5 Sec. 9. 8 V.S.A. chapter 112, §§ 4171–4190 are added to read:

6 § 4171. SHORT TITLE

7 This chapter shall be known and may be cited as the Vermont Life and
8 Health Insurance Guaranty Association Act.

9 § 4172. PURPOSE

10 The purpose of this chapter is to protect, subject to certain limitations, the
11 persons specified in subsection 4173(a) of this chapter, against failure in the
12 performance of contractual obligations under life, health, and annuity policies,
13 plans, and contracts specified in subsection 4173(b) of this chapter, due to the
14 impairment or insolvency of the member insurer that issued such policies,
15 plans, or contracts. To provide this protection:

16 (1) an association of member insurers is created to enable the guaranty
17 of payment of benefits and of continuation of coverages;

18 (2) members of the Association are subject to assessment to provide
19 funds to carry out the purpose of this chapter; and

20 (3) the Association is authorized to assist the Commissioner, in the
21 prescribed manner, in the detection and prevention of insurer impairment or

1 insolvency.

2 § 4173. SCOPE

3 (a) This chapter shall provide coverage for a policy or contract specified in
4 subsection (b) of this section to a person who:

5 (1) regardless of where the person resides, except for nonresident
6 certificate holders under group policies or contracts, is the beneficiary,
7 assignee, or payee, including a health care provider who renders services
8 covered under a health insurance policy or certificate, of a person covered
9 under subdivision (2) of this subsection; or

10 (2) is an owner of or certificate holder or enrollee under such policy or
11 contract, other than an unallocated annuity contract or structured settlement
12 annuity, and in each case who:

13 (A) is a Vermont resident; or

14 (B) is not a Vermont resident, provided all of the following
15 conditions are met:

16 (i) the member insurer that issued the policy or contract is
17 domiciled in Vermont;

18 (ii) the state in which the person resides has an association similar
19 to the Association created by this chapter; and

20 (iii) the person is not eligible for coverage by an association in any
21 other state due to the fact that the insurer or the health maintenance

1 organization was not licensed in that state at the time specified in that state's
2 guaranty association law.

3 (3) For an unallocated annuity contract specified in subsection (b) of this
4 section, subdivisions (1) and (2) of this subsection shall not apply and this
5 chapter shall, except as provided in subdivisions (5) and (6) of this subsection,
6 provide coverage to a person who is the owner of an unallocated annuity
7 contract if the contract is issued to or in connection with:

8 (A) a specific benefit plan whose plan sponsor has its principal place
9 of business in Vermont; or

10 (B) a government lottery, if the owner is a resident of Vermont.

11 (4) For a structured settlement annuity specified in subsection (b) of this
12 section, subdivisions (1) and (2) of this subsection shall not apply, and this
13 chapter shall, except as provided in subdivisions (5) and (6) of this subsection,
14 provide coverage to a person who is a payee under a structured settlement
15 annuity, or a beneficiary of such deceased payee, provided that the payee:

16 (A) is a Vermont resident, regardless of where the contract owner
17 resides; or

18 (B) is not a Vermont resident, provided that both of the following
19 conditions are met:

20 (i)(I) the contract owner of the structured settlement annuity is a
21 Vermont resident; or

1 (II) the contract owner of the structured settlement annuity is
2 not a Vermont resident, provided:

3 (aa) the insurer that issued the structured settlement annuity
4 is domiciled in Vermont; and

5 (bb) the state in which the contract owner resides has an
6 association similar to the Association created by this chapter; and

7 (ii) neither the payee, beneficiary, nor the contract owner is
8 eligible for coverage by the association of the state in which the payee,
9 beneficiary, or contract owner resides.

10 (5) This chapter shall not provide coverage to a person who:

11 (A) is a payee or beneficiary of a contract owner who is a Vermont
12 resident, if the payee or beneficiary is afforded any coverage by the association
13 of another state;

14 (B) is covered under subdivision (3) of this subsection, if any
15 coverage is provided by the association of another state to the person; or

16 (C) acquires rights to receive payments through a structured
17 settlement factoring transaction as defined in 26 U.S.C. § 5891(c)(3)(A),
18 regardless of whether the transaction occurred before or after such section
19 became effective.

20 (6) This chapter is intended to provide coverage to a person who is a
21 Vermont resident and, in special circumstances, to a nonresident. In order to

1 avoid duplicate coverage, if a person who would otherwise receive coverage
2 under this chapter is provided coverage under the laws of any other state, the
3 person shall not be provided coverage under this chapter. In determining the
4 application of the provisions of this subdivision in situations where a person
5 could be covered by the association of more than one state, whether as an
6 owner, payee, enrollee, beneficiary, or assignee, this chapter shall be construed
7 in conjunction with other state laws to result in coverage by only one
8 association.

9 (b)(1) This chapter shall provide coverage to a person specified in
10 subsection (a) of this section for a policy or contract of direct, nongroup life
11 insurance, health insurance, which for purposes of this chapter includes health
12 maintenance organization subscriber contracts and certificates, an annuity, or a
13 certificate under a direct group policy or contract, and supplemental policies or
14 contracts to any of these, and for an unallocated annuity contract, in each case,
15 issued by a member insurer, except as limited by this chapter. An annuity
16 contract or certificate under a group annuity contract includes a guaranteed
17 investment contract, guaranteed interest contract, guaranteed accumulation
18 contract, deposit administration contract, unallocated funding agreement,
19 allocated funding agreement, structured settlement annuity, annuity issued to
20 or in connection with a government lottery, and any immediate or deferred
21 annuity contract.

1 (2) Except as otherwise provided in subdivision (3) of this subsection,
2 this chapter shall not provide coverage for:

3 (A) a portion of a policy or contract not guaranteed by the member
4 insurer or under which the risk is borne by the policy or contract holder;

5 (B) a policy or contract of reinsurance, unless assumption certificates
6 have been issued pursuant to the reinsurance policy or contract;

7 (C) a portion of a policy or contract to the extent that the rate of
8 interest on which it is based, or the interest rate, crediting rate, or similar factor
9 determined by use of an index or other external reference stated in the policy
10 or contract employed in calculating returns or changes in value:

11 (i) averaged over the period of four years prior to the date on
12 which the member insurer becomes an impaired or insolvent insurer under this
13 chapter, whichever is earlier, exceeds a rate of interest determined by
14 subtracting two percentage points from Moody's Corporate Bond Yield
15 Average averaged for that same four-year period or for such lesser period if the
16 policy or contract was issued less than four years before the member insurer
17 becomes an impaired or insolvent insurer under this chapter, whichever is
18 earlier; and

19 (ii) on and after the date on which the member insurer becomes an
20 impaired or insolvent insurer under this chapter, whichever is earlier, exceeds
21 the rate of interest determined by subtracting three percentage points from

1 Moody's Corporate Bond Yield Average as most recently available;

2 (D) a portion of a policy or contract issued to a plan or program of an
3 employer, association, or similar entity to provide life, health, or annuity
4 benefits to its employees or members to the extent that such plan or program is
5 self-funded or uninsured, including benefits payable by an employer,
6 association, or similar entity under:

7 (i) a Multiple Employer Welfare Arrangement as defined in
8 section 514 of the Employee Retirement Income Security Act of 1974, Pub. L.
9 No. 93-406, as amended;

10 (ii) a minimum premium group insurance plan;

11 (iii) a stop-loss group insurance plan; or

12 (iv) an administrative services only contract;

13 (E) a portion of a policy or contract to the extent that it provides
14 dividends or experience rating credits, voting rights, or provides that any fees
15 or allowances be paid to any person, including the policy or contract holder, in
16 connection with the service to or administration of such policy or contract;

17 (F) a policy or contract issued in Vermont by a member insurer at a
18 time when it was not licensed or did not have a certificate of authority to issue
19 such policy or contract in Vermont;

20 (G) an unallocated annuity contract issued to or in connection with a
21 benefit plan protected under the federal Pension Benefit Guaranty Corporation,

1 regardless of whether the federal Pension Benefit Guaranty Corporation has
2 yet become liable to make any payments with respect to the benefit plan;

3 (H) a portion of any unallocated annuity contract that is not issued to
4 or in connection with a specific employee, union, or association of natural
5 persons benefit plan, or a government lottery;

6 (I) a portion of a policy or contract to the extent that the assessments
7 required by section 4179 of this chapter with respect to the policy or contract
8 are preempted by federal or State law;

9 (J) an obligation that does not arise under the express written terms of
10 the policy or contract issued by the member insurer to the enrollee, certificate
11 holder, contract owner, or policy owner, including:

12 (i) a claim based on marketing materials;

13 (ii) a claim based on a side letter, rider, or other document issued
14 by the member insurer without meeting applicable policy or contract form-
15 filing or approval requirements;

16 (iii) a misrepresentation of or regarding the benefits of a policy or
17 contract;

18 (iv) an extra-contractual claim; or

19 (v) a claim for penalties or consequential or incidental damages;

20 (K) a contractual agreement that establishes the member insurer's
21 obligations to provide a book value accounting guaranty for defined

1 contribution benefit plan participants by reference to a portfolio of assets that
2 is owned by the benefit plan or its trustee, that in each case is not an affiliate of
3 a member insurer;

4 (L) any portion of a policy or contract to the extent it provides for
5 interest or other changes in value to be determined by the use of an index or
6 other external reference stated in the policy or contract, but that has not been
7 credited to the policy or contract, or as to which the policy or contract owner's
8 rights are subject to forfeiture, as of the date the member insurer becomes an
9 impaired or insolvent insurer under this chapter, whichever is earlier. If a
10 policy's or contract's interest or changes in value are credited less frequently
11 than annually, then for purposes of determining the values that have been
12 credited and are not subject to forfeiture under this subdivision, the interest or
13 change in value determined by using the procedures defined in the policy or
14 contract will be credited as if the contractual date of crediting interest or
15 changing values was the date of impairment or insolvency, whichever is
16 earlier, and will not be subject to forfeiture;

17 (M) any policy or contract providing any hospital, medical,
18 prescription drug, or other health care benefits pursuant to Medicare Part C, 42
19 U.S.C. §§ 1395w-21 to 1395w-29, or Medicare Part D, 42 U.S.C. §§ 1395w-
20 101 to 1395w-154, or Subchapter XIX, Chapter 7 of Title 42 of the U.S.C.,
21 commonly known as Medicaid, or any regulations issued pursuant to those

1 sections, or

2 (N) structured settlement annuity benefits to which a payee or
3 beneficiary has transferred the payee's or beneficiary's rights in a structured
4 settlement factoring transaction as defined in 26 U.S.C. § 5891(c)(3)(A),
5 regardless of whether the transaction occurred before or after such section
6 became effective.

