## FY24 Governor Recommend Budget – Sections for Review by the House Committee on Environment and Energy

Please see the introductory memo from Chair Lanpher for additional guidance for feedback. The B section budget information below does not include specific details yet as House Appropriations has not yet received the budget documents from the respective organizations. However, the B sections are not anticipated to contain funding associated with policy proposals.

| Section   | Agency/Dept | Appropriation        | Proposal | Amount (all funds) | E&E Position (leave blank if support) | Priority (high, medium, low) | Notes |  |
|---|-------------|----------------------|----------|--------------------|---------------------------------------|------------------------------|-------|--|
| Other Feedback (including other legislation requested with appropriations): |             |                      |          |                    |                                       |                              |       |  |
|   |             |                      |          |                    |                                       |                              |       |  |
|   |             |                      |          |                    |                                       |                              |       |  |
|   |             |                      |          |                    |                                       |                              |       |  |
| <b>\$ Sections:</b>   |             |                      |          |                    |                                       |                              |       |  |
