(B) if the screening indicates that therapy is needed, after the ~~person~~ individual has satisfactorily completed or shown substantial progress in completing a therapy program at the ~~person's~~ individual's own expense agreed to by the ~~person~~ individual and the Driver Rehabilitation Program Director;

(C) if the ~~person~~ individual elects to operate under an ignition interlock RDL or ignition interlock certificate, after the ~~person~~ individual operates under the RDL or certificate for the applicable period set forth in subsection 1205(a) or section 1206 of this title, plus any extension of this period arising from a violation of section 1213 of this title; and

(D) if the ~~person~~ individual has no pending criminal charges, civil citations, or unpaid fines or penalties for a violation under this chapter.

(2) In the case of a second suspension, a license or privilege to operate shall not be reinstated until:

(A) the ~~person~~ individual has successfully completed an alcohol and driving rehabilitation program;

(B) the ~~person~~ individual has completed or shown substantial progress in completing a therapy program at the ~~person's~~ individual's own expense agreed to by the ~~person~~ individual and the Driver Rehabilitation Program Director;

(D) the ~~person~~ individual has no pending criminal charges, civil citations, or unpaid fines or penalties for a violation under this chapter.

(4) The Commissioner shall waive a requirement under subdivision (2) of this subsection or subsection (b) of this section that a ~~person~~ an individual operate under an ignition interlock RDL or certificate prior to eligibility for reinstatement if:

(A) the ~~person~~ individual furnishes sufficient proof as prescribed by the Commissioner that ~~he or she~~ the individual is incapable of using an ignition interlock device because of a medical condition that will persist permanently or at least for the term of the suspension or, in the case of suspensions or revocations for life, for a period of at least three years; or

(B) the underlying offenses arose solely from being under the influence of a drug other than alcohol.

(b) Total Abstinence Program.

(1) As used in this subsection:

(A) “Drug” means:

(i) a regulated drug, as defined in 18 V.S.A. § 4201, that is used in any way other than as prescribed for a legitimate medical use in conformity with instructions from the prescriber; or

(ii) any substance or combination of substances, other than alcohol or a regulated drug, that potentially affects the nervous system, brain, or muscles of an individual so as to impair an individual's ability to drive a vehicle safely to the slightest degree.

(B) “Total abstinence” means refraining from consuming any amount of alcohol or drugs at any time, regardless of whether the alcohol or drugs are consumed by an individual when attempting to operate, operating, or in actual physical control of a vehicle.

(2)(A) Notwithstanding any other provision of this subchapter, a ~~person~~ an individual whose license or privilege to operate has been suspended or revoked for life under this subchapter may apply to the Commissioner for reinstatement of ~~his or her~~ the individual's driving privilege if the individual

satisfies the requirements set forth in subdivision (3) of this subsection (b). The person shall have completed three years of total abstinence from consumption of alcohol and nonprescription regulated drugs. The use of a regulated drug in accordance with a valid prescription shall not disqualify an applicant for reinstatement of his or her driving privileges unless the applicant used the regulated drug in a manner inconsistent with the prescription label.

(B) The beginning date for the period of total abstinence shall be not earlier than the effective date of the suspension or revocation from which the ~~person~~ individual is requesting reinstatement and shall not include any period during which the ~~person~~ individual is serving a sentence of incarceration to include furlough. The application shall include the applicant's authorization for a urinalysis examination, or another examination if it is approved as a preliminary screening test under this subchapter, to be conducted prior to reinstatement under this subdivision (2). The application to the Commissioner shall be accompanied by a fee of \$500.00. The Commissioner shall have the discretion to waive the application fee if the Commissioner determines that payment of the fee would present a hardship to the applicant.