7 (3) The exclusion from coverage referenced in subdivision (2)(C) of this
8 subsection shall not apply to any portion of a contract, including a rider, that
9 provides long-term care or any other health benefits.

10 (c) The benefits that the Association may become obligated to cover shall
11 in no event exceed the lesser of:

12 (1) The contractual obligations for which the member insurer is liable or
13 would have been liable if it were not an impaired or insolvent insurer; or

14 (2)(A) with respect to one life, regardless of the number of policies or
15 contracts:

16 (i) \$300,000.00 in life insurance death benefits, but not more than
17 \$100,000.00 in net cash surrender and net cash withdrawal values for life
18 insurance;

19 (ii) for health insurance benefits:

20 (I) \$100,000.00 for coverages not defined as disability income
21 insurance or health benefit plans or long-term care insurance, including any net

1 cash surrender and net cash withdrawal values;

2 (II) \$300,000.00 for disability income insurance, and
3 \$300,000.00 for long-term care insurance;

4 (III) \$500,000.00 for health benefit plans;

5 (iii) \$250,000.00 in the present value of annuity benefits,
6 including net cash surrender and net cash withdrawal values; or

7 (B) with respect to each individual participating in a governmental
8 retirement benefit plan established under section 401, 403(b), or 457 of the
9 U.S. Internal Revenue Code covered by an unallocated annuity contract or the
10 beneficiaries of each such individual if deceased, in the aggregate, \$250,000.00
11 in present value annuity benefits, including net cash surrender and net cash
12 withdrawal values;

13 (C) with respect to each payee of a structured settlement annuity, or
14 beneficiary or beneficiaries of the payee if deceased, \$250,000.00 in present
15 value annuity benefits, in the aggregate, including net cash surrender and net
16 cash withdrawal values, if any;

17 (D) however, in no event shall the Association be obligated to cover
18 more than:

19 (i) an aggregate of \$300,000.00 in benefits with respect to any one
20 life under subdivisions (2)(A)–(C) of this subsection (c) except with respect to
21 benefits for health benefit plans under subdivision (2)(A)(ii) of this

1 subsection (c), in which case the aggregate liability of the Association shall not
2 exceed \$500,000.00 with respect to any one individual; or

3 (ii) with respect to one owner of multiple nongroup policies of life
4 insurance, whether the policy or contract owner is an individual, firm,
5 corporation, or other person, and whether the persons insured are officers,
6 managers, employees, or other persons, more than \$5,000,000.00 in benefits,
7 regardless of the number of policies and contracts held by the owner;

8 (E) with respect to either one contract owner provided coverage
9 under subdivision (a)(3)(B) of this section, or one plan sponsor whose plans
10 own directly or in trust one or more unallocated annuity contracts not included
11 in subdivision (2)(B) of this subsection (c), \$5,000,000.00 in benefits,
12 irrespective of the number of contracts with respect to the contract owner or
13 plan sponsor. However, in the case where one or more unallocated annuity
14 contracts are covered contracts under this chapter and are owned by a trust or
15 other entity for the benefit of two or more plan sponsors, coverage shall be
16 afforded by the Association if the largest interest in the trust or entity owning
17 the contract or contracts is held by a plan sponsor whose principal place of
18 business is in Vermont and in no event shall the Association be obligated to
19 cover more than \$5,000,000.00 in benefits with respect to all these unallocated
20 contracts.

21 (F) The limitations set forth in this subsection (c) are limitations on

1 the benefits for which the Association is obligated before taking into account
2 either its subrogation and assignment rights or the extent to which those
3 benefits could be provided out of the assets of the impaired or insolvent insurer
4 attributable to covered policies. The costs of the Association's obligations
5 under this chapter may be met by the use of assets attributable to covered
6 policies or reimbursed to the Association pursuant to its subrogation and
7 assignment rights.

8 (G) For purposes of this chapter, benefits provided by a long-term
9 care rider to a life insurance policy or annuity contract shall be considered the
10 same type of benefits as the base life insurance policy or annuity contract to
11 which it relates.

12 (d) In performing its obligations to provide coverage under section 4178 of
13 this chapter, the Association shall not be required to guarantee, assume,
14 reinsure, reissue, or perform, or cause to be guaranteed, assumed, reinsured, or
15 reissued, or performed, the contractual obligations of the insolvent or impaired
16 insurer under a covered policy or contract that do not materially affect the
17 economic values or economic benefits of the covered policy or contract.

1 insurer under such contract or certificate.

2 § 4176. CREATION OF THE ASSOCIATION

3 (a) There is created a nonprofit legal entity to be known as the Vermont
4 Life and Health Insurance Guaranty Association. All member insurers shall be
5 and remain members of the Association as a condition of their authority to
6 transact insurance or health maintenance organization business in Vermont.

7 The Association shall perform its functions under the plan of operation
8 established and approved under section 4180 of this chapter and shall exercise
9 its powers through a board of directors established under section 4177 of this
10 chapter. For purposes of administration and assessment, the Association shall
11 maintain two accounts:

12 (1) The life insurance and annuity account that includes the following
13 subaccounts:

14 (A) life insurance account;

15 (B) annuity account, which shall include annuity contracts owned by
16 a governmental retirement plan, or its trustee, established under section 401,
17 403(b), or 457 of the U.S. Internal Revenue Code, but shall otherwise exclude
18 unallocated annuities; and

19 (C) unallocated annuity account, which shall exclude contracts
20 owned by a governmental retirement plan, or its trustee, established under
21 section 401, 403(b), or 457 of the U.S. Internal Revenue Code.

1 (2) The health account.

2 (b) The Association shall come under the immediate supervision of the
3 Commissioner and shall be subject to the applicable provisions of the

5 opened to the public upon majority vote of the Board of Directors of the
6 Association.

7 § 4177. BOARD OF DIRECTORS

8 (a) The Board of Directors of the Association shall consist of not less than
9 seven nor more than 11 member insurers serving terms as established in the
10 plan of operation. Members of the Board shall be selected by member insurers
11 subject to the approval of the Commissioner. A vacancy on the Board shall be
12 filled for the remaining period of the term by a majority vote of the remaining
13 board members, for member insurers subject to the approval of the
14 Commissioner. To select the initial Board of Directors, and initially organize
15 the Association, the Commissioner shall give notice to all member insurers of
16 the time and place of the organizational meeting. In determining voting rights
17 at the organizational meeting, each member insurer shall be entitled to one vote
18 in person or by proxy. If the Board of Directors is not selected within 60 days
19 after notice of the organizational meeting, the Commissioner may appoint the
20 initial insurer members. At least one of the directors shall be a person who is
21 an officer, director, or employee of an insurance company incorporated under

1 the laws of this State; provided, however, this provision shall not apply in the
2 event there is no member insurer incorporated under the laws of this State.

3 (b) In approving selections or in appointing members to the Board, the
4 Commissioner shall consider, among other things, whether all member insurers
5 are fairly represented.

6 (c) Members of the Board may be reimbursed from the assets of the
7 Association for expenses incurred by them as members of the Board of
8 Directors, but members of the Board shall not otherwise be compensated by
9 the Association for their services.

10 § 4178. POWERS AND DUTIES OF THE ASSOCIATION

11 (a) If a member insurer is an impaired insurer, the Association may, in its
12 discretion and subject to any conditions imposed by the Association that do not
13 impair the contractual obligations of the impaired insurer and that are approved
14 by the Commissioner:

15 (1) guarantee, assume, or reissue, reinsure, or cause to be guaranteed,
16 assumed, reissued, or reinsured, any or all of the policies or contracts of the
17 impaired insurer; or

18 (2) provide such monies, pledges, loans, notes, guarantees, or other
19 means as are proper to effectuate subdivision (1) of this subsection and ensure
20 payment of the contractual obligations of the impaired insurer pending action
21 under subdivision (1) of this subsection.

1 (b) If a member insurer is an insolvent insurer, the Association, in its
2 discretion, shall either:

3 (1)(A)(i) guarantee, assume, or reissue, reinsure, or cause to be
4 guaranteed, assumed, reissued, or reinsured, the policies or contracts of the
5 insolvent insurer; or

6 (ii) ensure payment of the contractual obligations of the insolvent
7 insurer; and

8 (B) provide monies, pledges, loans, notes, guarantees, or other means
9 reasonably necessary to discharge the Association's duties; or

10 (2) provide benefits and coverages in accordance with the following
11 provisions:

12 (A) With respect to policies and contracts, ensure payment of
13 benefits that would have been payable under the policies or contracts of the
14 insolvent insurer, for claims incurred:

15 (i) with respect to group policies and contracts, not later than the
16 earlier of the next renewal date under those policies or contracts or 45 days, but
17 in no event less than 30 days, after the date on which the Association becomes
18 obligated with respect to the policies and contracts;

19 (ii) with respect to nongroup policies, contracts, and annuities, not
20 later than the earlier of the next renewal date, if any, under the policies or
21 contracts or one year, but in no event less than 30 days, from the date on which

1 the Association becomes obligated with respect to the policies or contracts.

2 (B) Make diligent efforts to provide all known insureds, enrollees, or
3 annuitants, for nongroup policies and contracts, or group policy or contract
4 owners with respect to group policies and contracts, 30 days' notice of the
5 termination, pursuant to subdivision (2)(A) of this subsection (b), of the
6 benefits provided.

