	average.				
15	(6) Transformation of the State Vehicle Fleet.				
16	(A) This act authorizes \$1,100,000.00 of federal Carbon Reduction				
17	funds in the Environmental Policy and Sustainability program in fiscal year				
18	2025 for the Agency of Transportation's Central Garage for fleet				
19	electrification.				
20	(B) The Department of Buildings and General Services, which				
21	manages the State Vehicle Fleet, currently has 14 plug-in hybrid electric				

1	vehicles and 15 battery electric vehicles in the State Vehicle Fleet. In fiscal
2	year 2025, the Commissioner of Buildings and General Services will continue
3	to purchase and lease vehicles for State use in accordance with 29 V.S.A. §
4	903(g), which requires, to the maximum extent practicable, that the
5	Commissioner purchase or lease hybrid or plug-in electric vehicles (PEVs), as
6	defined in 23 V.S.A. § 4(85), with not less than 75 percent of the vehicles
7	purchased or leased being hybrid or PEVs.
8	(7) Electric vehicle supply equipment (EVSE).
9	(A) This act provides for a fiscal year expenditure of \$4,833,828.00
10	to increase the presence of EVSE in Vermont in accordance with the State's
11	federally approved National Electric Vehicle Infrastructure (NEVI) Plan,
12	which will lead to the installation of Direct Current Fast Charging (DC/FC)
13	along designated alternative fuel corridors.
14	(B) This act also authorizes \$1,700,000.00 to be distributed to the
15	Agency of Commerce and Community Development in fiscal year 2025 for
16	grants to increase Vermonters' access to level 1 and 2 EVSE charging ports at
17	workplaces or multiunit dwellings, or both.
18	(8) Vehicle incentive programs and expansion of the PEV market.
19	Incentive Program for New PEVs, MileageSmart, Replace Your Ride, and
20	Electrify Your Fleet. It is estimated that prior appropriations of approximately

1	the following amounts will be available for the State's vehicle incentive				
2	programs in fiscal year 2025:				
3	(A) \$2,600,000.00 for the Incentive Program for New PEVs;				
4	(B) \$200,000.00 for MileageSmart; and				
5	(C) \$900,000.00 for the Replace Your Ride Program.				
6	(9) Promoting Resilient Operations for Transformative, Efficient, and				
7	Cost-Saving Transportation (PROTECT) Formula Program. This act provides				
8	for a fiscal year expenditure of \$3,871,435.00 under the PROTECT Formula				
9	Program. This year's PROTECT Formula Program funds will support				
10	increased resiliency at three bridge sites (Coventry, Wilmington, and				
11	Shaftsbury) in alignment with the VTrans Resilience Improvement Plan.				
12	* * * Heating Systems in Agency of Transportation Buildings * * *				
13	Sec. 3. 19 V.S.A. § 45 is added to read:				
14	<u>§ 45. HEATING SYSTEMS</u>				
15	(a) In accordance with the renewable energy goals set forth in the State				
16	Comprehensive Energy Plan, the Agency of Transportation shall strive to meet				
17	not less than 35 percent of its thermal energy needs from non-fossil fuel				
18	sources by 2025 and 45 percent by 2035.				
19	(1) In order to meet these goals, the Agency will need to use more				
20	renewable fuels, such as local wood fuels, to heat its buildings and continue to				
21	increase its use of electricity that is generated from renewable sources.				

1	(2) When building new Agency facilities or replacing heating equipment
2	that has reached the end of its useful lifespan, the Agency shall prioritize
3	switching to high-efficiency, advanced heating systems.
4	(b) On or before October 1 every other year, the Agency shall report to the
5	Department of Buildings and General Services the percentage of the Agency's
6	thermal energy usage during each of the previous two fiscal years that came
7	from fossil fuels and from non-fossil fuels. The Agency shall report its non-
8	fossil fuel percentage by fuel source and shall identify each type and amount of
9	wood fuel used.
10	* * * Public Transit; Carbon Reduction Program;
11	Environmental Policy and Sustainability Program; Central Garage;
12	Electric Vehicle Supply Equipment (EVSE) * * *
13	Sec. 4. PUBLIC TRANSIT; CARBON REDUCTION PROGRAM;
14	ENVIRONMENTAL POLICY AND SUSTAINABILITY
15	PROGRAM; CENTRAL GARAGE; ELECTRIC VEHICLE SUPPLY
16	EQUIPMENT (EVSE)
17	(a) Public Transit.
18	(1) Within the Agency of Transportation's Proposed Fiscal Year 2025
19	Transportation Program for Public Transit, authorized spending is amended as
20	<u>follows:</u>

1	<u>FY25</u>	As Proposed	As Amended	Change

H.868

1	* * * Maintenance Program; Central Garage; Restoration
2	of Appropriations * * *
3	Sec. 6. MAINTENANCE PROGRAM; CENTRAL GARAGE;
4	RESTORATION OF APPROPRIATIONS
5	Restoring the fiscal year 2025 Maintenance Program and Central Garage
6	appropriations and authorizations to the levels included in the Agency of
7	Transportation's Proposed Fiscal Year 2025 Transportation Program shall be
8	the top fiscal priorities of the Agency.
9	(1) If there are unexpended State fiscal year 2024 appropriations of
10	Transportation Fund monies, then, at the close of State fiscal year 2024, an
11	amount up to \$3,260,000.00 of any unencumbered Transportation Fund monies
12	appropriated in 2023 Acts and Resolves No. 78, Secs. B.900-B.922, which
13	would otherwise be authorized to carry forward, is reappropriated for the
14	Agency of Transportation's Proposed Fiscal Year 2025 Transportation
15	Program, with up to \$2,160,000.00 directed to Maintenance and up to
16	\$1,100,000.00 directed to the Central Garage, 30 days after the Agency sends
17	written notification of the request for the unencumbered Transportation Fund
18	monies to be reappropriated to the Joint Transportation Oversight Committee,
19	provided that the Joint Transportation Oversight Committee does not send
20	written objection to the Agency.

1	(2) If the Agency utilizes available federal monies in lieu of one-time
2	Transportation Fund monies for Green Mountain Transit pursuant to Sec. 9(c)
3	of this act, then the one-time Transportation Fund monies authorized for
4	expenditure pursuant to Sec. 9(b) of this act that are not required for public
5	transit may instead go towards restoring the Maintenance and Central Garage
6	appropriations.
7	(3) If any unencumbered Transportation Fund monies are reappropriated
8	pursuant to subdivision (1) of this subsection or made available pursuant to
9	subdivision (2) of this subsection, then, within the Agency of Transportation's
10	Proposed Fiscal Year 2025 Transportation Program for Maintenance,
11	authorized spending is further amended to increase operating expenses by not
12	more than \$2,160,000.00 in Transportation Fund monies and, within the
13	Agency's Proposed Fiscal Year 2025 Transportation Program for the Central
14	Garage, authorized spending is further amended to increase operating expenses
15	by not more than \$1,100,000.00 in Transportation Fund monies.
16	(4) Notwithstanding subdivisions (1)–(3) of this subsection, the Agency
17	may request further amendments to the Agency of Transportation's Proposed
18	Fiscal Year 2025 Transportation Program for Maintenance and the Central
19	Garage through the State fiscal year 2025 budget adjustment act.

1		* * * Town	Highway Aid * * *

9	Sources of fund	<u>ls</u>		
10	State	28,672,753	29,532,753	860,000
11	Total	28,672,753	29,532,753	860,000
12		* * * Town Hig	hway Structures * * *	
13	Sec. 8. TOWN H	IGHWAY STRUC	CTURES MONIES	
14	(a) Within the	Agency of Transp	ortation's Proposed Fis	cal Year 2025
15	Transportation Pro	ogram for Town H	ighway Structures, auth	orized spending is
16	amended as follow	vs:		
17	<u>FY25</u>	As Proposed	As Amended	Change
18	Grants	7,416,000	8,016,000	600,000
19	Total	7,416,000	8,016,000	600,000
20	Sources of funds			
21	State	7,416,000	8,016,000	600,000

1	Total	7,416,000	8,016,000	600,000
2	(b) In State fisca	l year 2025, the Agen	cy shall approve qu	ualifying projects
3	with a total estimate	ed State share cost that	t is at least \$600,00	0.00 more than the
4	minimum set forth i	n 19 V.S.A. § 306(e)(<u>2).</u>	
5	* >	* * One-Time Public '	Fransit Monies * *	*
6	Sec. 9. ONE-TIME	PUBLIC TRANSIT	MONIES; GREEN	MOUNTAIN
7	TRANSIT;	FARE COLLECTION	N, EVALUATION,	, AND
8	REORGAN	IZATION; REPORT		
9	(a) Project addit	ion. The following pr	oject is added to th	e Agency of
10	Transportation's Pro	oposed Fiscal Year 20	25 Transportation 1	Program:
11	Increased One-Time	e Monies for Public T	ransit for Fiscal Ye	<u>ar 2025.</u>
12	(b) Authorizatio	n. Spending authority	for Increased One	-Time Monies for
13	Public Transit for Fi	iscal Year 2025 is aut	horized as follows:	
14	<u>FY25</u>	As Proposed	As Amended	Change
15	Other	0	630,000	630,000
16	Total	0	630,000	630,000
17	Sources of funds			
18	State	0	630,000	630,000
19	Total	0	630,000	630,000
20	(c) Federal moni	ies. The Agency shall	utilize available fe	ederal monies in
21	lieu of the authoriza	tion in subsection (b)	of this section to th	ne greatest extent

