2022 MOBILE HOME PARK REGISTRY LIST  
2022 MOBILE HOME PARK DETAIL REPORT

This report was previously required by statute to be submitted to the housing committees of the Vermont General Assembly every three years. The Department of Housing & Community Development (DHCD) has continued writing it on the same schedule in case it can help identify emerging trends or issues in mobile homes and mobile home parks that may need to be addressed through legislation. We also hope this report is viewed as a valuable tool for the mobile home park and manufactured housing industry, advocates, consumers, and policy makers.

## Introduction

Vermont law defines a mobile home park as any property that has more than two mobile homes or mobile home lots with limited exceptions for farm worker (“agricultural”) housing and seasonal or vacation homes. Under Vermont law, the terms “mobile home” and “manufactured home” are used interchangeably. Manufactured home is generally preferred, however, we use mobile home because that is the term used in Vermont law. The term “trailer” is no longer used to describe this kind of housing. (“Manufactured Housing” means a home built under the U.S. Department of Housing and Urban Development’s (HUD) manufactured housing code since 1976.)

Mobile homes make up more than 6% of all housing units in the state, which is roughly the same as the national average. About one-third of these are in Vermont’s 238 registered mobile home parks and the other two-thirds are on owned or rented land outside a park. As such, mobile home parks are an important source of affordable housing in Vermont.

Although pre-existing mobile home parks are given some protection under the state’s land use and zoning laws<sup>1</sup>, the number of parks and lots has decreased over time due to park or lot closures. In 2022, there were six fewer registered parks with 82 fewer total lots than in 2013. (From 2004 to 2013 there were 10 fewer parks with 132 fewer total lots.)

Vermont’s mobile home park residents are also given protection under the law<sup>2</sup>. The main rights protecting residents are the right to consider buying the park if it comes up for sale, the right to mediation of certain lot rent increases, and the warranty of habitability contained in the statute. The DHCD’s Housing Division Rules for the Warranty of Habitability lay out the responsibilities of owners and residents for maintenance and upkeep.

Act 8 of 2015 gave the DHCD enforcement authority for alleged violations of the mobile home park law by park owners, including authority to impose administrative penalties, and to refer violations to the Attorney General or

State's Attorney. To implement this authority, the DHCD amended its Housing Division Rules and developed a schedule of penalties based on the severity, duration, and number of residents affected, up to \$5,000 per violation. To date, the DHCD has investigated 34 complaints and issued one notice of alleged violation (NOAV). The types of complaints have included damage from trees, park roads not being maintained, drainage and lot issues, snow plowing, water outages, and general park conditions. The notice of alleged violation related to a water outage. Some complaints have involved more than one issue.

"Act 252" encoded the right of mobile home owners in parks to consider buying a park that comes up for sale and was enacted to ensure that mobile home parks remained an affordable homeownership option. Since it was passed in 1988, 60 parks have been purchased by nonprofit housing organizations and resident owned cooperatives following a Notice of Intent to Sell. Now, twenty-eight percent of Vermont's mobile home parks are owned by nonprofits and cooperatives and contain nearly half of Vermont's total number mobile home park lots.

Increasingly, residents are choosing to buy their mobile home park as a Resident Owned Community, or "ROC". Since 2011, 20 mobile home parks have converted to ROC's with assistance from the New England Resident Owned Communities<sup>3</sup> (NEROC) program of the Cooperative Development Institute (CDI) of Massachusetts.

## **Manufactured Home Improvement and Repair Program**

Section 3 of Act 182 of 2022, An act relating to expanding access to safe and affordable housing, created the framework and appropriation for a Manufactured Home Improvement and Repair Program (MHIR).<sup>6</sup>

Under this framework, the DHCD has set up a program to support mobile home parks and offers financial assistance to mobile home owners, prospective mobile home owners, and mobile home park owners, to assist with their recovery from the impacts of the Covid-19 pandemic and is scheduled to launch in early February 2023.

The DHCD is partnering with the Vermont State Housing Authority (VSHA) to administer the MHIR program, and is offering assistance<sup>7</sup> in three areas:

- \$2,500,000 for community small-scale capital improvements to infill vacant or abandoned mobile home park lots
- \$750,000 for home repair financial assistance awards to repair existing manufactured homes
- \$750,000 for manufactured home foundation awards to provide new foundations for the placement of manufactured homes

The desired outcome is to prepare 125 to 300 vacant or abandoned lots for new manufactured homes, to maintain the habitability of 250 to 400 manufactured homes, and to install 25 to 75 foundations.

