An establishment is a single location company or each separate physical location of a multiple location company (i.e., each store in a chain of stores)										
1 - Size of an establishment is based on the March employment for that establishment.										
2 - Includes establishments that reported no workers in March.										
--- No establishments in this size class.										
n - Data can not be released, does not meet confidentiality standards.										
Note: Detail may not add to totals due to rounding.