1	practicable, provided that there is no negative impact on any local public
2	transit providers.
3	(d) Implementation. The Agency shall distribute the authorization in
4	subsection (b) of this section to Green Mountain Transit as one-time bridge
5	funding for fiscal year 2025 while Green Mountain Transit stabilizes its
6	finances, adjusts its service levels, and transitions to a sustainable funding
7	model.
8	(e) Conditions; report. As a condition of receiving the grant funding,
9	Green Mountain Transit shall do all of the following:
10	(1) begin collecting fares for urban and commuter transit service not
11	later than June 1, 2024;
12	(2) in coordination with the Agency of Transportation, Special Service
13	Transportation Agency, Rural Community Transportation, and Tri-Valley
14	Transit, evaluate alternative options for delivering cost-effective urban fixed-
15	route transit service, rural transit service, commuter service, and any other
16	specialized services currently provided, and prepare a proposed
17	implementation plan, including a three-year cost and revenue plan, for
18	recommended service transitions; and
19	(3) submit to the House and Senate Committees on Transportation an
20	interim report on or before November 15, 2024 and a final report on or before

1	February 1, 2025, detailing the findings, recommendations, and
2	implementation plan as described in subdivision (2) of this subsection.
3	* * * eBike Incentives; Public Transit Programs; Authorization * * *
4	Sec. 10. ONE-TIME EBIKE INCENTIVE PROGRAM MONIES
5	(a) The definitions in 19 V.S.A. § 2901 shall apply to this section.
6	(b) In fiscal year 2025, the Agency is authorized to spend up to \$70,000.00
7	in one-time Transportation Fund monies to provide incentives under the eBike
8	Incentive Program established pursuant to 2021 Acts and Resolves No. 55,
9	Sec. 28, as amended by 2022 Acts and Resolves No. 184, Sec. 23.
10	* * * Agency of Transportation Duties; Bonding * * *
11	Sec. 11. 19 V.S.A. § 10 is amended to read:
12	§ 10. DUTIES
13	The Agency shall, except where otherwise specifically provided by law:
14	* * *
15	(9) Require any contractor or contractors employed in any project of the
16	Agency for construction of a transportation improvement to file an additional
17	surety bond to the Secretary and the Secretary's successor in office, for the
18	benefit of labor, materialmen, and others, executed by a surety company
19	authorized to transact business in this State,. The surety bond shall be in such
20	sum as the Agency shall direct, conditioned for the payment, settlement,
21	liquidation, and discharge of the claims of all creditors for material,

1	merchandise, labor, rent, hire of vehicles, power shovels, rollers, concrete
2	mixers, tools, and other appliances, professional services, premiums, and other
3	services used or employed in carrying out the terms of the contract between the
4	contractor and the State and further conditioned for the following accruing
5	during the term of performance of the contract: the payment of taxes, both
6	State and municipal, and contributions to the Vermont Commissioner of Labor,
7	accruing during the term of performance of the contract. However; provided,
8	however, in order to obtain the benefit of the security, the claimant shall file
9	with the Secretary a sworn statement of the claimant's claim, within 90 days
10	after the final acceptance of the project by the State or within 90 days from the
11	time the taxes or contributions to the Vermont Commissioner of Labor are due
12	and payable, and, within one year after the filing of the claim, shall bring a
13	petition in the Superior Court in the name of the Secretary, with notice and
14	summons to the principal, surety, and the Secretary, to enforce the claim or
15	intervene in a petition already filed. The Secretary may, if the Secretary
16	determines that it is in the best interests of the State, accept other good and
17	sufficient surety in lieu of a bond and, in cases involving contracts for
18	\$100,000.00 or less, may waive the requirement of a surety bond.
19	* * *

1	* * * Delays; Transportation Program Statute;
2	Increased Estimated Costs; Technical Corrections * * *
3	Sec. 12. 19 V.S.A. § 10g is amended to read:
4	§ 10g. ANNUAL REPORT; TRANSPORTATION PROGRAM;
5	ADVANCEMENTS, CANCELLATIONS, AND DELAYS
6	(a) <u>Proposed Transportation Program.</u> The Agency of Transportation shall
7	annually present to the General Assembly for adoption a multiyear
8	Transportation Program covering the same number of years as the Statewide
9	Transportation Improvement Program (STIP), consisting of the recommended
10	budget for all Agency activities for the ensuing fiscal year and projected
11	spending levels for all Agency activities for the following fiscal years. The
12	Program shall include a description and year-by-year breakdown of
13	recommended and projected funding of all projects proposed to be funded
14	within the time period of the STIP and, in addition, a description of all projects
15	that are not recommended for funding in the first fiscal year of the proposed
16	Program but that are scheduled for construction during the time period covered
17	by the STIP. The Program shall be consistent with the planning process
18	established by 1988 Acts and Resolves No. 200, as codified in 3 V.S.A.
19	chapter 67 and 24 V.S.A. chapter 117, the statements of policy set forth in
20	sections 10b–10f of this title, and the long-range systems plan, corridor studies,

1	and project priorities developed through the capital planning process under
2	section 10i of this title.
3	(b) <u>Projected spending.</u> Projected spending in future fiscal years shall be
4	based on revenue estimates as follows:
5	* * *
6	(c) <u>Systemwide performance measures.</u> The Program proposed by the
7	Agency shall include systemwide performance measures developed by the
8	Agency to describe the condition of the Vermont transportation network. The
9	Program shall discuss the background and utility of the performance measures,
10	track the performance measures over time, and, where appropriate, recommend
11	the setting of targets for the performance measures.
12	(d) [Repealed.]
13	(e) Prior expenditures and appropriations carried forward.
14	* * *
15	(f) Adopted Transportation Program. Each year following enactment
16	adoption of a Transportation Program under this section, the Agency shall
17	prepare and make available to the public the Transportation Program
18	established adopted by the General Assembly. The resulting document shall
19	be entered in the permanent records of the Agency and of the Board, and shall
20	constitute the State's official Transportation Program.

1	(g) <u>Project updates.</u> The Agency's annual proposed Transportation
2	Program shall include project updates referencing this section and listing the
3	following:
4	(1) all proposed projects in the Program that would be new to the State
5	Transportation Program if adopted;
6	(2) all projects for which total estimated costs have increased by more
7	than \$8,000,000.00 \$5,000,000.00 from the estimate in the adopted
8	Transportation Program for the prior fiscal year or by more than 100
9	75 percent from the estimate in the prior fiscal year's approved adopted
10	Transportation Program for the prior fiscal year; and
11	(3) <u>all projects for which the total estimated costs have, for the first</u>
12	time, increased by more than \$10,000,000.00 from the Preliminary Plan
13	estimate or by more than 100 percent from the Preliminary Plan estimate; and
14	(4) all projects funded for construction in the prior fiscal year's
15	approved adopted Transportation Program that are no longer funded in the
16	proposed Transportation Program submitted to the General Assembly, the
17	projected costs for such projects in the prior fiscal year's approved adopted
18	Transportation Program, and the total costs incurred over the life of each such
19	project.
20	(h) Should Project delays; emergency and safety issues; additional funding;
21	cancellations.

1	(1) If capital projects in the Transportation Program be are delayed
2	because of unanticipated problems with permitting, right-of-way acquisition,
3	construction, local concern, or availability of federal or State funds, the
4	Secretary is authorized to advance other projects in the approved adopted
5	Transportation Program for the current fiscal year.
6	(2) The Secretary is further authorized to undertake projects to resolve
7	emergency or safety issues that are not included in the adopted Transportation
8	Program for the current fiscal year. Upon authorizing a project to resolve an
9	emergency or safety issue, the Secretary shall give prompt notice of the
10	decision and action taken to the Joint Fiscal Office and to the House and
11	Senate Committees on Transportation when the General Assembly is in
12	session, and when the General Assembly is not in session, to the Joint
13	Transportation Oversight Committee, the Joint Fiscal Office, and the Joint
14	Fiscal Committee when the General Assembly is not in session. Should an
15	approved
16	(3) If a project in the current adopted Transportation Program require for
17	the current fiscal year requires additional funding to maintain the approved
18	schedule in the adopted Transportation Program for the current fiscal year, the
19	Agency is authorized to allocate the necessary resources. However, the
20	Secretary shall not delay or suspend work on approved projects in the adopted
21	Transportation Program for the current fiscal year to reallocate funding for

