21 individualized education program or a plan under Section 504 of the

1 Rehabilitation Act of 1973, 29 U.S.C. § 794, and who are enrolled pursuant to
2 a written agreement between the local education agency and the school.

4 at minimum require that the school have the resources required to meet its
5 stated objectives, including financial capacity, faculty who are qualified by
6 training and experience in the areas in which they are assigned, and physical
7 facilities and special services that are in accordance with any State or federal
8 law or regulation. Approval may be granted without State Board evaluation in
9 the case of any school accredited by a private, State, or regional agency
10 recognized by the State Board for accrediting purposes, provided that the State
11 Board shall determine that the school complies with all student enrollment
12 provisions required by law.