Building on their experience administering the Vermont Emergency Rental Housing Program (VERAP), VSHA will be processing applications for MHIR starting in early February 2023. The CVOEO Mobile Home Program is providing application assistance to mobile home owners in need of home repairs. The review committee for the program will have representation from the DHCD, VSHA, and CVOEO. Applications will be accepted until October 31, 2024, or until funds are exhausted, whichever occurs first.

---

<sup>6</sup> <https://accd.vermont.gov/housing/funding/MHIR>

<sup>7</sup> Funding for this program comes from \$4 million of State Fiscal Recovery Funds from the American Rescue Plan Act (ARPA) allocated by the Vermont General Assembly.

## Summary Charts

The number of mobile home parks and lots in Vermont have decreased.

A large share of the state’s mobile home park lots are in non-profit and cooperative parks.

## Park Sales

From 2020 through 2022, the DHCD received 29 notices of intent to sell for 24 different parks; 10 in 2020: 11 in 2021: and 8 in 2022. Parks where the park owner owns all the mobile homes, and ownership transfers that meet one of the statutory exemption from the notification requirement may be sold without a notice. Notices expire if the park has not sold one year after the expiration of the mobile home owners’ 45-day notice period.

Twenty-five mobile home parks were sold or transferred to new ownership during the same time period.

The DHCD conducted informational meetings for seven of the parks noticed for sale, and three parks converted to resident ownership. The other parks that sold went to private buyers.

## Park Closures

Eighteen-months' notice is required before any park or lot closure or change of use that will result in eviction or removal of someone's mobile home. State law also requires park owners to give a notice of intent to sell that discloses the potential closure unless they will not sell the underlying property within five years. Most of the parks that have closed were small parks ranging from 3 to 9 lots.

Since 2019, three parks were officially noticed for closure by their owners and two of the parks have since closed. The owners of Amsden Mobile Home Park in Chester withdrew the closure notice for their park's three lots.

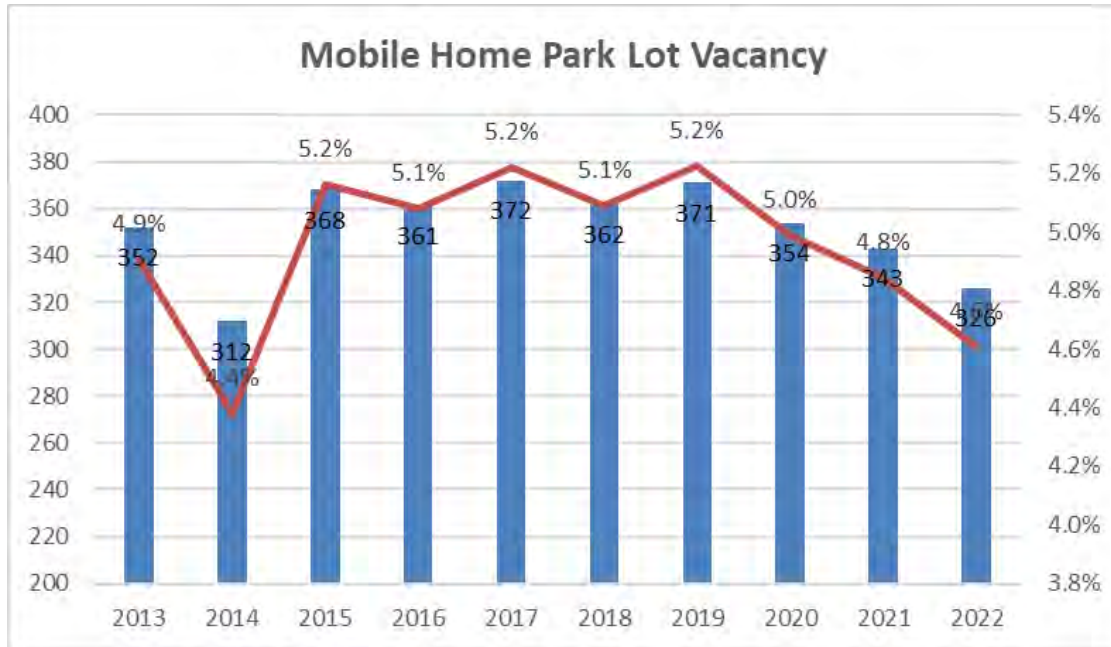

Mobile home parks closed since 2019:

