

January 24, 2023

Chair Sheldon and Members of the Committee on Environment and Energy,

On behalf of sellers and installers of propane tanks, we respectfully request that the committee amend H.67 as follows:

(5) "Gas cylinder" means any nonrefillable or ~~refillable~~ cylinder and its contents supplied to a consumer for personal, family, or household use.

(ii) the product is a nonrefillable gas cylinder;

Thank you for your consideration,

Matt Cota