~~(2)~~(3) If the Commissioner or a medical review board convened by the Commissioner is satisfied by a preponderance of the evidence that the applicant has ~~abstained for the required number of years~~ maintained total abstinence for the three years immediately preceding the application, has successfully completed a therapy program as required under this section, and has operated under a valid ignition interlock RDL or under an ignition interlock certificate for at least three years following the suspension or revocation, and the ~~person~~ applicant provides a written acknowledgment that ~~he or she cannot drink any amount of alcohol at all and cannot consume nonprescription regulated drugs under any circumstances~~ the applicant must maintain total abstinence at all times while participating in the Total Abstinence Program, the ~~person's~~ applicant's license or privilege to operate shall be reinstated immediately, subject to the condition that the ~~person's~~ applicant's suspension or revocation will be put back in effect in the event any further investigation reveals a ~~return to the consumption of alcohol or drugs~~ failure to maintain total abstinence and to ~~such~~ any additional conditions as the Commissioner may impose to advance the public interest in public safety. The requirement to operate under an ignition interlock RDL or ignition interlock certificate shall not apply if the ~~person~~ applicant is exempt under subdivision (a)(4) of this section.

(3)(4) If after notice and an opportunity for a hearing the Commissioner later finds that the ~~person~~ individual was violating the conditions of the ~~person's~~ individual's reinstatement under this subsection, the ~~person's~~ individual's

individual's operating license or privilege to operate shall be immediately suspended or revoked for life.

~~(4)~~(5) If the Commissioner finds that ~~a person~~ an individual reinstated under this subsection is suspended pursuant to section 1205 of this title or is convicted of a violation of section 1201 of this title subsequent to reinstatement under this subsection, the ~~person~~ individual shall be conclusively presumed to be in violation of the conditions of ~~his or her~~ the reinstatement.

~~(5)~~(6) ~~A person~~ An individual shall be eligible for reinstatement under this subsection only once following a suspension or revocation for life.

~~(6)~~(7)(A) If an applicant for reinstatement under this subsection (b) resides in a jurisdiction other than Vermont, the Commissioner may elect not to conduct an investigation. If the Commissioner elects not to conduct an investigation, ~~he or she~~ the Commissioner shall provide a letter to the applicant's jurisdiction of residence stating that Vermont does not object to the jurisdiction issuing the applicant a license if the applicant is required to operate only vehicles equipped with an ignition interlock device for at least a three-year period, unless exempt under subdivision (a)(4) of this section, and is required to complete any alcohol rehabilitation or treatment requirements of the licensing jurisdiction.

(B) If the applicant's jurisdiction of residence is prepared to issue or has issued a license in accordance with subdivision (A) of this subdivision (6) and the applicant satisfies the requirements of section 675 of this title, the Commissioner shall update relevant State and federal databases to reflect that the applicant's lifetime suspension or revocation in Vermont under chapter 13, subchapter 13 of this title has terminated.

(c) Screening and therapy programs. In the case of a second or subsequent suspension, the Commissioner shall notify the ~~person that he or she is required~~ individual of the requirement to enroll in the alcohol and driving education screening and therapy program provided for in this section within 30 days ~~of~~ after license suspension. If the ~~person~~ individual fails to enroll or fails to remain so enrolled until completion, the Drinking Driver Rehabilitation Program shall report such failure to the sentencing court. The court may order the ~~person~~ individual to appear and show cause why ~~he or she~~ the individual failed to comply.

(d) Judicial review. ~~A person~~ An individual aggrieved by a decision of a designated counselor under this section may seek review of that decision pursuant to Rule 75 of the Vermont Rules of Civil Procedure.

* * * Implementation of DMV Modernization Project; Driver Services * * *

Sec. 41. IMPLEMENTATION OF DEPARTMENT OF MOTOR VEHICLES
MODERNIZATION PROJECT; GENERAL ASSEMBLY
OVERSIGHT

(a) Findings. The General Assembly finds that:

(1) The Department of Motor Vehicles provides services to almost all Vermonters, including, in fiscal year 2022, engaging in more than a million transactions, with almost half of all transactions being conducted online.

(2) The Department is in the middle of the DMV Core System Modernization project, with an estimated launch date for the vehicle services module in November 2023 and with the driver services module expected to launch approximately 18 months after it commences in February 2024.