7 (C) With respect to nongroup policies and contracts covered by the
8 Association, make available to each known insured, enrollee, or annuitant, or
9 owner if other than the insured or annuitant, and with respect to an individual
10 formerly an insured, enrollee, or annuitant under a group policy or contract
11 who is not eligible for replacement group coverage, make available substitute
12 coverage on an individual basis in accordance with the provisions of
13 subdivision (2)(D) of this subsection (b) if the insureds, enrollees, or annuitants
14 had a right under law or the terminated policy, contract, or annuity to convert
15 coverage to individual coverage or to continue an individual policy, contract,
16 or annuity in force until a specified age or for a specified time, during which
17 the insurer or health maintenance organization had no right unilaterally to
18 make changes in any provision of the policy, contract, or annuity or had a right
19 only to make changes in premium by class.

20 (D)(i) In providing the substitute coverage required under subdivision
21 (2)(C) of this subsection (b), the Association may offer either to reissue the

1 terminated coverage or to issue an alternative policy or contract, subject to the
2 prior approval of the Commissioner.

3 (ii) Alternative or reissued policies or contracts shall be offered
4 without requiring evidence of insurability and shall not provide for any waiting
5 period or exclusion that would not have applied under the terminated policy or
6 contract.

7 (iii) The Association may reinsure any alternative or reissued
8 policy or contract.

9 (E)(i) Alternative policies or contracts adopted by the Association
10 shall be subject to the approval of the Commissioner. The Association may
11 adopt alternative policies or contracts of various types for future issuance
12 without regard to any particular impairment or insolvency.

13 (ii) Alternative policies or contracts shall contain at least the
14 minimum statutory provisions required in Vermont and provide benefits that
15 shall not be unreasonable in relation to the premium charged. The Association
16 shall set the premium in accordance with a table of rates that it shall adopt.
17 The premium shall reflect the amount of insurance to be provided and the age
18 and class of risk of each insured. The premium shall not reflect any changes in
19 the health of the insured after the original policy or contract was last
20 underwritten.

21 (iii) Any alternative policy or contract issued by the Association

1 shall provide coverage of a type similar to that of the policy or contract issued
2 by the impaired or insolvent insurer, as determined by the Association.

3 (F) If the Association elects to reissue terminated coverage at a
4 premium rate different from that charged under the terminated policy or
5 contract, the premium shall be set by the Association in accordance with the
6 amount of insurance or coverage provided and the age and class of risk, subject
7 to prior approval of the Commissioner.

8 (G) The Association's obligations with respect to coverage under any
9 policy or contract of the impaired or insolvent insurer or under any reissued or
10 alternative policy or contract shall cease on the date the coverage or policy or
11 contract is replaced by another similar policy or contract by the policy or
12 contract owner, the insured, the enrollee, or the Association.

13 (H) When proceeding under this subdivision (b)(2) of this section
14 with respect to a policy or contract carrying guaranteed minimum interest
15 rates, the Association shall ensure the payment or crediting of a rate of interest
16 consistent with subdivision 4173(b)(2)(C) of this chapter.

17 (c) Nonpayment of premiums within 31 days after the date required under
18 the terms of any guaranteed, assumed, alternative, or reissued policy or
19 contract or substitute coverage shall terminate the Association's obligations
20 under the policy, contract, or coverage under this chapter with respect to the
21 policy, contract, or coverage, except with respect to any claims incurred or any

1 net cash surrender value that may be due in accordance with the provisions of
2 this chapter.

3 (d) Premiums due for coverage after entry of an order of liquidation of an
4 insolvent insurer shall belong to and be payable at the direction of the
5 Association. If the liquidator of an insolvent insurer requests, the Association
6 shall provide a report to the liquidator regarding such premium collected by the
7 Association. The Association shall be liable for unearned premiums due to
8 policy or contract owners arising after the entry of the order.

9 (e) The protection provided by this chapter shall not apply where any
10 guaranty protection is provided to residents of Vermont by the laws of the
11 domiciliary state or jurisdiction of the impaired or insolvent insurer other than
12 this State.

13 (f) In carrying out its duties under subsection (b) of this section, the
14 Association may:

15 (1) Subject to approval by a court in this State, impose permanent policy
16 or contract liens, in connection with a guarantee, assumption, or reinsurance
17 agreement, if the Association finds that the amounts that can be assessed under
18 this chapter are less than the amounts needed to ensure full and prompt
19 performance of the Association's duties under this chapter, or that the
20 economic or financial conditions as they affect member insurers are
21 sufficiently adverse to render the imposition of policy or contract liens to be in

1 the public interest.

2 (2) Subject to the approval by a court in this State, impose temporary
3 moratoriums or liens on payments of cash values and policy loans, or any other
4 right to withdraw funds held in conjunction with policies or contracts, in
5 addition to any contractual provisions for deferral of cash or policy loan value.
6 In addition, in the event of a temporary moratorium or moratorium charge
7 imposed by the receivership court on payment of cash values or policy loans,
8 or on any other right to withdraw funds held in conjunction with policies or
9 contracts, out of the assets of the impaired or insolvent insurer, the Association
10 may defer the payment of cash values, policy loans, or other rights by the
11 Association for the period of the moratorium or moratorium charge imposed by
12 the receivership court, except for claims covered by the Association to be paid
13 in accordance with a hardship procedure established by the liquidator or
14 rehabilitator and approved by the receivership court.

15 (g) A deposit in Vermont, held pursuant to law or required by the
16 Commissioner for the benefit of creditors, including policy or contract owners,
17 not turned over to the domiciliary liquidator upon the entry of a final order of
18 liquidation or order approving a rehabilitation plan of a member insurer
19 domiciled in this State or in a reciprocal state, shall be promptly paid to the
20 Association. The Association shall be entitled to retain a portion of any
21 amount so paid to it equal to the percentage determined by dividing the

1 aggregate amount of policy or contract owners' claims related to that
2 insolvency for which the Association has provided statutory benefits by the
3 aggregate amount of all policy or contract owners' claims in this State related
4 to that insolvency and shall remit to the domiciliary receiver the amount so
5 paid to the Association less the amount retained pursuant to this subsection.
6 Any amount so paid to the Association and retained by it shall be treated as a
7 distribution of estate assets pursuant to applicable state receivership law
8 dealing with early access disbursements.

9 (h) If the Association fails to act within a reasonable period of time with
10 respect to an insolvent insurer, as provided in subsection (b) of this section, the
11 Commissioner shall have the powers and duties of the Association under this
12 chapter with respect to the insolvent insurer.

13 (i) The Association may render assistance and advice to the Commissioner,
14 upon the Commissioner's request, concerning rehabilitation, payment of
15 claims, continuance of coverage, or the performance of other contractual
16 obligations of any impaired or insolvent insurer.

17 (j) The Association shall have standing to appear or intervene before any
18 court or agency in Vermont with jurisdiction over an impaired or insolvent
19 insurer concerning which the Association is or may become obligated under
20 this chapter or with jurisdiction over any person or property against which the
21 Association may have rights through subrogation or otherwise. Standing shall

1 extend to all matters germane to the powers and duties of the Association,
2 including proposals for reinsuring, reissuing, modifying, or guaranteeing the
3 policies or contracts of the impaired or insolvent insurer and the determination
4 of the policies or contracts and contractual obligations. The Association shall
5 also have the right to appear or intervene before a court or agency in another
6 state with jurisdiction over an impaired or insolvent insurer for which the
7 Association is or may become obligated or with jurisdiction over any person or
8 property against whom the Association may have rights through subrogation or
9 otherwise.

10 (k)(1) Any person receiving benefits under this chapter shall be deemed to
11 have assigned the rights under, and any causes of action against any person for
12 losses arising under, resulting from or otherwise relating to, the covered policy
13 or contract to the Association to the extent of the benefits received because of
14 this chapter, whether the benefits are payments of or on account of contractual
15 obligations, continuation of coverage, or provision of substitute or alternative
16 policies, contracts, or coverages. The Association may require an assignment
17 to it of such rights and cause of action by any enrollee, payee, policy or
18 contract owner, beneficiary, insured, or annuitant as a condition precedent to
19 the receipt of any rights or benefits conferred by this chapter upon such person.

20 (2) The subrogation rights of the Association under this subsection shall
21 have the same priority against the assets of the impaired or insolvent insurer as

1 that possessed by the person entitled to receive benefits under this chapter.

2 (3) In addition to subdivisions (1) and (2) of this subsection, the
3 Association shall have all common law rights of subrogation and any other
4 equitable or legal remedy that would have been available to the impaired or
5 insolvent insurer or owner, beneficiary, enrollee, or payee of a policy or
6 contract with respect to the policy or contracts, including, without limitation, in
7 the case of a structured settlement annuity, any rights of the owner,
8 beneficiary, or payee of the annuity, to the extent of benefits received pursuant
9 to this chapter, against a person originally or by succession responsible for the
10 losses arising from the personal injury relating to the annuity or payment
11 therefore, excepting any such person responsible solely by reason of serving as
12 an assignee in respect of a qualified assignment under section 130 of the U.S.
13 Internal Revenue Code.

14 (4) If the preceding subdivisions of this subsection are invalid or
15 ineffective with respect to any person or claim for any reason, the amount
16 payable by the Association with respect to the related covered obligations shall
17 be reduced by the amount realized by any other person with respect to the
18 person or claim that is attributable to the policies or contracts, or portion
19 thereof, covered by the Association.

20 (5) If the Association has provided benefits with respect to a covered
21 obligation and a person recovers amounts as to which the Association has

1 rights as described in the preceding subdivisions of this subsection, the person
2 shall pay to the Association the portion of the recovery attributable to the
3 policies or contracts, or portion thereof, covered by the Association.

