

1 TO THE HOUSE OF REPRESENTATIVES:

2 The Committee on Government Operations and Military Affairs to which
3 was referred Senate Bill No. 310 entitled “An act relating to natural disaster
4 government response, recovery, and resiliency” respectfully reports that it has
5 considered the same and recommends that the House propose to the Senate that
6 the bill be amended by striking out all after the enacting clause and inserting in
7 lieu thereof the following:

8 * * * Creation of the Community Resilience and Disaster
9 Mitigation Grant Program and Fund * * *

10 Sec. 1. 20 V.S.A. § 48 is added to read:

11 § 48. COMMUNITY RESILIENCE AND DISASTER MITIGATION

12 GRANT PROGRAM

13 (a) Program established. There is established the Community Resilience
14 and Disaster Mitigation Grant Program to award grants to covered
15 municipalities to provide support for disaster mitigation, adaptation, or repair
16 activities.

17 (b) Definition. As used in this section, “covered municipality” means a
18 city, town, fire district or incorporated village, and all other governmental
19 incorporated units that participate in the National Flood Insurance Program in
20 accordance with 42 U.S.C. Chapter 50.

21 (c) Administration; implementation.

22 (1) Grant awards. The Department of Public Safety, in coordination

1 with the Department of Environmental Conservation, shall administer the
2 Program, which shall award grants for the following:

3 (A) technical assistance for natural disaster mitigation, adaptation, or
4 repair to municipalities;

5 (B) technical assistance for the improvement of municipal
6 stormwater systems and other municipal infrastructure;

7 (C) projects that implement disaster mitigation measures, adaptation,
8 or repair, including watershed restoration and similar activities that directly
9 reduce risks to communities, lives, public collections of historic value, and
10 property; and

11 (D) projects to adopt and meet the State’s model flood hazard
12 bylaws.

13 (2) Grant Program design. The Department of Public Safety, in
14 coordination with the Department of Environmental Conservation, shall design
15 the Program. The Program design shall:

16 (A) establish an equitable system for distributing grants statewide on
17 the basis of need according to a system of priorities, including the following:

18 (i) projects that meet the standards established by the Department
19 of Environmental Conservation’s Stream Alteration Rule and Flood Hazard
20 Area and River Corridor Rule.

21 (ii) projects that use funding as a match for other grants, including
22 grants from the Federal Emergency Management Agency (FEMA);

- 1 (iii) projects that are in hazard mitigation plans; and
2 (iv) projects that are geographically located around the State;
3 (B) establish guidelines for disaster mitigation measures and costs
4 that will be eligible for grant funding; and
5 (C) establish eligibility criteria for covered municipalities, but allow
6 municipalities to partner with community organizations to apply for grants and
7 implement projects awarded funding by those grants.

8 (3) Annually, by November 15, the Department of Public Safety shall
9 submit a report detailing the current Program design and any grants awarded
10 pursuant to this section during the preceding year to the House Committee on
11 Government Operations and Military Affairs and the Senate Committee on
12 Government Operations.

13 Sec. 2. 20 V.S.A. § 49 is added to read:

14 § 49. COMMUNITY RESILIENCE AND DISASTER MITIGATION

15 FUND

16 (a) Creation. There is established the Community Resilience and Disaster
17 Mitigation Fund to provide funding to the Community Resilience and Disaster
18 Mitigation Grant Program established in section 48 of this title. The Fund
19 shall be administered by the Department of Public Safety.

20 (b) Monies in the Fund. The Fund shall consist of monies appropriated or
21 transferred to the Fund.

22 (c) Fund administration.

1 (1) The Commissioner of Finance and Management may anticipate
2 receipts to this Fund and issue warrants based thereon.

3 (2) The Commissioner of Public Safety shall maintain accurate and
4 complete records of all receipts by and expenditures from the Fund.

5 (3) All balances remaining at the end of a fiscal year shall be carried
6 over to the following year.

7 (d) Reports. On or before January 15 each year, the Commissioner of
8 Public Safety shall submit a report to the House Committees on Environment
9 and Energy and House Government Operations and Military Affairs and the
10 Senate Committees on Government Operations and Natural Resources and
11 Energy with an update on the expenditures from the Fund. For each fiscal
12 year, the report shall include a summary of each project receiving funding.
13 The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not
14 apply to the report to be made under this subsection.

