

Hello

My name is Shelby Hawks and I live in White River Junction. I am the recipient of post permanency services from easterseals Vermont.

Please increase base funding for Post Permanency Services Programs by \$300,000.

My husband and I adopted 4 children. Two of them are still minors. We would not have taken on this challenge if we had not had the ability to access post permanency services. They remind us of the things we need to do to make our adoptive family strong and help us navigate other services that are required to make us successful.

Again, please increase base funding for Post Permanency Services Programs by \$300,000.

Thank you for your consideration.

Shelby Hawks