4 (1) In addition to the rights and powers elsewhere in this chapter, the
5 Association may:

6 (1) enter into such contracts as are necessary or proper to carry out the
7 provisions and purposes of this chapter;

8 (2) sue or be sued, including taking any legal actions necessary or
9 proper for recovery of any unpaid assessments under section 4179 of this
10 chapter and to settle claims or potential claims against it;

11 (3) borrow money to effect the purposes of this chapter; and any notes
12 or other evidence of indebtedness of the Association not in default shall be
13 legal investments for domestic member insurers and may be carried as
14 admitted assets;

15 (4) employ or retain such persons as are necessary or appropriate to
16 handle the financial transactions of the Association, and to perform such other
17 functions as become necessary or proper under this chapter;

18 (5) take such legal action as may be necessary or appropriate to avoid
19 payment or recover payment of improper claims;

20 (6) exercise, for the purposes of this chapter and to the extent approved
21 by the Commissioner, the powers of a domestic life insurer, health insurer, or

1 health maintenance organization, but in no event may the Association issue
2 policies or contracts other than those issued to perform its obligations under
3 this chapter;

4 (7) organize itself as a corporation or in other legal form permitted by
5 Vermont law;

6 (8) request information from a person seeking coverage from the
7 Association in order to aid the Association in determining its obligations under
8 this chapter with respect to the person, and the person shall promptly comply
9 with the request;

10 (9) unless prohibited by law, in accordance with the terms and
11 conditions of the policy or contract, file for actuarially justified rate or
12 premium increases for any policy or contract for which it provides coverage
13 under this chapter; and

14 (10) take other necessary or appropriate action to discharge its duties
15 and obligations under this chapter or to exercise its powers under this chapter.

16 (m) The Association may join an organization of one or more other State
17 associations of similar purposes, to further the purposes and administer the
18 powers and duties of the Association.

19 (n)(1)(A) At any time within 180 days after the date of the order of
20 liquidation, the Association may elect to succeed to the rights and obligations
21 of the ceding member insurer that relate to policies, contracts, or annuities

1 covered, in whole or in part, by the Association, in each case under any one or
2 more reinsurance contracts entered into by the insolvent insurer and its
3 reinsurers and selected by the Association. Any such assumption shall be
4 effective as of the date of the order of liquidation. The election shall be
5 effected by the Association or by the National Organization of Life and Health
6 Insurance Guaranty Associations (NOLHGA) on its behalf sending written
7 notice, return receipt requested, to the affected reinsurers.

8 (B) To facilitate the earliest practicable decision about whether to
9 assume any of the contracts of reinsurance, and in order to protect the financial
10 position of the estate, the receiver and each reinsurer of the ceding member
11 insurer shall make available upon request to the Association or to NOLHGA
12 on its behalf as soon as possible after commencement of formal delinquency
13 proceedings:

14 (i) copies of in-force contracts of reinsurance and all related files
15 and records relevant to the determination of whether such contracts should be
16 assumed; and

17 (ii) notices of any defaults under the reinsurance contracts or any
18 known event or condition that, with the passage of time, could become a
19 default under the reinsurance contracts.

20 (C) Subdivisions (i)–(iv) of this subdivision (1)(C) shall apply to
21 reinsurance contracts assumed by the Association under subdivision (1)(A) of

1 this subsection (n):

2 (i) The Association shall be responsible for all unpaid premiums
3 due under the reinsurance contracts for periods both before and after the date
4 of the order of liquidation and shall be responsible for the performance of all
5 other obligations to be performed after the date of the order of liquidation, in
6 each case that relate to policies, contracts, or annuities covered, in whole or in
7 part, by the Association. The Association may charge policies, contracts, or
8 annuities covered in part by the Association, through reasonable allocation
9 methods, the costs for reinsurance in excess of the obligations of the
10 Association and shall provide notice and an accounting of these charges to the
11 liquidator.

12 (ii) The Association shall be entitled to any amounts payable by
13 the reinsurer under the reinsurance contracts with respect to losses or events
14 that occur in periods after the date of the order of liquidation and that relate to
15 policies, contracts, or annuities covered, in whole or in part, by the
16 Association, provided that, upon receipt of any such amounts, the Association
17 shall be obliged to pay to the beneficiary under the policy, contracts, or annuity
18 on account of which the amounts were paid a portion of the amount equal to
19 the lesser of:

20 (I) the amount received by the Association; and

21 (II) the excess of the amount received by the Association over

1 the amount equal to the benefits paid by the Association on account of the
2 policy, contracts, or annuity, less the retention of the insurer applicable to the
3 loss or event.

4 (iii) Within 30 days following the Association's election (the
5 election date), the Association and each reinsurer under contracts assumed by
6 the Association shall calculate the net balance due to or from the Association
7 under each reinsurance contract as of the election date with respect to policies,
8 contracts, or annuities covered, in whole or in part, by the Association, which
9 calculation shall give full credit to all items paid by either the member insurer
10 or its receiver or the reinsurer prior to the election date. The reinsurer shall
11 pay the receiver any amounts due for losses or events prior to the date of the
12 order of liquidation, subject to any set-off for premiums unpaid for periods
13 prior to the date, and the Association or reinsurer shall pay any remaining
14 balance due the other, in each case within five days of the completion of the
15 aforementioned calculation. Any disputes over the amounts due to either the
16 Association or the reinsurer shall be resolved by arbitration pursuant to the
17 terms of the affected reinsurance contracts or, if the contract contains no
18 arbitration clause, as otherwise provided by law. If the receiver has received
19 any amounts due the Association pursuant to subdivision (1)(C)(ii) of this
20 subsection (n), the receiver shall remit the same to the Association as promptly
21 as practicable.

1 (iv) If the Association or receiver, on the Association’s behalf,
2 within 60 days following the election date, pays the unpaid premiums due for
3 periods both before and after the election date that relate to policies, contracts,
4 or annuities covered, in whole or in part, by the Association, the reinsurer shall
5 not be entitled to terminate the reinsurance contracts for failure to pay
6 premium insofar as the reinsurance contracts relate to policies, contracts, or
7 annuities covered, in whole or in part, by the Association, and shall not be
8 entitled to set off any unpaid amounts due under other contracts, or unpaid
9 amounts due from parties other than the Association, against amounts due the
10 Association.

11 (2) During the period from the date of the order of liquidation until the
12 election date or, if the election date does not occur, until 180 days after the date
13 of the order of liquidation:

14 (A)(i) neither the Association nor the reinsurer shall have any rights
15 or obligations under reinsurance contracts that the Association has the right to
16 assume under subdivision (1) of this subsection (n), whether for periods prior
17 to or after the date of the order of liquidation; and

18 (ii) the reinsurer, the receiver, and the Association shall, to the
19 extent practicable, provide each other data and records reasonably requested;

20 (B) provided that once the Association has elected to assume a
21 reinsurance contract, the parties’ rights and obligations shall be governed by

1 subdivision (1) of this subsection (n).

2 (3) If the Association does not elect to assume a reinsurance contract by
3 the election date pursuant to subdivision (1) of this subsection (n), the
4 Association shall have no rights or obligations, in each case for periods both
5 before and after the date of the order of liquidation, with respect to the
6 reinsurance contract.

7 (4) When policies, contracts, or annuities, or covered obligations with
8 respect thereto, are transferred to an assuming insurer, reinsurance on the
9 policies, contracts, or annuities may also be transferred by the Association, in
10 the case of contracts assumed under subdivision (1) of this subsection (n),
11 subject to the following:

12 (i) unless the reinsurer and the assuming insurer agree otherwise,
13 the reinsurance contract transferred shall not cover any new policies of
14 insurance, contracts, or annuities in addition to those transferred;

15 (ii) the obligations described in subdivision (1) of this subsection
16 (n) shall no longer apply with respect to matters arising after the effective date
17 of the transfer; and

18 (iii) notice shall be given in writing, return receipt requested, by
19 the transferring party to the affected reinsurer not less than 30 days prior to the
20 effective date of the transfer.

21 (5) The provisions of this subsection shall supersede the provisions of

1 any State law or of any affected reinsurance contract that provides for or
2 requires any payment of reinsurance proceeds, on account of losses or events
3 that occur in periods after the date of the order of liquidation, to the receiver of
4 the insolvent insurer or any other person. The receiver shall remain entitled to
5 any amounts payable by the reinsurer under the reinsurance contracts with
6 respect to losses or events that occur in periods prior to the date of the order of
7 liquidation, subject to applicable setoff provisions.

8 (6) Except as otherwise provided in this section, nothing in this
9 subsection shall alter or modify the terms and conditions of any reinsurance
10 contract. Nothing in this subsection shall:

11 (A) abrogate or limit any rights of any reinsurer to claim that it is
12 entitled to rescind a reinsurance contract;

13 (B) give a policyholder, contract owner, enrollee, certificate holder,
14 or beneficiary an independent cause of action against a reinsurer that is not
15 otherwise set forth in the reinsurance contract;

16 (C) limit or affect the Association's rights as a creditor of the estate
17 against the assets of the estate; or

18 (D) apply to reinsurance agreements covering property or casualty
19 risks.

20 (o) The Board of Directors of the Association shall have discretion and
21 may exercise reasonable business judgment to determine the means by which

1 the Association is to provide the benefits of this chapter in an economical and
2 efficient manner.

3 (p) Where the Association has arranged or offered to provide the benefits
4 of this chapter to a covered person under a plan or arrangement that fulfills the
5 Association's obligations under this chapter, the person shall not be entitled to
6 benefits from the Association in addition to or other than those provided under
7 the plan or arrangement.

8 (q) Venue in a suit against the Association arising under this chapter shall
9 be in the Civil Division of the Washington Superior Court. The Association
10 shall not be required to give an appeal bond in an appeal that relates to a cause
11 of action arising under this chapter.

12 (r) In carrying out its duties in connection with guaranteeing, assuming,
13 reissuing, or reinsuring policies or contracts under subsection (a) or (b) of this
14 section, the Association may issue substitute coverage for a policy or contract
15 that provides an interest rate, crediting rate, or similar factor determined by use
16 of an index or other external reference stated in the policy or contract
17 employed in calculating returns or changes in value by issuing an alternative
18 policy or contract in accordance with all of the following provisions:

19 (1) In lieu of the index or other external reference provided for in the
20 original policy or contract, the alternative policy or contract provides for:

21 (A) a fixed interest rate;

1 (B) payment of dividends with minimum guarantees; or

2 (C) a different method for calculating interest or changes in value.

3 (2) There is no requirement for evidence of insurability, waiting period,
4 or other exclusion that would not have applied under the replaced policy or
5 contract.

6 (3) The alternative policy or contract is substantially similar to the
7 replaced policy or contract in all other material terms.