15 Sec. 3. [Deleted.]

16 Sec. 4. 32 V.S.A. § 8557 is amended to read:

17 § 8557. VERMONT FIRE SERVICE TRAINING COUNCIL

18 (a)(1) Sums for the expenses of the operation of training facilities and
19 curriculum of the Vermont Fire Service Training Council not to exceed
20 ~~\$1,200,000.00~~ \$1,500,000.00 per year shall be paid to the Fire Safety Special
21 Fund created by 20 V.S.A. § 3157 by insurance companies, writing fire,
22 homeowners multiple peril, allied lines, farm owners multiple peril,

1 commercial multiple peril (fire and allied lines), private passenger and
2 commercial auto, and inland marine policies on property and persons situated
3 within the State of Vermont within 30 days after notice from the
4 Commissioner of Financial Regulation of such estimated expenses. Captive
5 companies shall be excluded from the effect of this section.

6 * * *

7 (4) An amount not less than ~~\$150,000.00~~ \$450,000.00 shall be
8 specifically allocated to the Emergency Medical Services Special Fund
9 established under 18 V.S.A. § 908 for the provision of training programs for
10 certified Vermont EMS first responders and licensed emergency medical
11 responders, emergency medical technicians, advanced emergency medical
12 technicians, and paramedics.

13 * * *

14 * * * Credit Facilities for Local Investments * * *

15 Sec. 4a. 10 V.S.A. § 10 is amended to read:

16 § 10. VERMONT STATE TREASURER; CREDIT FACILITY FOR LOCAL
17 INVESTMENTS

18 (a) Notwithstanding any provision of 32 V.S.A. § 433(a) to the contrary,
19 the Vermont State Treasurer shall have the authority to establish a credit
20 facility of up to 10 percent of the State's average cash balance on terms
21 acceptable to the Treasurer and consistent with prudent investment principles

1 and guidelines pursuant to 32 V.S.A. § 433(b)–(c) and the Uniform Prudent
2 Investor Act, 14A V.S.A. chapter 9.

3 (b) The Treasurer may use amounts available under subsection (a) of this
4 section to provide financing for infrastructure projects in Vermont mobile
5 home parks and may modify the terms of such financing in ~~his or her~~ the
6 Treasurer’s discretion as is necessary to promote the availability of mobile
7 home park housing and to protect the interests of the State.

8 (c) Notwithstanding any provision of 32 V.S.A. § 433(a) to the contrary,
9 and in addition to the provisions of subsection (a) on this section, the Vermont
10 State Treasurer shall have the authority to establish a credit facility of up to
11 two and one-half percent of the State’s average cash balance on terms
12 acceptable to the Treasurer and consistent with prudent investment principles
13 and guidelines pursuant to 32 V.S.A. § 433(b)–(c) and the Uniform Prudent
14 Investor Act, 14A V.S.A. chapter 9. The Treasurer may use amounts available
15 under this subsection only to provide financing for climate infrastructure and
16 resilience projects and may modify the terms of such financing in the
17 Treasurer’s discretion as is necessary to protect the interest of the State.

18 (d) Annually, by January 15, the Treasurer shall submit a report detailing
19 the activities, financing, and accounting of any credit facilities created pursuant
20 to subsection (c) of this section during the preceding calendar year to the
21 Governor, the House Committees on Appropriations, Commerce and
22 Economic Development, and Government Operations and Military Affairs, and

1 the Senate Committees on Economic Development, Housing and General
2 Affairs, Appropriations, and Government Operations.

4 Sec. 5. 20 V.S.A. § 2 is amended to read:

5 § 2. DEFINITIONS

6 As used in this chapter:

7 * * *

8 (6) “Emergency management” means the preparation for and
9 implementation of all emergency functions, other than the functions for which
10 the U.S. Armed Forces or other federal agencies are primarily responsible, to
11 prevent, plan for, mitigate, and support response and recovery efforts from all-
12 hazards. Emergency management includes the utilization of first responders
13 and other emergency management personnel and the equipping, exercising,
14 and training designed to ensure that this State and its communities are prepared
15 to deal with all-hazards.

16 (7) “First responder” means State, county, and local governmental and
17 nongovernmental personnel who provide immediate support services necessary
18 to perform emergency management functions during an emergency or all-
19 hazards event, including:

20 (A) emergency management and public safety personnel;

21 (B) firefighters, as that term is defined in section 3151 of this title;

22 (C) law enforcement officers, as that term is defined in section 2351a

1 of this title;

2 (D) public safety telecommunications and dispatch personnel;

3 (E) emergency medical personnel and volunteer personnel, as those
4 terms are defined in 24 V.S.A. § 2651;

5 (F) licensed professionals who would provide clinical services and
6 emergency care in hospitals and medical facilities created to address an all-
7 hazards event;

8 (G) public health personnel;

9 (H) public works personnel, including water, wastewater, and
10 stormwater personnel; and

11 (I) equipment operators and other skilled personnel, who provide
12 services necessary to enable the performance of emergency management
13 functions.

14 (8) “Hazard mitigation” means any action taken to reduce or eliminate
15 the threat to persons or property from all-hazards.