VT LEG #377482 v.1

1	other projects except when other funding options are not available. In such
2	case, the Secretary shall notify the Joint Transportation Oversight Committee,
3	the Joint Fiscal Office, and the Joint Fiscal Committee when the General
4	Assembly is not in session and the House and Senate Committees on
5	Transportation and the Joint Fiscal Office when the General Assembly is in
6	session. With respect to projects in the approved Transportation Program, the
7	Secretary shall notify, in the district affected, the regional planning
8	commission for the district where the affected project is located, the
9	municipality where the affected project is located, the legislators for the district
10	where the affected project is located, the House and Senate Committees on
11	Transportation, and the Joint Fiscal Office of any change that likely will affect
12	the fiscal year in which the project is planned to go to construction.
13	(4) No project shall be canceled without the approval of the General
14	Assembly, except that the Agency may cancel a municipal project upon the
15	request or concurrence of the municipality, provided that notice of the
16	cancellation is included in the Agency's annual proposed Transportation
17	Program.
18	(i) Economic development proposals. For the purpose of enabling the
19	State, without delay, to take advantage of economic development proposals
20	that increase jobs for Vermonters, a transportation project certified by the
21	Governor as essential to the economic infrastructure of the State economy, or a

1	local economy, may, if approval is required by law, be approved for
2	construction by a committee comprising the Joint Fiscal Committee meeting
3	with the Chairs chairs of the Transportation House and Senate Committees on
4	Transportation or their designees without explicit project authorization through
5	an enacted adopted Transportation Program, in the event that such
6	authorization is otherwise required by law.
7	(j) Plan for advancing projects. The Agency of Transportation, in
8	coordination with the Agency of Natural Resources and the Division for
9	Historic Preservation, shall prepare and implement a plan for advancing
10	approved projects contained in the approved adopted Transportation Program
11	for the current fiscal year. The plan shall include the assignment of a project
12	manager from the Agency of Transportation for each project. The Agency of
13	Transportation, the Agency of Natural Resources, and the Division for Historic
14	Preservation shall set forth provisions for expediting the permitting process
15	and establishing a means for evaluating each project during concept design
16	planning if more than one agency is involved to determine whether it should be
17	advanced or deleted from the Program.
18	(k) For purposes of Definition. As used in subsection (h) of this section,
19	"emergency or safety issues" shall mean means:

1	(1) serious damage to a transportation facility caused by a natural
2	disaster over a wide area, such as a flood, hurricane, earthquake, severe storm,
3	or landslide; or
4	(2) catastrophic or imminent catastrophic failure of a transportation
5	facility from any cause; or
6	(3) any condition identified by the Secretary as hazardous to the
7	traveling public; or
8	(4) any condition evidenced by fatalities or a high incidence of crashes.
9	(1) <u>Numerical grading system; priority rating.</u> The Agency shall develop a
10	numerical grading system to assign a priority rating to all Program
11	Development Paving, Program Development Roadway, Program Development
12	Safety and Traffic Operations, Program Development State and Interstate
13	Bridge, Town Highway Bridge, and Bridge Maintenance projects. The rating
14	system shall consist of two separate, additive components as follows:
15	(1) One component shall be limited to asset management- and
16	performance-based factors that are objective and quantifiable and shall
17	consider, without limitation, the following:
18	* * *
19	(2) The second component of the priority rating system shall consider ,
20	without limitation, the following factors:
21	* * *

1	(m) Inclusion of priority rating. The annual proposed Transportation
2	Program shall include an individual priority rating pursuant to subsection (1) of
3	this section for each highway paving, roadway, safety and traffic operations,
4	and bridge project in the program Program along with a description of the
5	system and methodology used to assign the ratings.
6	(n) Development and evaluation projects; delays. The Agency's annual
7	proposed Transportation Program shall include a project-by-project description
8	in each program of all proposed spending of funds for the development and
9	evaluation of projects. In the approved annual Transportation Program, these
10	These funds shall be reserved to the identified projects subject to the discretion
11	of the Secretary to reallocate funds to other projects within the program when
12	it is determined that the scheduled expenditure of the identified funds will be
13	delayed due to permitting, local decision making, the availability of federal or
14	State funds, or other unanticipated problems.
15	(o) <u>Year of first inclusion</u> . For projects initially approved by the General
16	Assembly for inclusion in the State included in a Transportation Program
17	adopted after January 1, 2006, the Agency's proposed Transportation Program
18	prepared pursuant to subsection (a) of this section and the official adopted
19	Transportation Program prepared pursuant to subsection (f) of this section shall
20	include the year in which such the projects were first approved by the General
21	Assembly included in an adopted Transportation Program.

1	(p) Lamoille Valley Rail Trail. The Agency shall include the annual
2	maintenance required for the Lamoille Valley Rail Trail (LVRT), running from
3	Swanton to St. Johnsbury, in the Transportation Program it presents to the
4	General Assembly under subsection (a) of this section. The proposed
5	authorization for the maintenance of the LVRT shall be sufficient to cover:
6	* * *
7	Sec. 13. PLAN FOR REPORTING DELAYS; REPORT
8	The Agency of Transportation shall file a written report containing a plan
9	for how to provide sufficient notice when projects in the adopted
10	Transportation Program are delayed to the House and Senate Committees on
11	Transportation not later than December 15, 2024.
12	* * * Appropriation Calculations * * *
13	* * * Central Garage Fund * * *
14	Sec. 14. 19 V.S.A. § 13(c) is amended to read:
15	(c)(1) For the purpose specified in subsection (b) of this section, the
16	following amount, at a minimum, shall be transferred from the Transportation
17	Fund to the Central Garage Fund:
18	(A) in fiscal year 2021, \$1,355,358.00; and
19	(B) in subsequent fiscal years, at a minimum, the amount specified in
20	subdivision (A) of this subdivision (1) as adjusted annually by increasing
21	transferred for the previous fiscal year's amount by the percentage increase in

1	the year increased by the percentage change in the Bureau of Labor Statistics
2	Consumer Price Index for All Urban Consumers (CPI-U) during the two most
3	recently closed State fiscal years if the percentage change is positive; or
4	(B) the amount transferred for the previous fiscal year if the
5	percentage change is zero or negative.
6	* * *
7	(3) For purposes of subdivision (1) of this subsection, the percentage
8	change in the CPI-U is calculated by determining the increase or decrease, to
9	the nearest one-tenth of a percent, in the CPI-U for the month ending on June
10	30 in the calendar year one year prior to the first day of the fiscal year for
11	which the transfer will be made compared to the CPI-U for the month ending
12	on June 30 in the calendar year two years prior to the first day of the fiscal year
13	for which the transfer will be made.
14	* * * Town Highway Aid * * *
15	Sec. 15. 19 V.S.A. § 306(a) is amended to read:
16	(a) General State aid to town highways.
17	(1) An annual appropriation to class 1, 2, and 3 town highways shall be
18	made. This appropriation shall increase over the previous fiscal year's
19	appropriation by the same percentage change as the following, whichever is
20	less, or shall remain at the previous fiscal year's appropriation if either of the
21	following are negative or zero:

1	(A) the year-over-year increase in the two most recently closed fiscal
2	years in percentage change of the Agency's total appropriations funded by
3	Transportation Fund revenues, excluding appropriations for town highways
4	under this subsection (a), for the most recently closed fiscal year as compared
5	to the fiscal year immediately preceding the most recently closed fiscal year; or
6	(B) the percentage increase change in the Bureau of Labor Statistics
7	Consumer Price Index for All Urban Consumers (CPI-U) during the same
8	period in subdivision (1)(A) of this subsection.
9	(2) If the year-over-year change in appropriations specified in either
10	subdivision (1)(A) or (B) of this subsection is negative, then the appropriation
11	to town highways under this subsection shall be equal to the previous fiscal
12	year's appropriation For purposes of subdivision (1)(B) of this subsection, the
13	percentage change in the CPI-U is calculated by determining the increase or
14	decrease, to the nearest one-tenth of a percent, in the CPI-U for the month
15	ending on June 30 in the calendar year one year prior to the first day of the
16	fiscal year for which the appropriation will be made compared to the CPI-U for
17	the month ending on June 30 in the calendar year two years prior to the first
18	day of the fiscal year for which the appropriation will be made.
19	* * *

1	* * * Right-of-Way Permits; Fees * * *
2	Sec. 16. 19 V.S.A. § 1112 is amended to read:
3	§ 1112. DEFINITIONS; FEES
4	(a) As used in this section:
5	(1) "Major commercial development" means a commercial development
6	for which the Agency requires the applicant to submit a traffic impact study in
7	support of its application under section 1111 of this title chapter.
8	(2) "Minor commercial development" means a commercial development
9	for which the Agency does not require the applicant to submit a traffic impact
10	study in support of its application under section 1111 of this title chapter.
11	* * *
12	(b) The Secretary shall collect the following fees for each application for
13	the following types of permits issued pursuant to section 1111 of this title
14	chapter:
15	* * *
16	(3) minor commercial development: \$250.00
17	* * *
18	(c) Notwithstanding subdivision (b)(3) of this section, the Secretary may
19	waive the collection of the fee for a permit issued pursuant to section 1111 of
20	this chapter for a minor commercial development if the Governor has declared
21	a state of emergency under 20 V.S.A. chapter 1 and the Secretary has