8 § 4179. ASSESSMENTS

9 (a) For the purpose of providing the funds necessary to carry out the
10 powers and duties of the Association, the Board of Directors shall assess the
11 member insurers, separately for each account, at such times and for such
12 amounts as the Board finds necessary. Assessments shall be due not less than
13 30 days after prior written notice to the member insurers and shall accrue
14 interest at nine percent per annum on and after the due date.

15 (b) There shall be two classes of assessments, as follows:

16 (1) Class A assessments shall be authorized and called for the purpose
17 of meeting administrative and legal costs and other expenses. Class A
18 assessments may be authorized and called whether or not related to a particular
19 impaired or insolvent insurer.

20 (2) Class B assessments shall be authorized and called to the extent
21 necessary to carry out the powers and duties of the Association under section

1 4178 of this chapter with regard to an impaired or insolvent insurer.

2 (c)(1) The amount of any Class A assessment shall be determined by the
3 Board and may be authorized and called on a pro rata or non-pro rata basis. If
4 pro rata, the Board may provide that it be credited against future Class B
5 assessments.

6 (2) The amount of a Class B assessment, except assessments related to
7 long-term care insurance, shall be allocated for assessment purposes between
8 the accounts and among the subaccounts of the life insurance and annuity
9 account, pursuant to an allocation formula, which may be based on the
10 premiums or reserves of the impaired or insolvent insurer or any other standard
11 deemed by the Board in its sole discretion as being fair and reasonable under
12 the circumstances.

13 (3) The amount of the Class B assessment for long-term care insurance
14 written by the impaired or insolvent insurer shall be allocated according to a
15 methodology included in the plan of operation and approved by the
16 Commissioner. The methodology shall provide for 50 percent of the
17 assessment to be allocated to accident and health member insurers and 50
18 percent to be allocated to life and annuity member insurers.

19 (4) Class B assessments against member insurers for each account and
20 subaccount shall be in the proportion that the premiums received on business
21 in this State by each assessed member insurer on policies or contracts covered

1 by each account for the three most recent calendar years for which information
2 is available preceding the year in which the member insurer became insolvent
3 or, in the case of an assessment with respect to an impaired insurer, the three
4 most recent calendar years for which information is available preceding the
5 year in which the member insurer became impaired, bears to premiums
6 received on business in this State for those calendar years by all assessed
7 member insurers.

8 (5) Assessments for funds to meet the requirements of the Association
9 with respect to an impaired or insolvent insurer shall not be authorized or
10 called until necessary to implement the purposes of this chapter. Classification
11 of assessments under subsection (b) of this section and computation of
12 assessments under this subsection shall be made with a reasonable degree of
13 accuracy, recognizing that exact determinations may not always be possible.
14 The Association shall notify each member insurer of its anticipated pro rata
15 share of an authorized assessment not yet called within 180 days after the
16 assessment is authorized.

17 (d) The Association may abate or defer, in whole or in part, the assessment
18 of a member insurer if, in the opinion of the Board, payment of the assessment
19 would endanger the ability of the member insurer to fulfill its contractual
20 obligations. In the event an assessment against a member insurer is abated or
21 deferred, in whole or in part, the amount by which such assessment is abated or

1 deferred may be assessed against the other member insurers in a manner
2 consistent with the basis for assessments set forth in this section. Once the
3 conditions that caused a deferral have been removed or rectified, the member
4 insurer shall pay all assessments that were deferred pursuant to a repayment
5 plan approved by the Association.

6 (e)(1)(A) Subject to the provisions of subdivision (1)(B) of this subsection
7 (e), the total of all assessments authorized by the Association with respect to a
8 member insurer for each subaccount of the life insurance and annuity account
9 and for the health account shall not in one calendar year exceed two percent of
10 that member insurer's average annual premiums received in Vermont on the
11 policies and contracts covered by the subaccount or account during the three
12 calendar years preceding the year in which the member insurer became an
13 impaired or insolvent insurer.

14 (B) If two or more assessments are authorized in one calendar year
15 with respect to member insurers that become impaired or insolvent in different
16 calendar years, the average annual premiums for purposes of the aggregate
17 assessment percentage limitation referenced in subdivision (1)(A) of this
18 subsection (e) shall be equal and limited to the higher of the three-year average
19 annual premiums for the applicable subaccount or account as calculated
20 pursuant to this section.

21 (C) If the maximum assessment, together with the other assets of the

1 Association in an account, does not provide in one year in either account an
2 amount sufficient to carry out the responsibilities of the Association, the
3 necessary additional funds shall be assessed as soon thereafter as permitted by
4 this chapter.

5 (2) The Board may provide in the plan of operation a method of
6 allocating funds among claims, whether relating to one or more impaired or
7 insolvent insurers, when the maximum assessment will be insufficient to cover
8 anticipated claims.

9 (3) If the maximum assessment for a subaccount of the life and annuity
10 account in one year does not provide an amount sufficient to carry out the
11 responsibilities of the Association, then pursuant to subdivision (c)(2) of this
12 section, the Board shall access the other subaccounts of the life and annuity
13 account for the necessary additional amount, subject to the maximum stated in
14 subdivision (1) of this subsection.

15 (f) The Board may, by an equitable method as established in the plan of
16 operation, refund to member insurers, in proportion to the contribution of each
17 member insurer to that account, the amount by which the assets of the account
18 exceed the amount the Board finds is necessary to carry out during the coming
19 year the obligations of the Association with regard to that account, including
20 assets accruing from assignment, subrogation, net realized gains, and income
21 from investments. A reasonable amount may be retained in any account to

1 provide funds for the continuing expenses of the Association and for future
2 losses claims.

3 (g) It shall be proper for any member insurer, in determining its premium
4 rates and policy owner dividends as to any kind of insurance or health
5 maintenance organization business within the scope of this chapter, to consider
6 the amount reasonably necessary to meet its assessment obligations under this
7 chapter.

8 (h) The Association shall issue to each member insurer paying an
9 assessment under this chapter, other than a Class A assessment, a certificate of
10 contribution, in a form prescribed by the Commissioner, for the amount so
11 paid. All outstanding certificates shall be of equal dignity and priority without
12 reference to amounts or dates of issue. A certificate of contribution may be
13 shown by the member insurer in its financial statement as an asset in such form
14 and for such amount, if any, and period of time as the Commissioner may
15 approve.

16 (i)(1) A member insurer that wishes to protest all or part of an assessment
17 shall pay when due the full amount of the assessment as set forth in the notice
18 provided by the Association. The payment shall be available to meet
19 Association obligations during the pendency of the protest or any subsequent
20 appeal. Payment shall be accompanied by a statement in writing that the
21 payment is made under protest and setting forth a brief statement of the

1 grounds for the protest.

2 (2) Within 60 days following the payment of an assessment under
3 protest by a member insurer, the Association shall notify the member insurer in
4 writing of its determination with respect to the protest unless the Association
5 notifies the member insurer that additional time is required to resolve the
6 issues raised by the protest.

7 (3) Within 30 days after a final decision has been made, the Association
8 shall notify the protesting member insurer in writing of that final decision.
9 Within 60 days after receipt of notice of the final decision, the protesting
10 member insurer may appeal that final action to the Commissioner.

11 (4) In the alternative to rendering a final decision with respect to a
12 protest based on a question regarding the assessment base, the Association may
13 refer protests to the Commissioner for a final decision, with or without a
14 recommendation from the Association.

15 (5) If the protest or appeal on the assessment is upheld, the amount paid
16 in error or excess shall be returned to the member insurer. Interest on a refund
17 due a protesting member insurer shall be paid at the rate actually earned by the
18 Association.

19 (j) The Association may request information of member insurers in order to
20 aid in the exercise of its power under this section and member insurers shall
21 promptly comply with a request.

1 § 4180. PLAN OF OPERATION

2 (a)(1) The Association shall submit to the Commissioner a plan of
3 operation and any amendments to the plan necessary or suitable to assure the
4 fair, reasonable, and equitable administration of the Association. The plan of
5 operation and any amendments to the plan shall become effective upon
6 approval in writing by the Commissioner.

7 (2) If the Association fails to submit a suitable plan of operation within
8 120 days following the effective date of this chapter or if at any time thereafter
9 the Association fails to submit suitable amendments to the plan, the
10 Commissioner shall, after notice and hearing, adopt such reasonable rules as
11 are necessary or advisable to effectuate the provisions of this chapter. Such
12 rules shall continue in force until modified by the Commissioner or superseded
13 by a plan submitted by the Association and approved by the Commissioner.

14 (b) All member insurers shall comply with the plan of operation.

15 (c) The plan of operation shall, in addition to requirements enumerated
16 elsewhere in this chapter:

17 (1) establish procedures for handling the assets of the Association;

18 (2) establish the amount and method of reimbursing members of the
19 Board of Directors under section 4177 of this chapter;

20 (3) establish regular places and times including virtual conference calls
21 for meetings of the Board of Directors;

1 (4) establish procedures for records to be kept of all financial
2 transactions of the Association, its agents, and the Board of Directors;

3 (5) establish the procedures whereby selections for the Board of
4 Directors will be made and submitted to the Commissioner;

5 (6) establish any additional procedures for assessments under section
6 4179 of this chapter;

7 (7) contain additional provisions necessary or proper for the execution
8 of the powers and duties of the Association;

9 (8) establish procedures whereby a Director may be removed for cause,
10 including in the case where a member insurer Director becomes an impaired or
11 insolvent insurer; and

12 (9) require the Board of Directors to establish a policy and procedures
13 for addressing conflicts of interests.

14 (d) The plan of operation may provide that any or all powers and duties of
15 the Association, except those under subdivision 4178(1)(3) and section 4179 of
16 this chapter, are delegated to a corporation, association, or other organization
17 that performs or will perform functions similar to those of this Association, or
18 its equivalent in two or more states. Such a corporation, association, or
19 organization shall be reimbursed for any payments made on behalf of the
20 Association and shall be paid for its performance of any function of the
21 Association. A delegation under this subsection shall take effect only with the

1 approval of both the Board of Directors and the Commissioner, and may be
2 made only to a corporation, association, or organization that extends protection
3 not substantially less favorable and effective than that provided by this chapter.