<b>Mobile Home Park</b>	<b>Location</b>	<b>Number of Lots</b>
Miller's Place MHP	Rutland	3
Cover Point MHP	Leicester	7 (4 occupied at time of closure notice)

## Mobile Home Lot Vacancies

In 2022, 326 lots were reported as vacant and available equaling a vacancy rate of 4.6%.

Mobile home park lot vacancies have decreased in the last few years.

Vacant lots remain concentrated in parks with high vacancies. Six out of ten parks had no vacant lot in 2022, and just 32 parks had more than two vacant lots.

Vacancies also vary by county. The vacancy rates in Caledonia, Grand Isle, Orange, and Rutland counties were at least 9%. The vacancy rates in Addison, Chittenden, Franklin, Lamoille, and Orleans were under 3%.

## Lot Rent Increases

For 2022, the DHCD reviewed lot rent increase notices from 125 parks. The average amount of increase was \$16.50 or 4.85%.

Lot rent increases that are more than one percent above the annual change in the Consumer Price Index – Housing Component as established by the DHCD are eligible for mediation. Thirty-two increases were more than the mediation threshold of 4.5% set for 2022, but none of these resulted in mediation. The DHCD pays for the mediator out of the lot registration fees paid annually by park owners.

Mediation outcomes (2020-2022):

	Proposed Increase	Percent	Resolution	Mediation Cost
Park 1	\$36.00	10.05%	No increase*	\$498
Park 2	\$7.00	2.62%**	Increase withdrawn	\$0

\* Residents agreed to pay their quarterly water bills directly to the town; town to bill them individually

\*\* Residents petitioned for mediation on basis that park owner discontinued snow plowing of individual lots

## State and County Median Lot Rents

Based on the registration data as of October 1, the state median monthly lot rent for 2022 was \$370. The median is the mid-point meaning half of all lots in mobile home parks in the state have rent below and half above. Lot rents range from seven parks with lot rent below \$200 to the five most expensive parks with lot rent above \$500.

The statewide median lot rent has increased in line with the Consumer Price Index – Housing Component.

County median lot rents range from \$455 in Chittenden and \$430 in Windsor, to \$290 in Essex and Windham counties.

## Mobile Homes Moved

The number of mobile homes moved into parks or removed from parks might indicate how many people are buying, relocating, or replacing mobile homes. Homes removed may be relocated to another site for continued use or destroyed because of obsolescence or abandonment. Because of the cost of moving a mobile home, scarcity of other lots, or whether the mobile home can physically be moved, most mobile homes are not relocated from their original site during their useful lifetime.

Park owners report the number of mobile homes moved from July of the previous year through the end of June. From July 1, 2021 through June 30, 2022 67 mobile homes were moved into parks and 48 were removed from parks. As a percentage, 1.0% of Vermont's mobile home park lots had homes moved in and 0.7% had homes moved out.

In the past few years, more mobile homes have been moved into parks than were moved out of parks.

## Mobile Home Ownership

Mobile homes make up more than 6% of the housing units in Vermont.<sup>8</sup> Approximately one third of these are located in Vermont's mobile home parks. Vermont's 71% homeownership rate is one of the highest in the nation, but in Vermont's mobile home parks, the homeownership rate is even higher at 90.2%. This homeownership rate is higher still in nonprofit and resident owned cooperative parks where 98.7% of the mobile homes are owned by residents and only 34 mobile homes are park-owned. The park owned mobile homes include 15 ZEM (zero-energy modular) home rentals in Lamoille Housing Partnership's Evergreen Manor in Hardwick. Other nonprofits have one to five rental mobile homes.

After decreasing for several years, the number of mobile homes owned by residents in parks has increased since 2019; coinciding with a decreasing vacancy rate. (Data on how many of these are rented out to subtenants is not available.)

