Hello, Chair Marcotte,

Thank you for taking the time to speak with Chris Curtis, Consumer Assistance Program Director, this afternoon about S.48. Chris, Attorney General Clark, and I have been in touch, and we stand ready to assist in educating consumers and assisting with law enforcement inquiries related to the proposed record and retention requirements identified in S.48. If there is anything else that we can do to be helpful to you or the Committee, please let me know.

Best,

Lauren