16 ~~(8)~~(9) “Hazardous chemical or substance” means:

17 * * *

18 ~~(9)~~(10) “Hazardous chemical or substance incident” means any mishap
19 or occurrence involving hazardous chemicals or substances that may pose a
20 threat to persons or property.

21 ~~(10)~~(11) “Homeland security” means the preparation for and carrying
22 out of all emergency functions, other than the functions for which the U.S.

1 Armed Forces or other federal agencies are primarily responsible, to prevent,
2 minimize, or repair injury and damage resulting from or caused by enemy
3 attack, sabotage, or other hostile action.

4 ~~(11)~~(12) “Radiological incident” means any mishap or occurrence
5 involving radiological activity that may pose a threat to persons or property.

7 * * * Emergency Management * * *

8 Sec. 7. 20 V.S.A. § 6 is amended to read:

9 § 6. LOCAL AND REGIONAL ORGANIZATION FOR EMERGENCY
10 MANAGEMENT

11 (a) Each town and city of this State ~~is hereby authorized and directed to~~
12 shall establish a local organization for emergency management in accordance
13 with the State emergency management plan and program. The executive
14 officer or legislative branch of the town or city ~~is authorized to~~ shall appoint a
15 town or city emergency management director who shall have direct
16 responsibility for the organization, administration, and coordination of the
17 local organization for emergency management, subject to the direction and
18 control of the executive officer or legislative branch. If the town or city ~~that~~
19 has not adopted the town manager form of government in accordance with 24
20 V.S.A. chapter 37 and the executive officer or legislative branch of the town or
21 city has not appointed an emergency management director, the executive
22 officer or legislative branch shall ~~be the~~ appoint a town or city emergency

1 management director. The town or city emergency management director may
2 appoint an emergency management coordinator and other staff as necessary to
3 accomplish the purposes of this chapter. In an instance of a vacancy of the
4 position of a town or city emergency management director, the executive
5 officer or the chair or president of the legislative branch shall be the emergency
6 management director.

7 (b) Each local organization for emergency management shall perform
8 emergency management functions within the territorial limits of the town or
9 city within which it is organized ~~and, in~~ which may include coordinating the
10 utilization of first responders and other emergency management personnel
11 pursuant to the all-hazards emergency management plan adopted pursuant to
12 subsection (c) of this section. In addition, each local organization for
13 emergency management shall conduct such functions outside the territorial
14 limits as may be required pursuant to the provisions of this chapter and in
15 accord with rules adopted by the Governor.

16 (c)(1) Each local organization shall develop and maintain an all-hazards
17 emergency management plan in accordance with the State Emergency
18 Management Plan and guidance set forth by the Division of Emergency
19 Management.

20 (2) The Division shall amend the local emergency plan template and any
21 best management practices or guidance the Division issues to municipalities to
22 address the need for the siting of local and regional emergency shelters in a

1 manner that allows access by those in need during an all-hazards event.

2 (3) The Division shall advise municipalities that when a shelter is sited
3 under a local emergency plan, the municipality should work with the Agency
4 of Human Services, the American Red Cross, and community-based
5 emergency or charitable food providers, to assess the facility and the facility's
6 potential operations, including the characteristics of the surrounding area
7 during an all-hazards event, multiple routes of travel and possible hazards that
8 could prevent access to the shelter, and the need for immediate and sustained
9 access to food and water for individuals using the shelter.

10 (4) The Division, in coordination with the Agency of Human Services,
11 shall advise municipalities, upon completion of a local emergency
12 management plan, on how to conduct training and exercises pertaining to
13 sheltering.

14 (d) Regional emergency management committees shall be established by
15 the Division of Emergency Management.

16 * * *

17 (3) A regional emergency management committee shall consist of
18 voting and nonvoting members.

19 (A) Voting members. The local emergency management director or
20 designee and one representative from each town and city in the region shall
21 serve as the voting members of the committee. A representative from a town
22 or city shall be a member of the town's or city's emergency services

1 community and shall be appointed by the town's or city's executive or
2 legislative branch.

3 (B) Nonvoting members. Nonvoting members may include
4 representatives from the following organizations serving within the region:
5 fire departments, emergency medical services, law enforcement, other entities
6 providing emergency response personnel, media, transportation, regional
7 planning commissions, hospitals, the Department of Health's district office, the
8 Division of Emergency Management, organizations serving vulnerable
9 populations, local libraries, arts and culture organizations, regional
10 development corporations, local business organizations, community-based
11 emergency or charitable food providers, and any other interested public or
12 private individual or organization.

14 Sec. 8. 20 V.S.A. § 31 is amended to read:

15 § 31. STATE EMERGENCY RESPONSE COMMISSION; DUTIES

16 (a) The Commission shall have authority to:

17 * * *

18 (7) Ensure that ~~a State plan~~ the State Emergency Management Plan will
19 go into effect when an accident occurs involving the transportation of
20 hazardous materials. The ~~plan~~ Plan shall be exercised at least once annually
21 and shall be coordinated with local and State emergency plans.