1	determined that the permit applicant is facing hardship, provided that the
2	permit is applied for during the declared state of emergency or within the six
3	months following the conclusion of the declared state of emergency.
4	* * * Vehicle Incentive Programs * * *
5	* * * Replace Your Ride Program * * *
6	Sec. 17. 19 V.S.A. § 2904(d)(2)(B) is amended to read:
7	(B) For purposes of the Replace Your Ride Program:
8	(i) An "older low-efficiency vehicle":
9	* * *
10	(VI) passed the annual inspection required under 23 V.S.A.
11	§ 1222 within the prior year <u>18 months</u> .
12	* * *
13	Sec. 18. 19 V.S.A. § 2904a is added to read:
14	§ 2904a. REPLACE YOUR RIDE PROGRAM FLEXIBILITY;
15	EMERGENCIES
16	Notwithstanding subdivisions 2904(d)(2)(A) and (d)(2)(B)(i)(IV)-(VI) of
17	this chapter, the Agency of Transportation is authorized to waive or modify the
18	eligibility requirements for the Replace Your Ride Program under subdivisions
19	(d)(2)(B)(i)(IV)–(VI) that pertain to the removal of an eligible vehicle as
20	required under subdivision 2904(d)(2)(A) of this chapter provided that:

1	(1) the Governor has declared a state of emergency under 20 V.S.A.
2	chapter 1 and, due to the event or events underlying the state of emergency,
3	motor vehicles registered in Vermont have been damaged or totaled;
4	(2) the waived or modified eligibility requirements are prominently
5	posted on any websites maintained by or at the direction of the Agency for
6	purposes of providing information on the vehicle incentive programs;
7	(3) the waived or modified eligibility requirements are only applicable:
8	(A) upon a showing that the applicant for an incentive under the
9	Replace Your Ride Program was a registered owner of a motor vehicle that
10	was damaged or totaled due to the event or events underlying the state of
11	emergency at the time of the event or events underlying the state of
12	emergency; and
13	(B) for six months after the conclusion of the state of emergency; and
14	(4) the waiver or modification of eligibility requirements and resulting
15	impact are addressed in the annual reporting required under section 2905 of
16	this chapter.
17	* * * Electrify Your Fleet Program * * *
18	Sec. 19. 2023 Acts and Resolves No. 62, Sec. 21 is amended to read:
19	Sec. 21. ELECTRIFY YOUR FLEET PROGRAM; AUTHORIZATION
20	* * *

1	(d) Program structure. The Electrify Your Fleet Program shall reduce the
2	greenhouse gas emissions of persons operating a motor vehicle fleet in
3	Vermont by structuring purchase and lease incentive payments on a first-come,
4	first-served basis to replace vehicles other than a plug-in electric vehicle (PEV)
5	cycled out of a motor vehicle fleet or avoid the purchase of vehicles other than
6	a PEV for a motor vehicle fleet. Specifically, the Electrify Your Fleet Program
7	shall:
8	* * *
9	(2) provide $\$2,500.00$ purchase and lease incentives <u>up to 25 percent of</u>
10	the purchase price, but not to exceed \$2,500.00, for:
11	* * *
12	(C) electric bicycles and electric cargo bicycles with a base MSRP of
13	\$6,000.00 <u>\$10,000.00</u> or less;
14	(D) adaptive electric cycles with any base MSRP;
15	(E) electric motorcycles with a base MSRP of \$30,000.00 or less; and
16	(F) electric snowmobiles with a base MSRP of \$20,000.00 or less;
17	and
18	(G) electric all-terrain vehicles (ATVs), as defined in 23 V.S.A.
19	§ 3501 and including electric utility terrain vehicles (UTVs), with a base
20	<u>MSRP of \$50,000.00 or less;</u>
21	* * *

1	* * * eBike Incentives; Eligibility * * *
2	Sec. 20. 2023 Acts and Resolves No. 62, Sec. 22 is amended to read:
3	Sec. 22. MODIFICATIONS TO EBIKE INCENTIVE PROGRAM;
4	REPORT
5	* * *
6	(d) Reporting. The Agency of Transportation shall address incentives for
7	electric bicycles, electric cargo bicycles, and adaptive electric cycles provided
8	pursuant to this section in the January 31, 2024 annual report required under
9	19 V.S.A. § 2905, as added by Sec. 19 of this act, including:
10	(1) the demographics of who received an incentive under the eBike
11	Incentive Program;
12	(2) a breakdown of where vouchers were redeemed;
13	(3) a breakdown, by manufacturer and type, of electric bicycles, electric
14	cargo bicycles, and adaptive electric cycles incentivized;
15	(4) a detailed summary of information provided in the self-certification
16	forms and a description of the Agency's post-voucher sampling audits and
17	audit findings, together with any recommendations to improve program design
18	and cost-effectively direct funding to recipients who need it most; and
19	(5) a detailed summary of information collected through participant
20	surveys.

1	* * * Annual Reporting * * *
2	Sec. 21. 19 V.S.A. § 2905 is amended to read:
3	§ 2905. ANNUAL REPORTING; VEHICLE INCENTIVE PROGRAMS
4	(a) The Agency shall annually evaluate the programs established under
5	sections 2902–2904 of this chapter to gauge effectiveness and shall submit a
6	written report on the effectiveness of the programs and the State's marketing
7	and outreach efforts related to the programs to the House and Senate
8	Committees on Transportation, the House Committee on Environment and
9	Energy, and the Senate Committee on Finance Natural Resources and Energy
10	on or before the 31st day of January in each year following a year that an
11	incentive was provided through one of the programs.
12	(b) The report shall also include:
13	(1) any intended modifications to program guidelines for the upcoming
14	fiscal year along with an explanation for the reasoning behind the
15	modifications and how the modifications will yield greater uptake of PEVs and
16	other means of transportation that will reduce greenhouse gas emissions; and
17	(2) any recommendations on statutory modifications to the programs,
18	including to income and vehicle eligibility, along with an explanation for the
19	reasoning behind the statutory modification recommendations and how the
20	modifications will yield greater uptake of PEVs and other means of
21	transportation that will reduce greenhouse gas emissions; and

1	(3) any recommendations for how to better conduct outreach and
2	marketing to ensure the greatest possible uptake of incentives under the
3	programs.
4	(c) Notwithstanding 2 V.S.A. § 20(d), the annual report required under this
5	section shall continue to be required if an incentive is provided through one of
6	the programs unless the General Assembly takes specific action to repeal the
7	report requirement.
8	* * * Authority to Transfer Monies in State Fiscal Year 2025 * * *
9	Sec. 22. TRANSFER OF MONIES BETWEEN VEHICLE INCENTIVE
10	PROGRAMS IN STATE FISCAL YEAR 2025
11	(a) Notwithstanding 32 V.S.A. § 706 and any appropriations or
12	authorizations of monies for vehicle incentive programs created under
13	19 V.S.A. §§ 2902–2904, in State fiscal year 2025 the Secretary of
14	Transportation may transfer up to 50 percent of any remaining monies for a
15	vehicle incentive program created under 19 V.S.A. §§ 2902–2904 to any other
16	vehicle incentive program created under 19 V.S.A. §§ 2902–2904 that has less
17	than \$500,000.00 available for distribution as a vehicle incentive.
18	(b) Any transfers made pursuant to subsection (a) of this section shall be
19	reported to the Joint Transportation Oversight Committee and the Joint Fiscal
20	Office within 30 days after the transfer.

AS PASSED BY HOUSE AND SENATE H.868 2024 Page 38 of 69 * * * Electric Vehicle Supply Equipment (EVSE) * * * 1 2 Sec. 23. 19 V.S.A. chapter 29 is amended to read: CHAPTER 29. VEHICLE INCENTIVE PROGRAMS; ELECTRIC 3 4 VEHICLE SUPPLY EQUIPMENT 5 § 2901. DEFINITIONS 6 As used in this chapter: * * * 7 8 (4) "Electric vehicle supply equipment (EVSE)" and "electric vehicle 9 supply equipment available to the public" have the same meanings as in 10 30 V.S.A. § 201. 11 (5) "Plug-in electric vehicle (PEV)," "battery electric vehicle (BEV)," and "plug-in hybrid electric vehicle (PHEV)" have the same meanings as in 12 13 23 V.S.A. § 4(85). 14 * * * 15 § 2906. ELECTRIC VEHICLE SUPPLY EQUIPMENT GOALS 16 It shall be the goal of the State to have, as practicable, level 3 EVSE charging ports available to the public: 17 18 (1) within three driving miles of every exit of the Dwight D. Eisenhower 19 National System of Interstate and Defense Highways within the State;

1	(2) within 25 driving miles of another level 3 EVSE charging port
2	available to the public along a State highway, as defined in subdivision 1(20)
3	of this title; and
4	(3) co-located with or within a safe and both walkable and rollable
5	distance of publicly accessible amenities such as restrooms, restaurants, and
6	convenience stores to provide a safe, consistent, and convenient experience for
7	the traveling public along the State highway system.
8	§ 2907. ANNUAL REPORTING; ELECTRIC VEHICLE SUPPLY
9	EQUIPMENT
10	(a) Notwithstanding 2 V.S.A. § 20(d), the Agency of Transportation shall:
11	(1) file a report, with a map, on the State's efforts to meet its federally
12	required Electric Vehicle Infrastructure Deployment Plan, as updated, and the
13	goals set forth in section 2906 of this chapter with the House and Senate
14	Committees on Transportation not later than January 15 each year until the
15	Deployment Plan is met; and
16	(2) file a report on the current operability of EVSE available to the
17	public and deployed through the assistance of Agency funding with the House
18	and Senate Committees on Transportation not later than January 15 each year.
19	(b) The reports required under subsection (a) of this section can be
20	combined when filing with the House and Senate Committees on