4 § 4181. DUTIES AND POWERS OF THE COMMISSIONER

5 (a) In addition to the duties and powers enumerated elsewhere in this
6 chapter, the Commissioner shall:

7 (1) Upon the request of the Board of Directors, provide the Association
8 with a statement of the premiums in Vermont and in any other appropriate
9 states for each member insurer.

10 (2) Notify the Board of Directors of the existence of an impaired or
11 insolvent insurer not later than three days after a determination of impairment
12 or insolvency is made or the Commissioner receives notice of impairment or
13 insolvency.

14 (3) When an impairment is declared and the amount of the impairment
15 is determined, serve a demand upon the impaired insurer to make good the
16 impairment within a reasonable time. Notice to the impaired insurer shall
17 constitute notice to its shareholders, if any. The failure of the impaired insurer
18 to promptly comply with such demand shall not excuse the Association from
19 the performance of its powers and duties under this chapter.

20 (4) In any liquidation or rehabilitation proceeding involving a domestic
21 insurer, be appointed as the liquidator or rehabilitator. If a foreign or alien

1 member insurer is subject to a liquidation proceeding in its domiciliary
2 jurisdiction or state of entry, the Commissioner shall be appointed conservator.

3 (b) The Commissioner may suspend or revoke, after notice and hearing, the
4 certificate of authority to transact business in Vermont of any member insurer
5 that fails to pay an assessment when due or fails to comply with the plan of
6 operation. As an alternative, the Commissioner may levy a forfeiture on any
7 member insurer that fails to pay an assessment when due. Such forfeiture shall
8 not exceed five percent of the unpaid assessment per month, but no forfeiture
9 shall be less than \$500.00 per month.

10 (c) A final action of the Board of Directors or the Association may be
11 appealed to the Commissioner by a member insurer if such appeal is taken
12 within 60 days following its receipt of notice of the final action being
13 appealed. A final action or order of the Commissioner shall be subject to
14 judicial review in the Vermont Supreme Court.

15 (d) The liquidator, rehabilitator, or conservator of any impaired or insolvent
16 insurer may notify all interested persons of the effect of this chapter.

17 § 4182. PREVENTION OF INSOLVENCIES

18 (a) To aid in the detection and prevention of member insurer impairment or
19 insolvency, it shall be the duty of the Commissioner to:

20 (1) Notify the commissioners of all the other states within 30 days
21 following the action taken or the date the action occurs when the

1 Commissioner takes any of the following actions against a member insurer:

2 (A) revocation of license;

3 (B) suspension of license; or

4 (C) makes a formal order that the member insurer restrict its

5 premium writing, obtain additional contributions to surplus, withdraw from

6 Vermont, reinsure all or any part of its business, or increase capital, surplus, or

7 any other account for the security of policy owners, contract owners, certificate

8 holders, or creditors.

9 (2) Report to the Board of Directors when the Commissioner has taken

10 any of the actions set forth in subdivision (1) of this subsection or has received

11 a report from any other commissioner indicating that any such action has been

12 taken in another state. The report to the Board of Directors shall contain all

13 significant details of the action taken or the report received from another

14 commissioner.

15 (3) Report to the Board of Directors when the Commissioner has

16 reasonable cause to believe from an examination, whether completed or in

17 process, of any member insurer that the insurer may be an impaired or

18 insolvent insurer.

19 (4) Furnish to the Board of Directors the NAIC Insurance Regulatory

20 Information System ratios and listings of companies not included in the ratios

21 developed by the National Association of Insurance Commissioners, and the

1 Board may use the information contained therein in carrying out its duties and
2 responsibilities under this section. The report and the information contained
3 therein shall be kept confidential by the Board of Directors until such time as
4 made public by the Commissioner or other lawful authority.

5 (b) The Commissioner may seek the advice and recommendations of the
6 Board of Directors concerning any matter affecting the duties and
7 responsibilities of the Commissioner regarding the financial condition of
8 member insurers and insurers or health maintenance organizations seeking
9 admission to transact business in Vermont.

10 (c) The Board of Directors, upon majority vote, may make reports and
11 recommendations to the Commissioner upon any matter germane to the
12 solvency, liquidation, rehabilitation, or conservation of any member insurer or
13 germane to the solvency of any insurer or health maintenance organization
14 seeking to do business in Vermont. Such reports and recommendations shall
15 not be considered public documents.

16 (d) The Board of Directors, upon majority vote, shall notify the
17 Commissioner of any information indicating a member insurer may be an
18 impaired or insolvent insurer.

19 (e) The Board of Directors, upon majority vote, may make
20 recommendations to the Commissioner for the detection and prevention of
21 member insurer insolvencies.

1 (f) The Board of Directors shall, at the conclusion of any insurer
2 impairment or insolvency in which the Association carried out its duties under
3 this chapter or exercised any of its powers under this chapter, prepare a report
4 on the history and causes of such impairment or insolvency, based on the
5 information available to the Association, and submit such report to the
6 Commissioner.

7 § 4183. CREDITS FOR ASSESSMENTS PAID

8 (a) A member insurer may offset against its premium tax liability to
9 Vermont an assessment described in subsection 4179(h) of this chapter to the
10 extent of 20 percent of the amount of the assessment for each of the five
11 calendar years following the year in which the assessment was paid. In the
12 event a member insurer should cease doing business, all uncredited
13 assessments may be credited against its premium tax liability for the year it
14 ceases doing business.

15 (b) A member insurer that is exempt from taxes referenced in subsection
16 (a) of this section may recoup its assessments by a surcharge on its premiums
17 in a sum reasonably calculated to recoup the assessments over a reasonable
18 period of time, as approved by the Commissioner. Amounts recouped shall not
19 be considered premiums for any other purpose, including the computation of
20 gross premium tax, the medical loss ratio, or agent commission. If a member
21 insurer collects excess surcharges, the insurer shall remit the excess amount to

1 the Association, and the excess amount shall be applied to reduce future
2 assessments in the appropriate account.

3 (c) Any sums acquired by refund, pursuant to subsection 4179(f) of this
4 chapter, from the Association that have been written off by contributing
5 insurers and offset against premium taxes as provided in subsection (a) of this
6 section, and are not then needed for purposes of this chapter, shall be paid by
7 the insurer to the Commissioner, who shall deposit them with the State
8 Treasurer for credit to the General Fund.

9 § 4184. MISCELLANEOUS PROVISIONS

10 (a) This chapter shall not be construed to reduce the liability for unpaid
11 assessments of the insureds of an impaired or insolvent insurer operating under
12 a plan with assessment liability.

13 (b)(1) Records shall be kept of all meetings of the Board of Directors to
14 discuss the activities of the Association in carrying out its powers and duties
15 under section 4178 of this chapter. The records of the Association with respect
16 to an impaired or insolvent insurer shall not be disclosed prior to the
17 termination of a liquidation, rehabilitation, or conservation proceeding
18 involving the impaired or insolvent insurer, except:

19 (A) upon the termination of the impairment or insolvency of the
20 member insurer; or

21 (B) upon the order of a court of competent jurisdiction.

1 (2) Nothing in this subsection shall limit the duty of the Association to
2 render a report of its activities under section 4185 of this chapter.

3 (c) For the purpose of carrying out its obligations under this chapter, the
4 Association shall be deemed to be a creditor of the impaired or insolvent
5 insurer to the extent of assets attributable to covered policies reduced by any
6 amounts to which the Association is entitled as subrogee pursuant to
7 subsection 4178(k) of this chapter. Assets of the impaired or insolvent insurer
8 attributable to covered policies shall be used to continue all covered policies
9 and pay all contractual obligations of the impaired or insolvent insurer as
10 required by this chapter. Assets attributable to covered policies or contracts, as
11 used in this subsection, are that proportion of the assets that the reserves that
12 should have been established for such policies or contracts bear to the reserves
13 that should have been established for all policies of insurance or health benefit
14 plans written by the impaired or insolvent insurer.

15 (d) As a creditor of the impaired or insolvent insurer pursuant to subsection
16 (c) of this section and consistent with section 7073 of this title, the Association
17 and other similar associations shall be entitled to receive a disbursement of
18 assets out of the marshaled assets, from time to time as the assets become
19 available to reimburse it, as a credit against contractual obligations under this
20 chapter. If the liquidator has not, within 120 days after a final determination of
21 insolvency of a member insurer by the receivership court, made an application

1 to the court for the approval of a proposal to disburse assets out of marshaled
2 assets to guaranty associations having obligations because of the insolvency,
3 then the Association shall be entitled to make application to the receivership
4 court for approval of its own proposal to disburse these assets.

5 (e)(1) Prior to the termination of any liquidation, rehabilitation, or
6 conservation proceeding, the court may take into consideration the
7 contributions of the respective parties, including the Association, the
8 shareholders, contract owners, certificate holders, enrollees, and policyowners
9 of the insolvent insurer, and any other party with a bona fide interest, in
10 making an equitable distribution of the ownership rights of the insolvent
11 insurer. In such a determination, consideration shall be given to the welfare of
12 the policyowners, contract owners, certificate holders, and enrollees of the
13 continuing or successor member insurer.

14 (2) No distribution to stockholders, if any, of an impaired or insolvent
15 insurer shall be made until and unless the total amount of valid claims of the
16 Association with interest thereon for funds expended in carrying out its powers
17 and duties under section 4178 of this chapter with respect to the member
18 insurer have been fully recovered by the Association.

19 (f) If an order for liquidation or rehabilitation of a member insurer
20 domiciled in Vermont has been entered, the receiver appointed under such
21 order shall have a right to recover on behalf of the member insurer from any

1 affiliate that controlled it the amount of distributions, other than stock
2 dividends paid by the member insurer on its capital stock, made at any time
3 during the five years preceding the petition for liquidation or rehabilitation
4 subject to the following limitations:

5 (1) A distribution shall not be recoverable if the member insurer shows
6 that, when paid, the distribution was lawful and reasonable and that the
7 member insurer did not know and could not reasonably have known that the
8 distribution might adversely affect the ability of the member insurer to fulfill
9 its contractual obligations.