22 * * *

1 Sec. 9. 20 V.S.A. § 32 is amended to read:

2 § 32. LOCAL EMERGENCY PLANNING COMMITTEES; CREATION;
3 DUTIES

4 (a) One or more local emergency planning committees, created under
5 EPCRA, shall be appointed by the State Emergency Response Commission.

6 “EPCRA” means the federal Emergency Planning and Community Right-To-
7 Know Act of 1986, 42 U.S.C. §§ 11001–11050.

8 (b) All local emergency planning committees shall include representatives
9 from the following: fire departments; local and regional emergency medical
10 services; local, county, and State law enforcement; other entities providing first
11 responders or emergency management personnel; media; transportation;
12 regional planning commissions; hospitals; industry; the Vermont National
13 Guard; the Department of Health’s district office; and an animal rescue
14 organization, and may include any other interested public or private individual
15 or organization. Where the local emergency planning committee represents
16 more than one region of the State, the Commission shall appoint
17 representatives that are geographically diverse.

18 (c) A local emergency planning committee shall perform all the following
19 duties:

20 (1) Carry out all the requirements of a committee pursuant to EPCRA,
21 including preparing a local emergency planning committee plan. The plan
22 shall be coordinated with the State emergency management plan and may be

1 expanded to address all-hazards identified in the State emergency management
2 plan. At a minimum, the local emergency planning committee plan shall
3 include the following:

4 (A) Identifies facilities and transportation routes of extremely
5 hazardous substances.

6 (B) Describes the utilization of first responders and other emergency
7 management personnel and emergency response procedures, including those
8 identified in facility plans.

9 (C) Designates a local emergency planning committee coordinator
10 and facility coordinators to implement the plan.

11 (D) Outlines emergency notification procedures.

12 (E) Describes how to determine the probable affected area and
13 population by releases of hazardous substances.

14 (F) Describes local emergency equipment and facilities and the
15 persons responsible for them.

16 (G) Outlines evacuation plans.

17 (H) Provides for coordinated local training to ensure integration with
18 the State emergency management plan.

19 (I) Provides methods and schedules for exercising emergency plans.

20 (2) Upon receipt by the committee or the committee's designated
21 community emergency coordinator of a notification of a release of a hazardous
22 chemical or substance, ensure that the local emergency plan has been

1 implemented.

2 (3) Consult and coordinate with the heads of local government
3 emergency services, the emergency management director or designee, persons
4 in charge of local first responders and other local emergency management
5 personnel, regional planning commissions, and the managers of all facilities
6 within the jurisdiction regarding the facility plan.

7 (4) Review and evaluate requests for funding and other resources and
8 advise the State Emergency Response Commission concerning disbursement
9 of funds.

10 (5) Work to support the various emergency services and other entities
11 providing first responders or emergency management personnel, mutual aid
12 systems, town governments, regional planning commissions, State agency
13 district offices, and others in their area in conducting coordinated all-hazards
14 emergency management activities.

15 Sec. 10. 20 V.S.A. § 41 is added to read.

16 § 41. STATE EMERGENCY MANAGEMENT PLAN.

17 The Department of Public Safety’s Vermont Emergency Management
18 Division shall create, and republish as needed, but not less than every five
19 years, a comprehensive State Emergency Management Plan. The Plan shall
20 detail response systems during all-hazards events, including communications,
21 coordination among State, local, private, and volunteer entities, and the
22 deployment of State and federal resources. The Plan shall also detail the

1 State’s emergency preparedness measures and goals, including those for the
2 prevention of, protection against, mitigation of, and recovery from all-hazards
3 events. The Plan shall include templates and guidance for regional emergency
4 management and for local emergency plans that support municipalities in their
5 respective emergency management planning.

6 Sec. 11. VERMONT EMERGENCY MANAGEMENT DIVISION

7 DISASTER PREPAREDNESS REVIEW

8 (a) Review. On or before June 30, 2025, the Department of Public Safety’s
9 Division of Vermont Emergency Management (VEM) shall conduct an after-
10 action review of the State’s disaster preparedness leading up to, during, and
11 after the 2023 summer flooding events throughout the State, overseen by the
12 Director of VEM. The review shall examine all aspects of the State’s response
13 and shall include input from the whole community. In addition to the federal
14 Homeland Security Exercise and Evaluation Program’s requirements, the
15 review shall include examining the adequacy of early warning and evacuation
16 orders, designated evacuation routes and emergency shelters, the ability to
17 provide food and water where it is needed, the present system of local
18 emergency management directors in wide-spread emergencies and the State’s
19 present emergency communications systems.