1	Transportation and shall prominently be posted on the Agency of
2	Transportation's website.
3	Sec. 24. REPEAL OF CURRENT EVSE MAP REPORT AND EXISTING
4	GOALS
5	2021 Acts and Resolves No. 55, Sec. 30, as amended by 2022 Acts and
6	Resolves No. 184, Sec. 4 (EVSE network in Vermont goals; report of annual
7	map) is repealed.
8	Sec. 25. EVSE PLAN; REPORT
9	The Agency of Transportation, in consultation with the Agencies of
10	Agriculture, Food and Markets and of Commerce and Community
11	Development, shall prepare a written plan, which may incorporate other plans
12	that have been prepared to secure federal funding under the National Electric
13	Vehicle Infrastructure Formula Program, for how to fund and maintain the
14	EVSE necessary for Vermont to meet that portion of the goals of the
15	Comprehensive Energy Plan and the Vermont Climate Action Plan. The
16	written plan shall be filed with the House and Senate Committees on
17	Transportation not later than January 15, 2025.
18	Sec. 26. REGULATION OF EVSE; RECOMMENDATIONS; REPORT
19	On or before March 1, 2025, the Agency of Transportation, in consultation
20	with the Agencies of Agriculture, Food and Markets and of Commerce and
21	Community Development; the Department of Public Service; the Public Utility

1	Commission; the Office of the Attorney General, Consumer Protection
2	Division; Drive Electric Vermont; and EVSE industry participants, shall
3	provide testimony to the House and Senate Committees on Transportation, and
4	to other legislative committees upon request, regarding:
5	(1) what regulations, if any, should be placed on EVSE that is available
6	to the public, both for EVSE that is owned and operated by an electric
7	distribution utility and for EVSE that is not owned and operated by an electric
8	distribution utility;
9	(2) how best to ensure that consumers are being charged accurately for
10	the electricity they receive;
11	(3) how best to ensure that vendors are properly charging consumers for
12	the electricity they receive and disclosing any additional costs that may apply;
13	and
14	(4) any recommendations for legislative action to address State
15	regulation of EVSE.
16	* * * Beneficial Electrification Report * * *
17	Sec. 27. ELECTRIC DISTRIBUTION UTILITIES; EVSE-RELATED
18	SERVICE UPGRADES; REPORT
19	In the report due not later than January 15, 2025, pursuant to 2021 Acts and
20	Resolves No. 55, Sec. 33, the Public Utility Commission shall include a
21	reporting of service upgrade practices related to the installation of electric

1	vehicle supply equipment (EVSE) across all electric distribution utilities,
2	including a comparison of EVSE-related service upgrade practices, a
3	description of the frequency and typical costs of EVSE-related service
4	upgrades, and rate-payer impact.
5	* * * Expansion of Public Transit Service * * *
6	* * * Mobility Services Guide; Car Share * * *
7	Sec. 28. MOBILITY SERVICES GUIDE; ORAL UPDATE
8	(a) The Agency of Transportation, in consultation with existing nonprofit
9	mobility services organizations incorporated in the State of Vermont for the
10	purpose of providing Vermonters with transportation alternatives to personal
11	vehicle ownership, such as through carsharing, and other nonprofit
12	organizations working to achieve the goals of the Comprehensive Energy Plan,
13	the Vermont Climate Action Plan, and the Agency of Transportation's
14	community engagement plan for environmental justice, shall develop a web-
15	page-based guide to outline the different mobility service models that could be
16	considered for deployment in Vermont.
17	(b) At a minimum, the web-page-based guide required under subsection (a)
18	of this section shall include the following:
19	(1) definitions of program types or options, such as car sharing, mobility
20	for all, micro-transit, bike sharing, and other types of programs that meet the
21	goals identified in subsection (a) of this section;

1	(2) information related to existing initiatives, including developmental
2	and pilot programs, that meet any of the program types or options defined
3	pursuant to subdivision (1) of this subsection and information related to any
4	pertinent studies or reports, whether completed or ongoing, related to the
5	program types or options defined pursuant to subdivision (1) of this
6	subsection;
7	(3) details of other existing programs that may provide a foundation for
8	or complement a new program in a manner that is not duplicative or
9	competitive; and
10	(4) for each possible program type or option defined pursuant
11	subdivision (1) of this subsection, additional details outlining:
12	(A) the range of start-up, capital, facilities, and ongoing operating
13	and maintenance costs;
14	(B) the service area characteristics;
15	(C) the revenue capture options;
16	(D) technical assistance resources; and
17	(E) existing or potential funding resources.
18	(c) The Agency of Transportation shall make itself available to provide an
19	oral update and demonstration of the web-page-based guide required under
20	subsection (a) of this section to the House and Senate Committees on
21	Transportation not later than February 15, 2025.

1	* * * Mobility and Transportation Innovations (MTI) Grant Program * * *
2	Sec. 29. 19 V.S.A. § 10n is added to read:
3	§ 10n. MOBILITY AND TRANSPORTATION INNOVATIONS (MTI)
4	<u>GRANT PROGRAM</u>
5	(a) The Mobility and Transportation Innovations (MTI) Grant Program is
6	created within the Public Transit Section of the Agency. The MTI Grant
7	Program shall support innovative transportation demand management
8	programs and transit initiatives that improve mobility and access to services for
9	transit-dependent Vermonters, reduce the use of single-occupancy vehicles,
10	reduce greenhouse gas emissions, and complement existing mobility
11	investments.
12	(b) Grant awards of not more than \$250,000.00 per recipient for capital or
13	operational costs, or both, may be used to create new or expand existing
14	programs for one or more of the following: matching funds for other grant
15	awards, program delivery costs, or the extension of existing programs.
16	(c) Funding under the MTI Grant Program shall not be used to supplant
17	existing State funding for the same project or program.
18	(d) In each year in which funding for grants is available:
19	(1) The Agency shall establish an application period of at least four
20	months.

1	(2) The Agency shall provide direct assistance to entities requiring
2	technical assistance or prereview of a draft application during the application
3	period.
4	(3) Grant awards shall be distributed not later than November 30 in each
5	year in which they are offered.
6	* * * Vermont Rail Plan; Amtrak * * *
7	Sec. 30. DEVELOPMENT OF NEW VERMONT RAIL PLAN; BICYCLE
8	STORAGE; REPORT
9	(a) As the Agency of Transportation develops the new Vermont Rail Plan,
10	it shall consider and address the following:
11	(1) adding additional daily service on the Vermonter for some or all of
12	the service area; and
13	(2) expanding service on the Valley Flyer to provide increased service
14	on the Vermonter route.
15	(b) The Agency of Transportation shall consult with Amtrak and the State-
16	Amtrak Intercity Passenger Rail Committee (SAIPRC) on passenger education
17	of and sufficient capacity for bicycle storage on Amtrak trains on the
18	Vermonter and Ethan Allen Express routes.
19	(c) The Agency of Transportation shall provide an oral update on the
20	development of the Vermont Rail Plan in general and the requirements of
21	subsection (a) of this section specifically and the consultation efforts required

AS PASSED BY HOUSE AND SENATE 2024 Page 46 of 69

1	under subsection (b) of this section to the House and Senate Committees on
2	Transportation not later than February 15, 2025.
3	* * * Replacement for the Vermont State Design Standards * * *
4	Sec. 31. REPLACEMENT FOR THE VERMONT STATE DESIGN
5	STANDARDS
6	(a) In preparing the replacement for the Vermont State Design Standards,
7	the Agency of Transportation shall do all of the following:
8	(1) Release a draft of the replacement to the Vermont State Design
9	Standards and related documents not later than January 1, 2026.
10	(2) Conduct not fewer than four public hearings across the State
11	concerning the replacement to the Vermont State Design Standards and related
12	documents.
13	(3) Provide a publicly available responsiveness summary detailing the
14	public participation activities conducted in developing the final draft of the
15	replacement for the Vermont State Design Standards and related documents, as
16	applicable; a description of the matters on which members of the public or
17	stakeholders, or both, were consulted; a summary of the views of the
18	participating members of the public and stakeholders; and significant
19	comments, criticisms, and suggestions received by the Agency and the
20	Agency's specific responses, including an explanation of any modifications
21	made in response.

