MISSION STATEMENT

Programs within Court Diversion share a common goal of diverting offenders out of the standard judicial system to community-based providers where they are held accountable, respond to the needs of victims, and address underlying reasons for their actions. The programs are Court Diversion, Youth Substance Awareness Safety Program (YSASP), and the DLS (Driver License Suspension) Program.

Pretrial Services’ goal is to address defendants’ substance use and mental health treatment needs and thereby limit future adverse involvement with the criminal justice system. Pretrial Services encompass risk assessment and needs screening, court-ordered pretrial services, and the Tamarack Program.

Funding Requested in Addition to Governor's Recommend

\$296,700 GF Base Funding – Requested in addition to the Governor's Recommend, to address caseload & staffing pressures.

A multi-year analysis of grantees' statewide staffing and caseload pressures identified four grantees whose staff carry a significantly higher caseload than current staffing levels support. Additional staffing is needed in these counties to bring caseloads closer to the average of 110 new referrals per FTE during a fiscal year. The analysis is based on referral data from fiscal years 2020, 2022, and 2023.

Counties Served	Excess Caseload	FTE Need	Salary & Benefits	20% Indirect	Total
Chittenden	60	1	\$ 88,900	\$ 17,780	\$ 106,680
Franklin/Grand Isle	67	1	\$ 60,760	\$ 12,150	\$ 72,910
Lamoille	42	0.5	\$ 31,440	\$ 6,290	\$ 37,730
Washington	66	1	\$ 66,150	\$ 13,230	\$ 79,380
Total		3.5	\$247,250	\$49,450	\$296,700

Thank you The \$54,000 Court Diversion base budget increase in FY 2024, eliminating the fees in both DLS and Family Division, has been well received and appreciated by both program staff and participants!

Respectfully: Attorney General Clark