20 (b) Report. On or before December 15, 2025, the Director of VEM shall
21 submit a written report to the House Committee on Government Operations
22 and Military Affairs and the Senate Committee on Government Operations

1 with its findings regarding the disaster preparedness review, and, if the
2 Director determines there to be inadequacies present in the State’s disaster
3 preparedness, a plan for improving the State’s disaster preparedness, which
4 may include any recommendations for legislative action.

14 request that ~~such~~ judge the court fix a time and place when ~~he or she or some~~
15 ~~other Superior judge~~ the court will hear all parties concerned and determine
16 whether ~~such~~ the taking is necessary.

17 § ~~3605~~ 3607. HEARING TO DETERMINE NECESSITY

18 The judge to whom ~~such~~ the petition is presented shall fix the time for
19 hearing, which shall not be more than 60 ~~nor~~ or less than 30 days from the date
20 the judge signs ~~such~~ the order. Likewise, the judge shall fix the place for
21 hearing, which shall be the county courthouse or any other convenient place
22 within the county in which the land in question is located. If the Superior

1 judge to whom ~~such~~ the petition is presented cannot hear the petition at the
2 time set ~~therefore~~ for the hearing, ~~the Superior judge shall call upon~~ the Chief
3 Superior Judge ~~to~~ shall assign another Superior judge to hear ~~such~~ the cause at
4 the time and place assigned in the order.

5 § ~~3606~~ 3608. SERVICE AND PUBLICATION OF PETITION

6 (a) A copy of the petition together with a copy of the court's order fixing
7 the time and place of hearing shall be published in a newspaper having general
8 circulation in the town in which the land included in the survey lies once a
9 week for three consecutive weeks on the same day of the week, ~~the~~. The last
10 publication to be not less than five days before the hearing date, ~~and a~~.

11 (b) A copy of the petition, together with a copy of the court's order fixing
12 the time and place of hearing, and a copy of the survey shall be placed on file
13 in the clerk's office of the town.

14 (c) The petition, together with the court's order fixing the time and place of
15 hearing, shall be served upon each person owning or having an interest in land
16 to be purchased or condemned like a summons, or, on absent defendants, in
17 ~~such~~ the manner as the Supreme Court may by rule provide for service of
18 process in civil actions. If the service on any defendant is impossible, upon
19 affidavit of the sheriff, deputy sheriff, or constable attempting service, ~~therein~~
20 stating that the location of the defendant within or ~~without~~ outside the State is
21 unknown and that ~~he or she~~ the defendant has no known agent or attorney in
22 the State of Vermont upon ~~which~~ whom service may be made, the publication

1 ~~herein provided~~ required by this section shall be deemed sufficient service on
2 the defendant.

3 (d) Compliance with the provisions ~~hereof~~ of this section shall constitute
4 sufficient service upon and notice to any person owning or having any interest
5 in the land proposed to be taken or affected.

6 § ~~3607~~ 3609. HEARING AND ORDER OF NECESSITY

7 (a) At the time and place appointed for the hearing, the court shall hear all
8 persons interested and wishing to be heard. If any person owning or having an
9 interest in land to be taken or affected appears and objects to the necessity of
10 taking the land included within the survey or any part ~~thereof~~ of the survey,
11 then the court shall require the board to proceed with the introduction of
12 evidence of the necessity of ~~such~~ the taking.

13 (b) The burden of proof of the necessity of the taking shall be upon the
14 board.

15 (c) The court may cite in additional parties including other property owners
16 whose interests may be concerned or affected by any taking of land or interest
17 ~~therein~~ in land based on any ultimate order of the court.

18 (d) The court shall make findings of fact and file them. The court shall, by
19 its order, determine whether necessity requires the taking of ~~such~~ land and
20 rights and may modify or alter the proposed taking ~~in such respects as to it~~ the
21 court may seem deem proper.

22 § ~~3608~~ 3610. APPEAL FROM ORDER OF NECESSITY

1 (a) If the State, municipal corporation, or any owner affected by the order
2 of the court is aggrieved ~~thereby~~ by the order, an appeal may be taken to the
3 Supreme Court in ~~such~~ the manner as the Supreme Court may by rule provide
4 for appeals from the Civil Division of the Superior courts Court.

5 (b) In the event an appeal is taken, all proceedings shall be stayed until
6 final disposition of the appeal. If no appeals are taken within the time provided
7 ~~therefor~~ or, if appeal is taken, upon its final disposition, a copy of the order of
8 the court shall be placed on file within 10 days in the office of the clerk of each
9 town in which the land affected lies, and ~~thereafter~~ for a period of one year, the
10 board may institute proceedings for the condemnation of the land included in
11 the survey as finally approved by the court without further hearing or
12 consideration of any question of the necessity of the taking.