H.868

1	(4) In alignment with the Vermont Transportation Equity Framework,
2	consult directly, through a series of large-group, specialty focus groups and
3	one-on-one meetings, with key stakeholders in order to achieve stakeholder
4	engagement and afford a voice in the development of the replacement for the
5	Vermont State Design Standards and related documents. At a minimum,
6	stakeholders shall include the House and Senate Committees on
7	Transportation, the Federal Highway Administration (FHWA), the Vermont
8	Agency of Commerce and Community Development (ACCD), the Vermont
9	Agency of Natural Resources (ANR), the Vermont Department of Health
10	(VDH), the Vermont Department of Public Service (DPS), the Vermont
11	League of Cities and Towns (VLCT), Vermont's regional planning
12	commissions (RPCs), the Vermont chapter of the American Association of
13	Retired Persons (AARP), Transportation for Vermonters (T4VT), Local
14	Motion, the Sierra Club, Conservation Law Foundation, the Vermont Natural
15	Resources Council, the Vermont Truck and Bus Association, the Vermont
16	Public Transportation Association (VPTA), the American Council of
17	Engineering Companies (ACEC), the Association of General Contractors
18	(AGC), and other stakeholders.
19	(b) The Agency shall provide oral updates on its progress preparing the
20	replacement to the Vermont State Design Standards, including the process
21	required under subsection (a) of this section, to the House and Senate

1	Committees on Transportation not later than February 15, 2025 and February
2	<u>15, 2026.</u>
3	* * * Complete Streets; Traffic Calming Measures; Designated Centers * * *
4	Sec. 32. 19 V.S.A. §§ 2402 and 2403 are amended to read:
5	§ 2402. STATE POLICY
6	(a) Agency of Transportation funded, designed, or funded and designed
7	projects shall seek to increase and encourage more pedestrian, bicycle, and
8	public transit trips, with the State goal to promote intermodal access to the
9	maximum extent feasible, which will help the State meet the transportation-
10	related recommendations outlined in the Comprehensive Energy Plan (CEP)
11	issued under 30 V.S.A. § 202b and the recommendations of the Vermont
12	Climate Action Plan (CAP) issued under 10 V.S.A. § 592.
13	(b) Except in the case of projects or project components involving unpaved
14	highways, for all transportation projects and project phases managed by the
15	Agency or a municipality, including planning, development, construction, or
16	maintenance, it is the policy of this State for the Agency and municipalities, as
17	applicable, to incorporate complete streets principles that:
18	(1) serve individuals of all ages and abilities, including vulnerable users
19	as defined in 23 V.S.A. § 4(81);
20	(2) follow state-of-the-practice design guidance; and

1	(3) are sensitive to the surrounding community, including current and
2	planned buildings, parks, and trails and current and expected transportation
3	needs; and
4	(4) when desired by the municipality or specifically identified in the
5	regional plan, implement street design for purposes of calming and slowing
6	traffic in State-designated centers under 24 V.S.A. chapter 76A.
7	§ 2403. PROJECTS NOT INCORPORATING COMPLETE STREETS
8	PRINCIPLES
9	(a) State projects. A State-managed project shall incorporate complete
10	streets principles unless the project manager makes a written determination,
11	supported by documentation, that one or more of the following circumstances
12	exist:
13	* * *
14	(2) The cost of incorporating complete streets principles is
15	disproportionate to the need or probable use as determined by factors including
16	land use, current and projected user volumes, population density, crash data,
17	historic and natural resource constraints, and maintenance requirements. The
18	Agency shall consult local and regional plans, as appropriate, in assessing
19	these and any other relevant factors. If the project manager bases the written
20	determination required under this subsection in whole or in part on this
21	subdivision then the project manager shall provide a supplemental written

1	determination with specific details on costs, needs, and probable uses, as
2	applicable. The supplemental written determination shall also address any
3	design elements that were desired by the municipality or specifically identified
4	in the regional plan pursuant to subdivision 2402(b)(4) of this chapter but were
5	not incorporated.
6	* * *
7	(b) Municipal projects. A municipally managed project shall incorporate
8	complete streets principles unless the municipality managing the project makes
9	a written determination, supported by documentation, that one or more of the
10	following circumstances exist:
11	* * *
12	(2) The cost of incorporating complete streets principles is
13	disproportionate to the need or probable use as determined by factors such as
14	land use, current and projected user volumes, population density, crash data,
15	historic and natural resource constraints, and maintenance requirements. The
16	municipality shall consult local and regional plans, as appropriate, in assessing
17	these and any other relevant factors. If the municipality managing the project
18	bases the written determination required under this subsection in whole or in
19	part on this subdivision then the project manager shall provide a supplemental
20	written determination with specific details on costs, needs, and probable uses,
21	as applicable. The supplemental written determination shall also address any

1	design elements that were desired by the municipality or specifically identified
2	in the regional plan pursuant to subdivision 2402(b)(4) of this chapter but were
3	not incorporated.
4	* * *
5	* * * Sustainability of Vermont's Transportation System; Emissions
6	Reductions * * *
7	Sec. 33. ANALYSIS AND REPORT ON SUSTAINABILITY OPTIONS;
8	TRANSPORTATION EMISSIONS REDUCTIONS
9	(a) Findings of fact. The General Assembly finds:
10	(1) A majority of the Vermont Climate Council (VCC) voted to
11	recommend participation in the Transportation & Climate Initiative Program
12	(TCI-P), a regional cap-and-invest program, as a lead policy and regulatory
13	approach to reduce emissions from the transportation sector in the Vermont
14	Climate Action Plan (CAP), adopted in December 2021.
15	(2) Shortly before adoption of the CAP in December 2021, participating
16	in TCI-P became unviable and the VCC agreed to include in the CAP that the
17	VCC would continue work on an alternative recommendation to reduce
18	emissions from the transportation sector in Vermont and pursue participating
19	in TCI-P if it again became viable.
20	(3) An addendum to the CAP, supported by a majority of the VCC,
21	stated that: "The only currently known policy options for which there is strong

1	evidence from other states, provinces[,] and countries of the ability to
2	confidently deliver the scale and pace of emissions reductions that are required
3	of the transportation sector by the [Global Warming Solutions Act (GWSA)]
4	are one or a combination of: a) a cap and invest/cap and reduce policy
5	covering transportation fuels and/or b) a performance standard/performance-
6	based regulatory approach covering transportation fuels. Importantly, based on
7	research associated with their potential implementation, these approaches can
8	also be designed in a cost-effective and equitable manner."
9	(4) The development of the State's Carbon Reduction Strategy (CRS),
10	which is required by the Federal Highway Administration (FHWA) pursuant to
11	the federal Infrastructure Investment and Jobs Act (IIJA) for states to access
12	federal monies under the Carbon Reduction Program and required by the
13	General Assembly pursuant to 2023 Acts and Resolves No. 62, Sec. 31, and
14	the accompanying planning and public engagement process provided the Cross
15	Section Mitigation Subcommittee of the VCC a timely opportunity to
16	undertake additional analysis required for a potential preferred
17	recommendation or recommendations to fill the gap in reductions of
18	transportation emissions.
19	(5) The CRS, which was filed with the FHWA in November 2023,
20	models that the State may meet its 2025 reduction requirement in the
21	transportation sector, but that, even with additional investments for

1	programmatic, policy, and regulatory options, the modeling shows a gap
2	between projected "business as usual" emissions in the transportation sector
3	and the portion of GWSA emission reduction requirements for 2030 and 2050
4	that are attributable to the transportation sector.
5	(6) The CRS reaffirms that, without adoption of additional polices, the
6	portion of GWSA emission reduction requirements for 2030 and 2050 that are
7	attributable to the transportation sector will not be met and states that: "Of the
8	additional programs, a cap-and-invest and/or Clean Transportation Standard
9	program are likely the two most promising options to close the gap in projected
10	emissions vs. required emissions levels for the transportation sector "
11	(7) There remains a need for further, more detailed analysis of policy
12	options.
13	(b) Written analysis. The Agency of Natural Resources, specifically the
14	Climate Action Office, and the Agency of Transportation, in consultation with
15	the State Treasurer; the Departments of Finance and Management, of Motor
16	Vehicles, and of Taxes; and the VCC, including those councilors appointed by
17	the General Assembly to provide expertise in energy and data analysis,
18	expertise and professional experience in the design and implementation of
19	programs to reduce greenhouse gas emissions, and representation of a
20	statewide environmental organization as outlined in the adopted January 12,
21	2024 Transportation Addendum to the Climate Action Plan, shall prepare a

1	written analysis of policy and investment scenarios to reduce emissions in the
2	transportation sector in Vermont and meet the greenhouse gas reduction
3	requirements of 10 V.S.A. § 578, as amended by Sec. 3 of the Global Warming
4	Solutions Act (2020 Acts and Resolves No. 153).
5	(c) Scenario development. At a minimum, the written analysis required
6	under subsection (b) of this section shall address the pros, cons, costs, and
7	benefits of the following:
8	(1) Vermont participating in regional or cap-and-invest program, such as
9	the Western Climate Initiative (WCI) and the New York Cap-and-Invest
10	program;
11	(2) Vermont adopting a clean transportation fuel standard, which would
12	be a performance standard or performance-based regulatory approach covering
13	transportation fuels; and
14	(3) Vermont implementing other potential revenue-raising, carbon-
15	pollution reduction strategies.
16	(d) Emission reduction scenarios; administration. The written analysis
17	shall include an estimate of the amount of emissions reduction to be generated
18	from a minimum of four scenarios, to include a business-as-usual, low-,
19	medium-, and high-greenhouse gas emissions reduction, analyzed under
20	subsection (c) of this section and a summary of how each proposal analyzed
21	under subsection (c) of this section would be administered.

