Secretary of State Funding Sources

SPECIAL FUNDS:

- 1) **21928 – SOS Service Fund:** This fund is composed primarily of Corporation fees. Pays 100% of the salary and benefits for 5 positions in Business Services; 6 positions in Elections; 19 positions in VSARA; and 53% of Executive and Administrative Services staff and Administration

FY25 Budget Pressures - The estimated FY25 budget is \$8,859,785. This increase of \$821,254 is due to:

- Salary and benefit contractual increases;
- Increased spending for the replacement of the existing Corporations and Elections systems; and,
- Ongoing costs of universal vote by mail.

- 2) **21150 – OPR Fund:** This fund is composed of licensure fees. Per statute, cannot be used for costs outside of professional licensing. Funds 41 FTE's of OPR Division and 47% of Executive & Division of Administrative Services staff and administration.

FY25 Budget Pressures - The estimated FY25 budget is \$7,555,906. This is a decrease from the FY24 budget of \$635,374 which is due to a reduction of Administrative time and IT costs; however, we still have budget pressures including:

- Salary and benefit contractual increases;
- IT project that is currently post-implementation and in the maintenance phase;
- Implementation of new programs; and,
- Compacts that reduce the number of professionals licensed in Vermont

Secretary of State Funding Sources, continued

ELECTION-RELATED FEDERAL FUNDS: These grants have been used to support the Elections Division's work. We are hopeful the grants will be re-authorized; however, that is not a guarantee. We will continue to look for fund availability and support it on the Federal level.

HAVA EAC Funds – Per Federal law to be used for specific costs related to federal elections and security.

- Spend-down on a large portion of the remaining grants will occur in FY'24 for election system upgrades.
- Match requirements for these grants have been met.

1) Title II Sec. 251 – original grant of \$12.9M, the principal balance has been spent, interest earned only with a balance of \$2.75M:

- Planning for state/municipal election needs. The totality of this remaining balance will be required for the system upgrade.
- Annual operating & and maintenance costs on our comprehensive election management system, including our statewide voter checklist, candidate management, and election results processing and reporting systems.
- Continued cyber security upgrades to the system including enhanced “two-factor authorization” login process for the statewide voter checklist and election management system; and
- This grant continues to fund the procurement of tabulator machines, per 17 V.S.A. § 2491.
- This grant funds new costs associated with the implementation of the statewide ballot mailing for all general elections, beginning with the 2022 General Election, and will partially fund those costs again in the 2024 General Election per 17 V.S.A. § 2537a. (We use GF for ballot printing and this grant for envelope printing and postage)

Secretary of State Funding Sources, continued

2) Security Grant of \$8,000,000 with \$5.8M grant funds remaining – including interest earned.

- Funded post-election audit of all general elections since 2018, and will fund the post-election audit for the 2024 General Election;
- Ongoing penetration testing;
- Implemented two-factor authentication for all state and local users of the Vermont Election Management System;
- Produced and distributed an informational laminated poster on the accessible voting system for clerks to hang in their polling places;
- Accessible voting system training regionally to municipal officials; and
- Ongoing secure the human online cyber-security webinars for town and city clerks.
- This grant continues to fund the procurement of secure ballot drop boxes, per 17 V.S.A. § 2543a.

DOD Electronic Absentee Systems for Elections Grant of \$645,656 with \$447,850 grant funds remaining. This is the newest grant (Summer 2023) for our elections work.

- Security Grant provides 100% funding of Voter Accessibility Project, federally mandated;
 - Saving the state money versus the previous old antiquated analog system.
- This grant funds the State's online portal that allows military and overseas voters to request and receive an absentee ballot promptly, as required by the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)

General Fund Allocation Requests FY2025

Elections Standard Allocation:

- We have received \$450,000 historically.
- For the 2022 Election Year, we received \$600,000.
- Universal vote by mail costs our state approximately \$1.3 Million.
- We have previously off-set the cost with the Federal grant monies; however, those funds are being spent on the new IT system
- We request that our Elections GF allocation be increased

Total Elections Ask: \$800K

OPR New Programs and Compact Off-Sets

- The OPR budget is running at a deficit – projected \$1.4M in FY25
- H.247 OT compact –\$10K ask for IT modifications, this will not off-set our revenue loss (\$17K-30K)
- H.543 Social Work Compact – \$10K ask for IT modifications, this will not off-set our revenue loss (\$40K-100K)
- H.847 Peer Support – \$25K ask for implementation
- S.109 Doulas Sunrise – \$15K

Total OPR Ask: \$60K and the creation of a structural reform study group for OPR.

Creation of 3 New Positions

We are asking for the creation of three new positions in SOS in the budget bill.

- A dedicated Communications person – with increased scrutiny on elections and other aspects of our work this is becoming a necessity.
- A Financial Administrator II position for our budget team – this will help with workload and audit processes.
- An IT position - to help us manage our 4 active projects and migration to SharePoint.