## Enforcement Complaints (since 2019)

COMPLAINT	STATUS	ACTION TAKEN	OUTCOME
Park roads in poor condition, potholed	Closed	Contacted local fire department and park owner	Fire department inspected roads and found them passable and clear of obstructions
Willow tree branches fell on lot	Closed	Contacted park owner to request date when trees will be pruned	Park owner had one dead tree removed and pruned, cleaned up others. Resident moved and stopped responding to attempts to contact.
Tree posing hazard and tree branch debris needing to be picked up	Closed	Resident did not provide enough information related to trees	Complaint closed with no action taken, resident was referred to CVOEO
Damage to mobile home caused by electric service outage and repair	Closed	Contacted park owner and forwarded response to resident	No further action taken. Electric was repaired. Any reimbursement for damage is private law matter
Embankment on back of lot eroding and causing deck to separate from home	Closed	Contacted park owner for update and talked with both parties about possible solutions	Park owner has offered to buy out or relocate resident's mobile home to another lot as no short term solution to the erosion has been identified. Resident was not interested in buyout.
Snow plow damaged lot (grass), neighbor's lawn mower threw rock that damaged windshield of resident's car	Closed	Reviewed complaint and notified resident property damage is a private matter between parties.	No action taken.
Resident alleged park owner retaliated for previous complaint filed with DHCD	Closed	Contacted park owner to clarify department's position	No further action taken.
Park roads in poor condition, vacant abandoned mobile homes, trash	Open	Contacted park owner to request status updates	This complaint came from the Town Manager. Park is mostly vacant with few occupied mobile homes.
Water outages, trash removal discontinued	Closed	Reviewed complaint and contacted park owner	No action taken as water outages and change to trash policy occurred more than five years ago
Park conditions; management conflict with residents, trash, debris, abandoned homes, park roads (ice/snow)	On Hold	Contacted town officials, requested status updates from park manager	Park owner repaired mailboxes, removed abandoned mobile home, and contracted for dumpster for trash removal, and planned to have road graded and improve plowing.

COMPLAINT	STATUS	ACTION TAKEN	OUTCOME
Water outage	Open	Contacted other State agencies, town officials, and requested updates from park owner	Park owner installed temporary above-ground lines after water was out to at least one mobile home for 63 days from March to May 2022. In-ground water lines were completed in November 2022. DHCD issued a NOAV with a proposed \$2,000 penalty (reduced to \$500 pending a hearing).
Drainage, home sinking causing damage to home, park roads, pests	Closed	Reviewed information provided by resident and park owner's response to complaints. No decision made on home sinking pending further investigation.	Park owner had swale installed to improve drainage and has park roads graded periodically but disagreed that home is sinking. Resident subsequently sold home and moved out of park.
High electric bills, erosion, damage to roof from falling tree, low water pressure/ water leaks.	Closed	Reviewed resident's complaints and documentation, and park owner's response	DHCD did not see clear evidence of erosion or damage from trees. Park owner disputed complaint of tree damage. No documents provided to support water complaint. Electrician inspections did not find issues with the electric service outside home or with resident's appliances.

## **CVOEO Mobile Home Program**

The DHCD contracts with the Champlain Valley Office of Economic Opportunity (CVOEO) Mobile Home Program to provide direct assistance to mobile home park residents throughout Vermont if they receive a notice of intent to sell or close a mobile home park, a lot rent increase eligible for mediation, or experience habitability problems.

CVOEO publishes a rights guidebook and form letters for mobile home residents, information about rights and responsibilities, and helps organize and support resident associations.<sup>9</sup>

### **Notes**

The annual registration is due on September 1 each year and captures a snapshot of Vermont's mobile home parks at that time, but rents and vacancies change throughout the year. The registry listing (below) will not include the current owner for any mobile home parks sold or transferred after September 1. Lot rent increases after October 1 are also not included.

The DHCD does not have the staff or resources to conduct random verifications of the data provided, but past checks have shown a very high level of compliance with providing accurate information. The DHCD also follows up on any discrepancy in the registration data reported for lots or rents from the previous year and the Department's records.

Parks that did not register or registered too late to be included are shown with "Data Not Provided". Parks where the park owner owns all the mobile homes are exempt from the lot fee and are indicated with "All Rental MHP"