1	(e) Revenue and cost estimate; timeline. The written analysis completed
2	pursuant to subsections (b)-(d) of this section shall be provided to the State
3	Treasurer to review cost and revenue projections for each scenario. The State
4	Treasurer shall make a written recommendation to the General Assembly
5	regarding any viable approaches.
6	(f) Public access; committees; due date.
7	(1) The Climate Action Office shall maintain a publicly accessible
8	website with information related to the development of the written analysis
9	required under subsection (b) of this section.
10	(2) The Agencies of Natural Resources and of Transportation, in
11	consultation with the State Treasurer, shall file a status update on the
12	development of the written analysis required under subsection (b) of this
13	section with the House and Senate Committees on Transportation, the House
14	Committees on Environment and Energy and on Ways and Means, and the
15	Senate Committees on Finance and on Natural Resources and Energy not later
16	than November 15, 2024.
17	(3) The Agencies of Natural Resources and of Transportation, in
18	consultation with the State Treasurer, shall file the written analysis required
19	under subsection (b) of this section and the State Treasurer's written
20	recommendation to the General Assembly regarding any viable approaches
21	required under subsection (e) of this section with the House and Senate

1	Committees on Transportation, the House Committees on Environment and
2	Energy and on Ways and Means, and the Senate Committees on Finance and
3	on Natural Resources and Energy not later than February 15, 2025.
4	(g) Use of consultant. The Agencies of Natural Resources and of
5	Transportation shall retain a consultant that is an expert in comprehensive
6	transportation policy with a core focus on emission reductions and economic
7	modeling to undertake the analysis and to provide the State Treasurer with any
8	additional information needed to inform the State Treasurer's
9	recommendations regarding any viable approaches required under subsections
10	(b)–(e) of this section.
11	(h) Costs.
12	(1) If the costs of the consultant required under subsection (g) of this
13	section are eligible expenditures under the U.S. Environmental Protection
14	Agency's (EPA) Climate Pollution Reduction Grants (CPRG) program, then
15	that shall be the source of funding to cover the costs of the consultant required
16	under subsection (g) of this section.
17	(2) The State Treasurer may use funds appropriated in State fiscal year
18	2025 to complete the work required under subsection (e) of this section,
19	including administrative costs and third-party consultation.

1	* * * Better Connections Grant Program * * *
2	Sec. 34. 19 V.S.A. § 319 is added to read:
3	§ 319. BETTER CONNECTIONS GRANT PROGRAM
4	(a) The Better Connections Grant Program is created and shall be
5	administered and staffed by the Policy, Planning and Research Bureau of the
6	Agency in collaboration with the Agency of Commerce and Community
7	Development and the Agency of Natural Resources.
8	(b) The Program shall be funded through appropriations to the Agency for
9	policy, planning, and research.
10	(c) The Program shall provide planning grants to aid municipalities to
11	coordinate municipal land use decisions with transportation investments that
12	build community resilience to:
13	(1) provide a safe, multimodal, and resilient transportation system that
14	supports the Vermont economy;
15	(2) support downtown and village economic development and
16	revitalization efforts; and
17	(3) lead directly to project implementation demonstrated by municipal

18 <u>capacity and readiness to implement.</u>

1	* * * Transportation Funding Study * * *
2	Sec. 35. TRANSPORTATION FUNDING STUDY; CONSULTANT;
3	REPORT
4	(a) The General Assembly finds:
5	(1) Vermont's transportation system is crucial to every resident, student,
6	worker, visitor, and business located in Vermont; serves as the backbone of the
7	economy; and is a critical component of Vermont's economic competitiveness.
8	(2) The State must continue to pursue an equitable transportation
9	network in which communities have improved access to all modes of
10	transportation, enhancing access to jobs, housing, and other services.
11	(3) In order to keep up with the maintenance, repair, and construction
12	necessary to maintain the State's transportation infrastructure, additional State
13	revenue needs to be raised in order to meet the nonfederal match for all federal
14	monies for which Vermont is eligible and that is awarded to Vermont through
15	competitive federal grants.
16	(4) Several public transit funding studies have been presented to the
17	General Assembly, in 2015, 2021, and 2024, that highlight growing labor
18	costs, changed ridership habits, a reduction in federal monies intended to
19	minimize person-to-person contact during the COVID-19 pandemic, increased
20	service needs, and an anticipated funding cliff just to maintain current levels of
21	service and operation in State fiscal year 2026.

1	(5) Vermont will continue to contend with transportation funding
2	shortfalls due to decreased motor fuel tax revenue, on both gasoline and diesel,
3	due to increasing vehicle fuel efficiency and the continued adoption of plug-in
4	electric vehicles.
5	(6) The Agency of Transportation is studying and seeking federal
6	competitive grant funding to implement, possibly as early as July 1, 2025, a
7	mileage-based user fee (MBUF) as a way to supplant lost motor fuel tax
8	revenue from Vermonters who own a battery electric vehicle that is charged at
9	home.
10	(7) While motor fuels represent a significant source of funding for the
11	Transportation Fund, they are only one component of the State's overall
12	transportation funding.
13	(8) In addition to an MBUF, the State must identify new and innovative
14	funding and policy options needed to adequately maintain Vermont's
15	transportation system and support future growth.
16	(b) The Agency of Transportation shall invest not more than \$100,000.00
17	to contract with an independent third-party consultant with expertise in
18	transportation funding and finance.
19	(c) The consultant shall consider and evaluate issues related to
20	transportation funding in order to identify mechanisms to sufficiently fund

1	transportation projects and operations through appropriations by the General
2	Assembly. Specifically, the consultant shall:
3	(1) evaluate current transportation funding in Vermont, taking into
4	account the viability of existing revenue sources and funding distributions;
5	(2) consider future trends that will impact the multimodal transportation
6	system, including inflation, safety needs, racial equity, electric vehicles, and
7	climate change;
8	(3) consider new and innovative funding options and alternative
9	solutions employed by other states:
10	(4) consider how an MBUF can, along with other new and traditional
11	funding mechanisms, provide sustainable transportation funding; and
12	(5) provide a report of transportation revenue projection scenarios
13	through 2030, including new sources.
14	(d) The Agency shall send to the House and Senate Committees on
15	Transportation, the House Committee on Ways and Means, and the Senate
16	Committee on Finance:
17	(1) on or before December 15, 2024, a written update of work performed
18	and, if available, a draft of the final report; and
19	(2) on or before January 15, 2025, the final written report and
20	recommendations required by this section.

1	* * * Electric and Plug-In Hybrid Vehicles; EV Infrastructure Fee * * *
2	Sec. 36. 23 V.S.A. § 361 is amended to read:
3	§ 361. PLEASURE CARS
4	(a) The annual registration fee for a pleasure car, as defined in subdivision
5	4(28) of this title, and including a pleasure car that is a plug-in electric vehicle,
6	as defined in subdivision 4(85) of this title, shall be \$89.00, and the biennial
7	fee shall be \$163.00.
8	(b) In addition to the registration fee set forth in subsection (a) of this
9	section, there shall be an annual electric vehicle (EV) infrastructure fee for a
10	pleasure car that is a battery electric vehicle, as defined in subdivision 4(85)(A)
11	of this title, equal to the amount of the annual fee collected in subsection (a) of
12	this section, or a biennial EV infrastructure fee equal to two times the annual
13	fee collected in subsection (a) of this section.
14	(c) In addition to the registration fee set forth in subsection (a) of this
15	section, there shall be an annual EV infrastructure fee for a pleasure car that is
16	a plug-in hybrid electric vehicle, as defined in subdivision 4(85)(B) of this
17	title, equal to one-half the amount of the annual fee collected in subsection (a)
18	of this section, or a biennial EV infrastructure fee equal to the annual fee
19	collected in subsection (a) of this section.
20	(d) The annual and biennial EV infrastructure fees collected in subsections
21	(b) and (c) of this section shall be allocated to the Transportation Fund for

1	programs administered by the Agency of Commerce and Community
2	Development to increase Vermonters' access to level 1 and 2 electric vehicle
3	supply equipment (EVSE) charging ports at workplaces or multiunit dwellings,
4	<u>or both.</u>
5	Sec. 37. EV INFRASTRUCTURE FEE; ELECTRIC VEHICLES
6	The Department of Motor Vehicles shall implement a public outreach
7	campaign regarding EV infrastructure fees for battery electric vehicles and
8	plug-in electric hybrid vehicles not later than October 1, 2024. The campaign
9	shall disseminate information on the Department's web page and through other
10	outreach methods.
11	Sec. 38. 23 V.S.A. § 361 is amended to read:
12	§ 361. PLEASURE CARS
13	* * *
14	(b) In addition to the registration fee set forth in subsection (a) of this
15	section, there shall be an annual electric vehicle (EV) infrastructure fee for a
16	pleasure car that is a battery electric vehicle, as defined in subdivision 4(85)(A)
17	of this title, equal to the amount of the annual fee collected in subsection (a) of
18	this section, or a biennial EV infrastructure fee equal to two times the annual
19	fee collected in subsection (a) of this section. [Repealed.]
20	* * *