13 § ~~3609~~ 3611. COMPENSATION; CONDEMNATION

14 (a) When an owner of land or rights ~~therein~~ in land and the board are
15 unable to agree on the amount of compensation ~~therefor~~ or in case the owner is
16 an infant, a person who lacks capacity to protect ~~his or her~~ the person's
17 interests due to a mental condition or psychiatric disability, absent from the
18 State, unknown, or the owner of a contingent or uncertain interest, a Superior
19 judge may, on the application of either party, cause the notice to be given of
20 the application as ~~he or she~~ the judge may prescribe, and after proof ~~thereof~~ of
21 the application, the judge may appoint three disinterested persons to examine
22 the property to be taken; or damaged by the municipal corporation.

1 **(b)** After being duly sworn, the commissioners shall, upon due notice to all
2 parties in interest, view the premises, hear the parties in respect to the property,
3 and shall assess and award to the owners and persons so interested just
4 damages for any injury sustained and make report in writing to the judge.

5 **(c)** In determining damages resulting from the taking or use of property
6 under the provisions of this chapter, the added value, if any, to the remaining
7 property or right ~~therein~~ in property that inures directly to the owner ~~thereof~~ as
8 a result of the taking or use as distinguished from the general public benefit,
9 shall be considered.

10 **(d)** The judge may ~~thereupon~~ accept the report, unless just cause is shown
11 to the contrary, and order the municipal corporation to pay the same in the time
12 and manner as the judge may prescribe, in full compensation for the property
13 taken, or the injury done by the municipal corporation, or the judge may reject
14 or recommit the report if the ends of justice so require. On compliance with
15 the order, the municipal corporation may proceed with the construction of its
16 work without liability for further claim for damages. In ~~his or her~~ the judge's
17 discretion, the judge may award costs in the proceeding. Appeals from the
18 order may be taken to the Supreme Court under 12 V.S.A. chapter 102.

19 § ~~3610~~ 3612. RECORD

20 Within 60 days after the taking of any property, franchise, easement, or
21 right under the provisions of this chapter, ~~such~~ the municipal corporation shall
22 file a description ~~thereof~~ of the property in the office of the clerk ~~wherein~~

1 where the land records are required by law to be kept.

2 § ~~3614~~ 3613. CONTRACT FOR SEWAGE DISPOSAL

3 (a) ~~Such~~ A municipal corporation may contract with the State, the federal
4 government, or any appropriate agency ~~thereof~~, of the State or federal
5 government; any town, city, or village; any corporation; and any individuals to
6 make disposal of sewage or stormwater for ~~such the~~ other town, city, village,
7 corporation, or individuals. ~~Such~~ When consistent with State or federal law,
8 the municipal corporation may make sale of sludge or fertilizer byproducts
9 incident to sewage disposal, and the proceeds from the sale ~~thereof~~ shall be
10 turned over to the treasury of ~~such the~~ sewage disposal district system and
11 credited ~~therein~~ as is other income derived under the authority of this chapter.

13 § ~~3612~~ 3614. CHARGES; ENFORCEMENT

14 (a) ~~The owner of any tenement, house, building, or lot shall be liable for~~
15 ~~the sewage disposal charge as hereinafter defined. Such sewage disposal~~
16 ~~charge~~ A property owner or group of property owners using the sewage system
17 shall be liable for the rent fixed by the board pursuant to this chapter. The
18 charges, rates, or rents for the sewage system shall be a lien upon the real
19 estate furnished with such service in the same manner and to the same effect as
20 taxes are a lien upon real estate under 32 V.S.A. § 5061 and shall be an
21 assessment enforceable under the procedures in ~~subsections~~ subsection (b), (c),
22 or (d) of this section, or a combination of these procedures.

§ ~~3613~~ 3615. TAXES, BONDS

For the purpose of adequately making disposal of sewage within its boundaries; successfully organizing, establishing, and operating its sewage plant, sewage disposal plant, or some form of sewage treatment plant; and making ~~such~~ improvements as may be necessary, a municipal corporation may ~~from time to time~~:

(1) purchase, take, and hold real and personal estate;

(2) borrow money;

(3) levy; and collect taxes upon the ratable estate of the municipal corporation necessary for the payment of municipal corporation sewage and sewage disposal expenses and indebtedness;

(4) issue for the purposes ~~hereof~~ of this section evidences of indebtedness pursuant to chapter 53, subchapter 2 of this title or its negotiable bonds pursuant to chapter 53, subchapter 1 of this title; provided, however, that bonds so issued:

~~(1)(A)~~ shall not be considered as indebtedness of ~~such~~ the municipal corporation limited by the provisions of section 1762 of this title;

~~(2)(B)~~ may be paid in not more than 30 years from the date of issue notwithstanding the limitation of section 1759 of this title;

~~(3)(C)~~ may be authorized by a majority of all the voters present and voting on the question at a meeting of ~~such~~ the municipal corporation held for

1 ~~the~~ this purpose pursuant to chapter 53, subchapter 1 of this title
2 notwithstanding any provisions of general or special law ~~which~~ that may
3 require a greater vote, and may be so arranged that beginning with the first
4 year in which principal is payable, the amount of principal and interest in any
5 year shall be as nearly equal as is practicable according to the denomination in
6 which ~~such~~ the bonds or other evidences of indebtedness are issued
7 notwithstanding other permissible payment schedules authorized by section
8 1759 of this title.