(3) As part of its design and implementation of the vehicle services module, the Department has discovered that one of the barriers to modernizing Department operations is certain outdated statutes. In order to best modernize and optimize Department processes for the future during the months-long module design and development process, the Commissioner of Motor Vehicles has had to make business decisions based on the needs of the Department to modernize processes to best meet the needs of Vermonters. These business decisions will, upon future implementation, conflict with statute if certain statutes are not amended through the legislative process.

(4) The driver services module of the DMV Core System Modernization project will design and implement processes to issue and maintain driver's licenses and other credentials; support fraud detection and investigation; administer hearings; and administer, manage, and report driver restrictions, convictions, and other information related to driver improvement.

(5) Driver services processes are regulated by statute in 23 V.S.A. chapters 1, 3, 5, 9, 11, 24, 25, and 39, as well as more than 15 rules adopted

pursuant to authority under Title 23.

(6) It is anticipated that in designing and implementing the driver services module, the Commissioner will, in order to modernize and optimize Department processes to best serve Vermonters, need to make additional business decisions that will, upon future implementation, conflict with statute if certain statutes are not amended through the legislative process.

(7) Of the modernization projects in which the State is currently engaged, the DMV Core System Modernization Project will likely have the most significant impact on existing statutory language, but it is anticipated that other modernization projects, such as the one that the Department of Labor will undertake related to unemployment insurance, will raise similar tensions between promoting efficiencies as part of modernization and contending with outdated statutory provisions.

(8) A collaborative partnership between the Department and the General Assembly throughout the driver services module, monitored during legislative adjournment by the Joint Transportation Oversight Committee, the Joint Fiscal Committee, and members of the House and Senate Committees on Transportation, provides the best opportunity to save money, promote transparency, streamline the process of amending statute to optimize potential efficiencies for Vermonters, and serve as a model for collaboration between branches of State government in future modernization projects.

(b) Reports.

(1) The Commissioner of Motor Vehicles shall file three written reports on the design and implementation of the driver services module of the DMV Core System Modernization project with the Joint Transportation Oversight Committee, the Joint Fiscal Committee, and the House and Senate Committees on Transportation. The first shall be due on or before July 31, 2024, the second shall be due on or before October 15, 2024, and the third shall be due on or before January 15, 2025.

(2) To the extent practicable, at the time each written report is filed, the Department shall include recommendations on which provisions of statute and rule the Department anticipates will need to be amended or repealed in order to best modernize and optimize Department processes related to the provision of driver services.

(c) General Assembly oversight. To the extent practicable, the Joint Transportation Oversight Committee, the Joint Fiscal Committee, and the House and Senate Committees on Transportation shall promptly express any concerns to the Department regarding any Department recommendations contained in any written report filed pursuant to subsection (b) of this section.

(a) The Commissioner of Motor Vehicles, in consultation with the Commissioner of Public Safety and the Vermont League of Cities and Towns, shall study and report on current and potential enforcement practices around excessive motor vehicle noise and make recommendations on ways to limit excessive motor vehicle noise in Vermont.

(b) The study and report shall, at a minimum, address:

(1) if there should be a noise standard in statute or the Periodic Inspection Manual, or both, and, if so, what that standard should be;

(2) costs to incorporate noise testing into the State motor vehicle inspection required under 23 V.S.A. § 1222 and the State's Periodic Inspection Manual;

(3) costs to train law enforcement officers on noise testing;

(4) possible options to address excessive motor vehicle noise that do not involve noise testing such as visual inspections for modifications to a motor vehicle's exhaust system, whether as part of enforcement of the State motor vehicle inspection, and labeling on one or more components of a motor vehicle's exhaust system; and

(5) approaches to minimize excessive motor vehicle noise that have been taken in other states, including increased enforcement by law enforcement coupled with an objective noise standard defense.

(c) On or before January 1, 2025, the Commissioner of Motor Vehicles shall submit a written report to the House and Senate Committees on Judiciary and on Transportation with the Commissioner's findings and any recommendations for legislative action.