1	(d) The annual and biennial EV infrastructure fees collected in subsections
2	(b) and subsection (c) of this section shall be allocated to the Transportation
3	Fund for programs administered by the Agency of Commerce and Community
4	Development to increase Vermonters' access to level 1 and 2 electric vehicle
5	supply equipment (EVSE) charging ports at workplaces or multiunit dwellings,
6	or both.
7	Sec. 39. PROPOSED FISCAL YEAR 2026 TRANSPORTATION
8	PROGRAM; EVSE CHARGING PORTS PROJECT
9	The Agency of Transportation's Proposed Fiscal Year 2026 Transportation
10	Program shall include a project that provides the estimated fiscal year 2026
11	revenue from the EV infrastructure fee to the Agency of Commerce and
12	Community Development for the purpose of providing grants to increase
13	Vermonters' access to level 1 and 2 EVSE charging ports at workplaces or
14	multiunit dwellings, or both.
15	* * * Central Garage; Authority to Purchase Real Property * * *
16	Sec. 40. CENTRAL GARAGE; REAL PROPERTY; FACILITY DESIGN;
17	AUTHORITY
18	(a)(1) Pursuant to 19 V.S.A. § 26(b), the Secretary of Transportation is
19	authorized to use up to \$2,000,000.00 in Central Garage Fund reserve funds for
20	the purpose of purchasing real property of approximately 23.5 acres on the

1	Paine Turnpike in Berlin, adjacent to State-owned property, on which to site a
2	new Central Garage.
3	(2) If the Secretary identifies real property other than the Berlin site
4	described in subdivision (1) of this subsection on which the Secretary wishes
5	to site a new Central Garage, the Secretary is authorized to use up to
6	\$2,000,000.00 in Central Garage Fund reserve funds to purchase the property,
7	but only after obtaining the specific prior approval of the Joint Transportation
8	Oversight Committee to purchase the identified property.
9	(b) Notwithstanding 19 V.S.A. § 13(a), the Secretary may use Central
10	Garage Fund reserve funds for design services necessary to construct a new
11	Central Garage on the Berlin site described in subdivision (a)(1) of this section
12	or, following the Joint Transportation Oversight Committee's approval as set
13	forth in subdivision (a)(2) of this section, on another site; provided, however,
14	that the Secretary shall collaborate with the municipality in which the new
15	Central Garage is to be located regarding the design and construction of the
16	facility.
17	* * * Railroad Leases * * *
18	Sec. 41. 5 V.S.A. § 3405 is amended to read:
19	§ 3405. LEASE FOR CONTINUED OPERATION
20	(a) The Secretary, as agent for the State, with the approval of the Governor
21	and the General Assembly or, if the General Assembly is not in session,

1	approval of a special committee consisting of the Joint Fiscal Committee and
2	the Chairs of the House and Senate Committees on Transportation, is
3	authorized to lease or otherwise arrange for the continued operation of all or
4	any State-owned railroad property to any responsible person, provided that
5	approval for the operation, if necessary, is granted by the federal Surface
6	Transportation Board under 49 C.F.R. Part 1150 (certificate to construct,
7	acquire, or operate railroad lines). The transaction shall be subject to any
8	further terms and conditions as in the opinion of the Secretary are necessary
9	and appropriate to accomplish the purpose of this chapter.
10	(b) To preserve continuity of service on State-owned railroads, the
11	Secretary may enter into a short-term lease or operating agreement, for a term
12	not to exceed six months, with a responsible railroad operator. Within 10 days
13	of entering into any lease or agreement, the Secretary shall report the details of
14	the transaction to the members of the House and Senate Committees on
15	Transportation.
16	(c) The Secretary shall notify the House and Senate Committees on
17	Transportation or, if the General Assembly is not in session, the Joint
18	Transportation Oversight Committee when there are 12 months remaining on
19	the operating lease for any State-owned railroad, and when there are 12 months
20	remaining on a lease extension for the operating lease for any State-owned
21	railroad.

1	* * * Traffic Control Devices; Adoption of MUTCD Revisions * * *
2	Sec. 42. 23 V.S.A. § 1025 is amended to read:
3	§ 1025. STANDARDS
4	(a) The U.S. Department of Transportation Federal Highway
5	Administration's Manual on Uniform Traffic Control Devices for Streets and
6	Highways (MUTCD) for streets and highways, as amended, shall be the
7	standards for all traffic control signs, signals, and markings within the State.
8	Revisions to the MUTCD shall be adopted according to the implementation or
9	compliance dates established in federal rules.
10	(b) The latest revision of the MUTCD shall be adopted upon its effective
11	date except in the case of To the extent consistent with federal law, projects
12	beyond a preliminary state of design that are anticipated to be constructed
13	within two years of the otherwise applicable effective date; such projects may
14	be constructed according to the MUTCD standards applicable at the design
15	stage.
16	(c) Existing signs, signals, and markings shall be valid until such time as
17	they are replaced or reconstructed. When new traffic control devices are
18	erected or placed or existing traffic control devices are replaced or repaired, the
19	equipment, design, method of installation, placement, or repair shall conform
20	with the MUTCD.

1	(b)(d) The standards of the MUTCD shall apply for both State and local
2	authorities as to traffic control devices under their respective jurisdiction.
3	(c)(e) Traffic and control signals at intersections with exclusive pedestrian
4	walk cycles shall be of sufficient duration to allow a pedestrian to leave the
5	curb and travel across the roadway before opposing vehicles receive a green
6	light. Determination of the length of the signal shall take into account the
7	circumstances of persons with ambulatory disabilities.
8	* * * MileageSmart; Income Eligibility * * *
9	Sec. 43. 19 V.S.A. § 2903 is amended to read:
10	§ 2903. MILEAGESMART
11	(a) Creation; administration.
12	(1) There is created a used high fuel efficiency vehicle incentive
13	program, which shall be administered by the Agency of Transportation and
14	known as MileageSmart.
15	(2) Subject to State procurement requirements, the Agency may retain a
16	contractor or contractors to assist with marketing, program development, and
17	administration of MileageSmart.
18	(b) Program structure. MileageSmart shall structure high fuel efficiency
19	purchase incentive payments by income to help all Vermonters benefit from
20	more efficient driving and reduced greenhouse gas emissions, including
21	Vermont's most vulnerable. Specifically, MileageSmart shall:

1	(1) apply to purchases of used high fuel-efficient motor vehicles, which
2	for purposes of this program shall be pleasure cars with a combined
3	city/highway fuel efficiency of at least 40 miles per gallon or miles-per-gallon
4	equivalent as rated by the Environmental Protection Agency when the vehicle
5	was new; and
6	(2) provide not more than one point-of-sale voucher worth up to
7	\$5,000.00 to an individual who is a member of a household with an adjusted
8	gross income that is at or below 80 percent of the State median income;
9	provided, however, that the Agency of Transportation may reduce the income
10	eligibility threshold based on available funding or applicant volume, or both, in
11	order to prioritize vouchers for households with lower income.
12	(c) EV infrastructure fees. For the first year that a plug-in electric vehicle,
13	as defined in 23 V.S.A. § 4(85), purchased through MileageSmart is subject to
14	the EV infrastructure fee pursuant to 23 V.S.A. § 361(b) or (c), the amount of
15	the fee shall be an eligible expense under MileageSmart; provided, however,
16	that this expense eligibility shall expire at such time as a mileage-based user
17	fee for pleasure cars that are battery electric vehicles, as defined in 23 V.S.A.
18	§ 4(85)(A), takes effect in Vermont.
19	(c)(d) Administrative costs. Up to 15 percent of any appropriations for
20	MileageSmart may be used for any costs associated with administering and
21	promoting MileageSmart.

1	(d)(e) Outreach and marketing. The Agency, in consultation with any
2	retained contractors, shall ensure that there is sufficient outreach and
3	marketing, including the use of translation and interpretation services, of
4	MileageSmart so that Vermonters who are eligible for an incentive can easily
5	learn how to secure as many different incentives as are available, and such
6	costs shall be considered administrative costs for purposes of subsection $(c)(d)$
7	of this section.
8	* * * Effective Dates * * *
9	Sec. 44. EFFECTIVE DATES
10	(a) This section and Secs. 9(e) (conditions for Green Mountain Transit one-
11	time monies), 22 (transfer of monies between vehicle incentive programs in
12	FY 2025), 40 (Central Garage; purchase of real property), and 41 (railroad
13	leases; 5 V.S.A. § 3405) shall take effect on passage.
14	(b) Sec. 36 (EV infrastructure fee; 23 V.S.A. § 361) shall take effect on
15	January 1, 2025.
16	(c) Sec. 38 (amendments to EV infrastructure fee; 23 V.S.A. § 361) shall
17	take effect on the effective date of a mileage-based user fee for pleasure cars
18	that are battery electric vehicles, as defined in 23 V.S.A. § 4(85)(A).
19	(d) All other sections shall take effect on July 1, 2024.
