§ 341. DEFINITIONS

* * *

(3) "Privatization contract" means a contract or grant for services valued at \$25,000.00 or more per year, which is the same or substantially similar to and in lieu of services previously provided, in whole or in part, by permanent, classified State employees, ~~and which results in a reduction in force of at least one permanent, classified employee, or the elimination of a vacant position of an employee covered by a collective bargaining agreement.~~

* * *

Sec. 2. 3 V.S.A. §§ 342 and 343 are amended to read:

§ 342. CONTRACTING STANDARDS; CONTRACTS FOR SERVICES

Each contract for services valued at \$25,000.00 or more per year shall require certification by the Office of the Attorney General to the Secretary of Administration that such contract for services is not contrary to the ~~spirit and~~ intent of the classification plan and merit system and standards of this title. A contract for services is contrary to the ~~spirit and~~ intent of the classification plan and merit system and standards of this title, and shall not be certified by the Office of the Attorney General as provided in this section, unless the provisions of subdivisions (1), (2), and (3) of this section are met, or one or more of the exceptions described in subdivision (4) of this section apply.

(1) The agency will not exercise supervision over the daily activities or methods and means by which the contractor provides services other than supervision necessary to ensure that the contractor meets performance expectations and standards; and

(2) The services provided are not the same as those provided by classified State employees within the agency; and

(3) The contractor customarily engages in an independently established trade, occupation, profession, or business; or

(4) Any of the following apply:

(A) The services are not available within the agency or are of such a highly specialized or technical nature that the necessary knowledge, skills, or expertise is not available within the agency.

(B) The services are incidental to a contract for purchase or lease of real or personal property.

(C) There is a demonstrated need for an independent audit, review, or investigation; or independent management of a facility is needed as a result of, or in response to, an emergency such as licensure loss or criminal activity.

(D) The State is not able to provide equipment, materials, facilities, or support services in the location where the services are to be performed in a cost-effective manner.

(E) The contract is for professional services, such as legal, engineering, or architectural services, that are typically rendered on a case-by-case or project-by-project basis, and the services are for a period limited to the duration of the project, normally not to exceed two years or provided on an intermittent basis for the duration of the contract.

(F) The need for services is urgent, temporary, or occasional, such that the time necessary to hire and train employees would render obtaining the services from State employees imprudent. Such contract shall be limited to 90 days' duration, with any extension subject to review and approval by the Secretary of Administration.

(G) Contracts for the type of services covered by the contract are specifically authorized by law.

(H) Efforts to recruit State employees to perform work, authorized by law, have failed in that no applicant meeting the minimum qualifications has applied for the job.

(I) The cost of obtaining the services by contract is lower than the cost of obtaining the same services by utilizing State employees. When comparing costs, the provisions of section 343 of this title shall apply.

This statement shall be provided to the collective bargaining representative, the Agency of Administration, and be posted where it is viewable to the public. This statement shall be subject to 1 V.S.A. chapter 5, subchapter 3 (Public Records Act).

(4) a provision that the agency shall not amend any privatization contract if the amendment has the purpose or effect of voiding any requirement of this section;

(5) a provision requiring the contractor to comply with a policy of nondiscrimination and equal opportunity for all persons and to take affirmative steps to provide such equal opportunity for all persons;

(6) a provision granting all employees employed under the contract just cause employment protection; and

(7) a provision requiring the contractor to comply with a policy of whistleblower protection equal to those defined in sections 971–978 of this title.

§ 597. THE CLIMATE SUPERFUND COST RECOVERY PROGRAM

There is hereby established the Climate Superfund Cost Recovery Program administered by the Climate Action Office of the Agency of Natural Resources. The purposes of the Program shall be all of the following:

(1) to secure compensatory payments from responsible parties based on a standard of strict liability to provide a source of revenue for climate change adaptation projects within the State;

(2) to determine proportional liability of responsible parties;

(3) to impose cost recovery demands on responsible parties and issue notices of cost recovery demands;

(4) to accept and collect payment from responsible parties;

(5) to develop, adopt, implement, and update the Strategy that will identify and prioritize climate change adaptation projects; and

(6) to disperse funds to implement climate change adaptation projects identified in the Strategy.

§ 598. LIABILITY OF RESPONSIBLE PARTIES

(a)(1) A responsible party shall be strictly liable for a share of the costs of climate change adaptation projects and all qualifying expenditures supported by the Fund.

(2) For purposes of this section, entities in a controlled group:

(A) shall be treated by the Agency as a single entity for the purposes of identifying responsible parties; and

(B) are jointly and severally liable for payment of any cost recovery demand owed by any entity in the controlled group.

(b) With respect to each responsible party, the cost recovery demand shall be equal to an amount that bears the same ratio to the cost to the State of Vermont and its residents, as calculated by the State Treasurer pursuant to section 599c of this title, from the emission of covered greenhouse gases during the covered period as the responsible party's applicable share of covered greenhouse gas emissions bears to the aggregate applicable shares of covered greenhouse gas emissions resulting from the use of fossil fuels extracted or refined during the covered period.

(c) If a responsible party owns a minority interest of 10 percent or more in another entity, the responsible party's applicable share of covered greenhouse gas emissions shall be increased by the applicable share of covered greenhouse

gas emissions for the entity in which the responsible party holds a minority interest multiplied by the percentage of the minority interest held by the responsible party.

(d) The Agency shall use the U.S. Environmental Protection Agency's Emissions Factors for Greenhouse Gas Inventories as applied to the best publicly available fossil fuel volume data for the purpose of determining the amount of covered greenhouse gas emissions attributable to any entity from the fossil fuels attributable to the entity.

(e) The Agency may adjust the cost recovery demand amount of a responsible party who refined petroleum products or who is a successor in interest to an entity that refines petroleum products if the responsible party establishes to the satisfaction of the Agency that:

(1) a portion of the cost recovery demand amount was attributable to the refining of crude oil extracted by another responsible party; and

(2) the crude oil extracted by the other entity was accounted for when the Agency determined the cost recovery demand amount for the other entity of a successor in interest of the other entity.

(f) The Agency shall issue the cost recovery demands required under this section not later than six months following the adoption of the rules required under subdivision 599a(b)(2) of this title.

(g)(1) Except as provided in subdivision (2) of this subsection, a responsible party shall pay the cost recovery demand amount in full not later than six months following the Secretary's issuance of the cost recovery demand.

(B) The first installment shall be paid not later than six months following the Secretary's issuance of the cost recovery demand and shall be equal to 20 percent of the total cost recovery demand amount.

(C) Each subsequent installment shall be paid one year from the initial payment each subsequent year and shall be equal to 10 percent of the total cost recovery demand amount. The Secretary, at the Secretary's discretion, may adjust the amount of a subsequent installment payment to reflect increases or decreases in the Consumer Price Index.

(D)(i) The unpaid balance of all remaining installments shall become due immediately if:

(I) the responsible party fails to pay any installment in a timely manner, as specified in Agency rules;

(II) except as provided in subdivision (ii) of this subdivision (g)(2)(D), there is a liquidation or sale of substantially all the assets of the responsible party; or

(III) the responsible party ceases to do business.

(ii) In the case of a sale of substantially all the assets of a responsible party, the remaining installments shall not become due immediately if the buyer enters into an agreement with the Agency under which the buyer assumes liability for the remaining installments due under this subdivision (2) in the same manner as if the buyer were the responsible party.