10 (2) Any person who was an affiliate that controlled the member insurer
11 at the time the distributions were paid shall be liable up to the amount of
12 distributions received. Any person who was an affiliate that controlled the
13 member insurer at the time the distributions were declared shall be liable up to
14 the amount of distributions that would have been received if they had been
15 paid immediately. If two or more persons are liable with respect to the same
16 distributions, they shall be jointly and severally liable.

17 (3) The maximum amount recoverable under this subdivision shall be
18 the amount needed in excess of all other available assets of the insolvent
19 insurer to pay the contractual obligations of the insolvent insurer.

20 (g) If any person liable under subdivision (f)(2) of this section is insolvent,
21 all its affiliates that controlled it at the time the distribution was paid shall be

1 jointly and severally liable for any resulting deficiency in the amount
2 recovered from the insolvent affiliate.

3 § 4185. EXAMINATION; ANNUAL REPORT

4 The Association shall be subject to examination and regulation by the
5 Commissioner. The Board of Directors shall submit to the Commissioner, not
6 later than May 1 of each year, a financial report for the preceding calendar year
7 in a form approved by the Commissioner and a report of its activities during
8 the preceding calendar year. Upon request of a member insurer, the
9 Association shall provide the member insurer with a copy of the report.

10 § 4186. TAX EXEMPTIONS

11 The Association shall be exempt from payment of all fees and all taxes
12 levied by Vermont or any of its subdivisions, except taxes levied on real
13 property.

14 § 4187. IMMUNITY

15 There shall be no liability on the part of and no cause of action of any
16 nature shall arise against any member insurer or its agents or employees, the
17 Association or its agents or employees, members of the Board of Directors, or
18 the Commissioner or the Commissioner's representatives for any action or
19 omission by them in the performance of their powers and duties under this
20 chapter. This immunity shall extend to the participation in any organization of
21 one or more other state associations of similar purposes and to any such

1 organization and its agents or employees.

2 § 4188. STAY OF PROCEEDINGS; REOPENING DEFAULT

3 JUDGMENTS

4 All proceedings in which the insolvent insurer is a party in any court in
5 Vermont shall be stayed 180 days from the date an order of liquidation,
6 rehabilitation, or conservation is final to permit proper legal action by the
7 Association on any matters germane to its powers or duties. As to a judgment
8 under any decision, order, verdict, or finding based on the default, the
9 Association may apply to have such judgment set aside by the same court that
10 made such judgment and shall be permitted to defend against such suit on the
11 merits.

12 § 4189. PROHIBITED ADVERTISEMENT; NOTICE TO POLICY

13 OWNERS

14 (a) No person, including a member insurer, or agent or affiliate of a
15 member insurer, shall make, publish, disseminate, circulate, or place before the
16 public, or cause directly or indirectly, to be made, published, disseminated,
17 circulated, or placed before the public, in any newspaper, magazine or other
18 publication, or in the form of a notice, circular, pamphlet, letter, or poster, or
19 over any radio station or television station, or in any other way, any
20 advertisement, announcement, or statement, written or oral, that uses the
21 existence of the Insurance Guaranty Association of Vermont for the purpose of

1 sales, solicitation, or inducement to purchase any form of insurance or other
2 coverage covered by this chapter. However, this section shall not apply to the
3 Vermont Life and Health Insurance Guaranty Association or any other entity
4 that does not sell or solicit insurance or coverage by a health maintenance
5 organization.

6 (b) Within 180 days after the effective date of this chapter, the Association
7 shall prepare a summary document describing the general purposes and current
8 limitations of this chapter and complying with subsection (c) of this section.

9 This document shall be submitted to the Commissioner for approval. At the
10 expiration of the 60th day after the date on which the Commissioner approves
11 the document, a member insurer may not deliver a policy or contract to a
12 policy owner, contract owner, certificate holder, or enrollee unless the
13 summary document is delivered to the policy owner, contract owner, certificate
14 holder, or enrollee at the time of delivery of the policy or contract. The
15 document shall also be available upon request by a policy owner, contract
16 owner, certificate holder, or enrollee. The distribution, delivery, contents, or
17 interpretation of this document does not guarantee that either the policy or the
18 contract or the policy owner, contract owner, certificate holder, or enrollee is
19 covered in the event of the impairment or insolvency of a member insurer. The
20 document shall be revised by the Association as amendments to the chapter
21 may require. Failure to receive this document does not give the policy owner,

1 contract owner, certificate holder, enrollee, or insured any greater rights than
2 those stated in this chapter.

3 (c) The document prepared under subsection (b) of this section shall
4 contain a clear and conspicuous disclaimer on its face. The Commissioner
5 shall establish the form and content of the disclaimer. The disclaimer shall:

6 (1) state the name and address of the Association and the Department of
7 Financial Regulation;

8 (2) prominently warn the policy owner, contract owner, certificate
9 holder, or enrollee that the Association may not cover the policy or contract or,
10 if coverage is available, it will be subject to substantial limitations and
11 exclusions and conditioned on continued residence in Vermont;

12 (3) state the types of policies or contracts for which guaranty funds will
13 provide coverage;

14 (4) state that the member insurer and its agents are prohibited by law
15 from using the existence of the Association for the purpose of sales,
16 solicitation, or inducement to purchase any form of insurance or health
17 maintenance organization coverage;

18 (5) state that the policy owner, contract owner, certificate holder, or
19 enrollee should not rely on coverage under the Association when selecting an
20 insurer or health maintenance organization;

21 (6) explain rights available and procedures for filing a complaint to

1 allege a violation of any provision of this chapter; and

2 (7) provide other information as directed by the Commissioner,
3 including sources for information about the financial condition of insurers,
4 provided that the information is not proprietary and is subject to disclosure
5 under Vermont's Public Records Act.

6 (d) A member insurer shall retain evidence of compliance with subsection
7 (b) of this section for so long as the policy or contract for which the notice is
8 given remains in effect.

9 § 4190. PROSPECTIVE APPLICATION

10 (a) This chapter shall apply to all matters relating to any impaired or
11 insolvent insurer for which the Association first became obligated on or after
12 July 1, 2023.

13 (b) Matters relating to any impaired or insolvent insurer for which the
14 Association first became obligated prior to July 1, 2023, shall be governed by
15 the provisions of this chapter in effect at the time the Association first became
16 obligated for such matters.

17 Sec. 10. 8 V.S.A. § 7033 is amended to read:

18 § 7033. INJUNCTIONS AND ORDERS

19 (a) A receiver appointed in a proceeding under this chapter may at any time
20 apply for, and any court of general jurisdiction may grant, restraining orders,
21 preliminary and permanent injunctions, and other orders as may be deemed

1 necessary and proper to prevent:

2 (1) the transaction of further business;

3 (2) the transfer of property;

4 (3) interference with the receiver or with a proceeding under this
5 chapter;

6 (4) waste of the insurer's assets;

7 (5) dissipation and transfer of bank accounts;

8 (6) the institution or further prosecution of any actions or proceedings;

9 (7) the obtaining of preferences, judgments, attachments, garnishments,
10 or liens against the insurer, its assets or its policyholders;

11 (8) the levying of execution against the insurer, its assets or its
12 policyholders;

13 (9) the making of any sale or deed for nonpayment of taxes or
14 assessments that would lessen the value of the assets of the insurer;

15 (10) the withholding from the receiver of books, accounts, documents,
16 or other records relating to the business of the insurer; or

17 (11) any other threatened or contemplated action that might lessen the
18 value of the insurer's assets or prejudice the rights of policyholders, creditors,
19 or shareholders, or the administration of any proceeding under this chapter.

20 (b) The receiver may apply to a court outside the State for the relief
21 described in subsection (a) of this section.

1 (c) Notwithstanding subsections (a) and (b) of this section, subsection
2 7054(a) of this title, or any other provision of this chapter to the contrary, no
3 person, for more than 10 days, shall be restrained, stayed, enjoined, or
4 prohibited from exercising or enforcing any right or cause of action under any
5 pledge, security, credit, collateral, loan, advances, reimbursement, or guarantee
6 agreement or arrangement, or any similar agreement, arrangement, or other
7 credit enhancement to which a federal home loan bank is a party.

8 (d) A federal home loan bank exercising its rights regarding collateral
9 pledged by an insurer-member shall, within seven days after receiving a
10 redemption request made by the insurer-member, repurchase any of the
11 insurer-member's outstanding capital stock in excess of the amount the
12 insurer-member must hold as a minimum investment. The federal home loan
13 bank shall repurchase the excess outstanding capital stock only to the extent
14 that it determines in good faith that the repurchase is both of the following:

15 (1) permissible under federal laws and regulations and the federal home
16 loan bank's capital plan; and

17 (2) consistent with the capital stock practices currently applicable to the
18 federal home loan bank's entire membership.

19 (e) Not later than 10 days after the date of appointment of a receiver in a
20 proceeding under this chapter involving an insurer-member of a federal home
21 loan bank, the federal home loan bank shall provide to the receiver a process

1 and timeline for the following:

2 (1) the release of any collateral held by the federal home loan bank that
3 exceeds the amount that is required to support the secured obligations of the
4 insurer-member and that is remaining after any repayment of loans, as
5 determined under the applicable agreements between the federal home loan
6 bank and the insurer-member;

7 (2) the release of any collateral of the insurer-member remaining in the
8 federal home loan bank's possession following repayment in full of all
9 outstanding secured obligations of the insurer-member;

10 (3) the payment of fees owed by the insurer-member and the operation,
11 maintenance, closure, or disposition of deposits and other accounts of the
12 insurer-member, as mutually agreed upon by the receiver and the federal home
13 loan bank; and

14 (4) any redemption or repurchase of federal home loan bank stock or
15 excess stock of any class that the insurer-member is required to own under
16 agreements between the federal home loan bank and the insurer-member.

17 (f) Upon the request of a receiver appointed in a proceeding under this
18 chapter involving a federal home loan bank insurer-member, the federal home
19 loan bank shall provide to the receiver any available options for the insurer-
20 member to renew or restructure a loan. In determining which options are
21 available, the federal home loan bank may consider market conditions, the

1 terms of any loans outstanding to the insurer-member, the applicable policies
2 of the federal home loan bank, and the federal laws and regulations applicable
3 to federal home loan banks.