9 ~~§ 3614. BOARD OF SEWAGE DISPOSAL COMMISSIONERS~~

10 ~~The selectboard of a town, the trustees of a village, the prudential~~
11 ~~committee of a fire or lighting district, or the mayor and board of aldermen of a~~
12 ~~city, shall constitute a board of sewage disposal commissioners.~~

13 ~~§ 3615~~ 3616. RENTS; RATES

14 (a) ~~Such~~ A municipal corporation, through its board ~~of sewage disposal~~
15 ~~commissioners~~, may establish rates, rents, or charges to be called “sewage
16 ~~disposal charges,”~~ to be paid ~~at such times and in such manner~~ as the
17 ~~commissioners~~ board may prescribe. The ~~commissioners~~ board may establish
18 annual charges separately for bond repayment, fixed operations and
19 maintenance costs (~~not dependent on actual use~~), and variable operations and
20 maintenance costs dependent on flow.

21 (b) ~~Such~~ The rates, rents, or charges may be based upon:

22 (1) the metered consumption of water on premises connected with the

1 sewer system, however, the ~~commissioners~~ board may determine no user will
2 be billed for fixed operations and maintenance costs and bond payment less
3 than the average ~~single-family~~ single-family charge;

4 (2) the number of equivalent units connected with or served by the
5 sewage system based upon their estimated flows compared to the estimated
6 flows from a ~~single-family~~ single-family dwelling, however, the
7 ~~commissioners~~ board may determine no user will be billed less than the
8 minimum charge determined for the ~~single-family~~ single-family dwelling
9 charge for fixed operations and maintenance costs and bond payment;

10 (3) the strength and flow where wastes stronger than household wastes
11 are involved;

12 (4) the appraised value of premises, in the event that the commissioners
13 shall determine the sewage disposal plant to be of general benefit to the
14 municipality regardless of actual connection with the same;

15 (5) the commissioners' determination developed using any other
16 equitable basis such as the number and kind of plumbing fixtures; the number
17 of persons residing on or frequenting the premises served by those sewers; and
18 the topography, size, type of use, or impervious area of any premises;

19 (6) for groundwater, surface, or stormwater an equivalent residential
20 unit based on an average area of impervious surface on residential property
21 within the municipality; or

22 (7) any combination of these bases, ~~so long as~~ provided the combination

1 is equitable.

2 ~~(b)~~(c) The basis for establishing ~~sewer disposal~~ rates, rents, or charges shall
3 be reviewed annually by ~~sewage disposal commissioners~~ the board. No
4 premises otherwise exempt from taxation, including premises owned by the
5 State of Vermont, shall, by virtue of any ~~such~~ the exemption, be exempt from
6 charges established ~~hereunder~~ under this section. The commissioners may
7 change the rates ~~of such, rents, or charges~~ from time to time as may be
8 reasonably required.

9 (d) Where one of the bases of ~~such a rent, rate, or charge~~ is the appraised
10 value and the premises to be appraised are tax exempt, the ~~commissioners~~
11 board may cause the listers to appraise ~~such~~ the property, including State
12 property, for the purpose of determining the ~~sewage disposal~~ the rates, rents, or
13 charges. The right of appeal from ~~such~~ the appraisal shall be the same as
14 provided in 32 V.S.A. chapter 131. The Commissioner of Finance and
15 Management is authorized to issue ~~his or her~~ warrants for ~~sewage disposal~~
16 rates, rents, or charges against State property and transmit to the State
17 Treasurer who shall draw a voucher in payment ~~thereof~~ of the rates, rents, or
18 charges. No charge so established and no tax levied under the provisions of
19 section ~~3613~~ 3615 of this title shall be considered to be a part of any tax
20 authorized to be assessed by the legislative body of any municipality for
21 general purposes, but shall be in addition to any such tax so authorized to be
22 assessed.

1 ~~(e) Sewage disposal~~ Rates, rents, or charges established in accord with this
2 section may be assessed by the board of ~~sewage disposal commissioners as~~
3 ~~provided in section 3614 of this title~~ to derive the revenue required to pay
4 pollution charges assessed against a municipal corporation under 10 V.S.A.
5 § ~~1265~~ 1263.