4 (g) As used in this section, “federal home loan bank” means an institution
5 chartered under the “Federal Home Loan Bank Act of 1932,” 12 U.S.C. 1421,
6 et seq. and “insurer-member” means a member of the federal home loan bank
7 in question that is an insurer.

8 Sec. 11. 8 V.S.A. § 7065 is amended to read:

9 § 7065. FRAUDULENT TRANSFERS PRIOR TO PETITION

10 (a) Every transfer made or suffered and every obligation incurred by an
11 insurer within one year prior to the filing of a successful petition for
12 rehabilitation or liquidation under this chapter is fraudulent as to then existing
13 and future creditors if made or incurred without fair consideration, or with
14 actual intent to hinder, delay, or defraud either existing or future creditors. A
15 transfer made or an obligation incurred by an insurer ordered to be
16 rehabilitated or liquidated under this chapter, which is fraudulent under this
17 section, may be avoided by the receiver, except as to a person who in good
18 faith is a purchaser, lienor, or obligee, for a present fair equivalent value, and
19 except that a purchaser, lienor, or obligee, who in good faith has given a
20 consideration less than fair for such transfer, lien, or obligation, may retain the
21 property, lien, or obligation as security for repayment. The Court may, on due

1 notice, order any such transfer or obligation to be preserved for the benefit of
2 the estate, and in that event, the receiver shall succeed to and may enforce the
3 rights of the purchaser, lienor, or obligee.

4 * * *

5 (e) Notwithstanding subsection (a) of this section, section 7066 of this title,
6 or any other provision of this chapter to the contrary, no receiver or any other
7 person shall avoid any transfer of, or any obligation to transfer, money or any
8 other property arising under or in connection with any pledge, security, credit,
9 collateral, loan, advances, reimbursement, or guarantee agreement or
10 arrangement, or any similar agreement, arrangement, or other credit
11 enhancement to which a federal home loan bank, as defined in section 7033 of
12 this title, is a party, that is made, incurred, or assumed prior to or after the
13 filing of a successful petition for rehabilitation or liquidation under this
14 chapter, or otherwise would be subject to avoidance under this section or
15 section 7066 of this title; provided, however, that a transfer may be avoided
16 under this section or section 7066 of this title if the transfer was made with
17 actual intent to hinder, delay, or defraud the insurer, a receiver appointed for
18 the insurer, or existing or future creditors.

19 Sec. 12. 8 V.S.A. § 7067 is amended to read:

20 § 7067. VOIDABLE PREFERENCES AND LIENS

21 (a)(1) A preference is a transfer of any of the property of an insurer to or

1 for the benefit of a creditor, for or on account of an antecedent debt, made or
2 suffered by the insurer within one year before the filing of a successful petition
3 for liquidation under this chapter, the effect of which transfer may be to enable
4 the creditor to obtain a greater percentage of this debt than another creditor of
5 the same class would receive. If a liquidation order is entered while the insurer
6 is already subject to a rehabilitation order, then such transfers shall be deemed
7 preferences if made or suffered within one year before the filing of the
8 successful petition for rehabilitation, or within two years before the filing of
9 the successful petition for liquidation, whichever time is shorter.

10 (2) A preference may be avoided by the liquidator if:

11 (A) the insurer was insolvent at the time of the transfer of property;

12 (B) the transfer of property was made within four months before the
13 filing of the petition;

14 (C) the creditor receiving it or to be benefited by it or the creditor's
15 agent acting with reference to it had, at the time when the transfer of property
16 was made, reasonable cause to believe that the insurer was insolvent or was
17 about to become insolvent; or

18 (D) the creditor receiving transferred property was an officer, or any
19 employee or attorney or other person who was in fact in a position of
20 comparable influence in the insurer to an officer whether or not he or she held
21 such position, or any shareholder holding directly or indirectly more than five

1 per centum of any class of any equity security issued by the insurer, or any
2 other person, firm, corporation, association, or aggregation of persons with
3 whom the insurer did not deal at arm's length.

4 (3) Where the preference is voidable, the liquidator may recover the
5 property or, if it has been converted, its value from any person who has
6 received or converted the property; except where a bona fide purchaser or
7 lienor has given less than fair equivalent value, ~~he or she~~ the purchaser or
8 lienor shall have a lien upon the property to the extent of the consideration
9 actually given by ~~him or her~~ the purchaser or lienor. Where a preference by
10 way of lien or security title is voidable, the court may on due notice order the
11 lien or title to be preserved for the benefit of the estate, in which event the lien
12 or title shall pass to the liquidator.

13 (4) Notwithstanding subdivision (2) of this section, or any other
14 provision of this chapter to the contrary, no receiver or any other person shall
15 avoid any preference arising under or in connection with any pledge, security,
16 credit, collateral, loan, advances, reimbursement, or guarantee agreement or
17 arrangement, or any similar agreement, arrangement, or other credit
18 enhancement to which a federal home loan bank, as defined in section 7033 of
19 this title, is a party.

1 Sec. 12a. STUDY; AUTOMOBILE INSURANCE; LABOR RATES; USE
2 OF AFTERMARKET PARTS; BUSINESS PRACTICES

3 (a) In order to ensure that the business practices of automobile insurance
4 companies in Vermont are fair and reasonable, the Commissioner of Financial
5 Regulation shall conduct a study of labor rates, the use of aftermarket parts,
6 market conditions, and other business practices identified in this section. The
7 Commissioner shall investigate and make findings and recommendations
8 regarding the following:

9 (1) The average hourly labor rates charged by auto body shops in
10 Vermont on both a statewide and a regional basis; the rates charged in other
11 jurisdictions, including the regions of New York, Massachusetts, and New
12 Hampshire that share a border with Vermont; and the rates paid by automobile
13 insurance companies for repair work in Vermont. In addition, the
14 Commissioner shall consult with the Economic & Labor Market Information
15 Division within the Department of Labor to obtain, as a reference, hourly wage
16 data for auto body and related repairers. The Commissioner shall also take
17 into consideration other forms of insurance labor reimbursement including flat
18 rates for repair work, as well as the factors used by auto body shops and
19 insurance companies to arrive at labor repair rates. Based on this data, the
20 Commissioner shall recommend whether Vermont should establish a minimum
21 labor reimbursement rate for both first- and third-party automobile insurance

1 claims and, if so, what that rate should be and how it should be adjusted to
2 reflect market changes such as inflation.

3 (2) Whether the appraisal practices of automobile insurance companies
4 and independent appraisers equally consider the interests of insurance
5 companies, auto body shops, and consumers.

6 (3) The extent to which an automobile insurance company controls or
7 influences repair work done at an auto body shop chosen by the consumer and
8 how any such control or influence should affect the liability of the insurance
9 company, particularly regarding the quality and safety of the repair work.

10 (4) The use of direct repair programs, generally, and their impact on
11 both the automobile repair industry and consumers.

12 (5) The disclosures made to a consumer by an insurance company, both
13 at the point of sale and upon the submission of a claim, as well as the existing
14 consumer information developed and maintained by the Department of
15 Financial Regulation and whether and to what extent additional disclosures are
16 necessary to ensure a consumer is adequately informed of their potential
17 financial exposure under a policy, including with regard to any labor rate
18 differential, material rate differential, hour differential, and rental differential
19 for loss of use.

20 (6) Whether Insurance Regulation I-79-2 (revised) should be updated to
21 reflect market changes or business practices that may impede the prompt, fair,

1 and equitable settlement of claims in which liability has become reasonably
2 clear. In particular, the Commissioner shall review Section 8 of the regulation,
3 which concerns standards for the settlements of property and physical damage
4 claims, and further clarify the independence of the appraisals under subdivision
5 (A)(1); the ability of an insurer to negotiate with a repairer under subdivision
6 (A)(2); and the ability of an insurer to insist that repairs be done by a specific
7 repairer under subdivision (A)(3). If the Commissioner determines revisions to
8 the regulation are necessary, the Commissioner shall initiate a rulemaking to
9 effectuate those revisions.

10 (7) The betterment practices of insurance companies and whether the
11 valuation methods employed are legitimate and fair to consumers.

12 (8) The use of aftermarket or recycled parts in automobile repairs,
13 including their potential cost savings, and whether aftermarket parts, in
14 particular, should be certified and whether and to what extent an insurer should
15 be liable for incidental costs related to the use of aftermarket or recycled parts,
16 such as for any necessary modifications, and the notification that should be
17 provided to a consumer regarding the use of aftermarket or recycled parts in a
18 repair.

19 (9) The number and nature of complaints received by the Department of
20 Financial Regulation with respect to automobile insurance policies. In
21 addition, the Commissioner shall request and the Attorney General shall

1 provide the number and nature of any such complaints received by the
2 Consumer Assistance Program, as well as the number and nature of any
3 complaints regarding repair work by auto body shops.

4 (10) Any other acts or practices or market conditions related to
5 insurance coverage for automobile repairs and whether any additional
6 regulatory measures are necessary to prevent anticompetitive behavior and
7 ensure the interests of all parties, especially consumers, are adequately
8 protected.

9 (11) How the costs of auto repairs contribute to the price and availability
10 of automobile insurance in Vermont and whether the establishment of a
11 minimum labor rate and all other findings and recommendations made by the
12 Commissioner pursuant to this section could impact the price and availability
13 of automobile insurance in Vermont.

14 (b) The Commissioner shall establish a process for soliciting and receiving
15 input regarding the matters addressed in this section from stakeholders,
16 including insurance companies, consumers, auto body shops, and any other
17 persons deemed appropriate by the Commissioner.

18 (c) The Commissioner of Financial Regulation shall submit a final report
19 that includes the Commissioner's finding and recommendations under this
20 section to the House Committee on Commerce and Economic Development
21 and the Senate Committees on Finance and on Judiciary on or before

1 November 15, 2024 and shall submit an interim progress report to the same
2 legislative committees on or before January 15, 2024.

3 Sec. 13. EFFECTIVE DATE

4 This act shall take effect on July 1, 2023.