6 ~~(e)(f)~~ When a ~~sewage disposal~~ rate, rent, or charge established under this
7 section for the management of stormwater is applied to property owned,
8 controlled, or managed by the Agency of Transportation, the charge shall not
9 exceed the highest rate category applicable to other properties in the
10 municipality, and the Agency of Transportation shall receive a 35 percent
11 credit on the charge. The Agency of Transportation shall receive no other
12 credit on the charge from the municipal corporation.

13 § ~~3616~~ 3617. DUTIES; USE OF PROCEEDS

14 ~~(a) Such sewage disposal commissioners shall have the supervision of such~~
15 ~~municipal sewage disposal department, and shall make and establish all~~
16 ~~needful rates for charges, rules, and regulations for its control and operation~~
17 ~~including the right to require any individual, person, or corporation to connect~~
18 ~~to such the municipal system for the purposes of abating pollution of the~~
19 ~~waters of the State. Such commissioners may appoint or remove a~~
20 ~~superintendent at their pleasure. The charges and receipts of such the~~
21 department shall only be used and applied to pay the interest and principal of
22 the sewage disposal bonds of ~~such the~~ the municipal corporation as well as, the

1 expense of maintenance and operation of the sewage ~~disposal department~~
2 system, or other expenses of the sewage system.

3 (b) ~~These~~ The charges and receipts also may be used to develop a dedicated
4 fund that may be created by the ~~commissioners~~ board to finance major
5 rehabilitation, major maintenance, and upgrade costs for the sewer system.

6 This fund may be established by an annual set-aside of up to 15 percent of the
7 normal operations, maintenance, and bond payment costs, except that with
8 respect to subsurface leachfield systems, the annual set-aside may equal up to
9 100 percent of these costs. The fund shall not exceed the estimated future
10 major rehabilitation, major maintenance, or upgrade costs for the sewer
11 system. Any dedicated fund shall be insured at least to the level provided by
12 FDIC and withdrawals shall be made only for the purposes for which the fund
13 was established. Any ~~such~~ dedicated fund may be established and controlled
14 in accord with section 2804 of this title or may be established by act of the
15 legislative body of the municipality. Funds so established shall meet the
16 requirements of subdivision 4756(a)(4) of this title.

17 (c) Where the municipal legislative body establishes ~~such~~ a dedicated fund
18 pursuant to this section, it shall first adopt a municipal ordinance authorizing
19 and controlling ~~such~~ the funds. ~~Such~~ The ordinance and any local policies
20 governing the funds must conform to the requirements of this section.

21 (d) The charges, receipts, and revenue may also be used for stormwater
22 management, control, and treatment; flood resiliency; floodplain restoration;

1 and other similar measures.

2 § ~~3617~~ 3618. ORDINANCES

3 ~~Such~~ The municipal corporation shall have the power to make, establish,
4 alter, amend, or repeal ordinances, regulations, and bylaws relating to the
5 matters contained in this chapter, consistent with law, and to impose penalties
6 for the breach ~~thereof~~, of an ordinance and enforce ~~the same~~ those penalties.

7 § ~~3618~~ 3619. MEETINGS; VOTE

8 Any action taken by ~~such~~ a municipal corporation under the provisions of
9 this chapter or relating to the matters ~~therein set forth~~ contained in this chapter,
10 may be taken by vote of the legislative body of ~~such~~ the municipal corporation,
11 excepting the issuance of bonds and, in municipalities wherein ~~such~~ the
12 legislative body is not otherwise given the power to levy taxes, the levying of a
13 tax under section ~~3613~~ 3615 of this title; provided, however, that no action
14 shall be taken hereunder unless the construction of a sewage disposal plant
15 shall have first been authorized by majority vote of the legal voters of ~~such~~ the
16 municipal corporation attending a meeting ~~duly warned and holden~~ warned for
17 that purpose.

19 Sec. 14. 24 V.S.A. § 3679 is amended to read:

20 § 3679. FINANCES—SEWER RATES; APPLICATION OF REVENUE

21 (a) The board of sewer commissioners of a consolidated sewer district shall
22 establish rates for the sewer service and all individuals, firms, and corporations

1 whether private, public, or municipal shall pay to the treasurer of the district
2 the rates established by the board. The manner of establishment of the rates
3 shall be in accord with section ~~3615~~ 3616 of this title. The rates shall be so
4 established as to provide revenue for the following purposes:

8 * * * Creation of the Urban Search and Rescue Team * * *

9 Sec. 16. 20 V.S.A. § 50 is added to read:

10 § 50. URBAN SEARCH AND RESCUE TEAM

11 (a) The Department of Public Safety is authorized to create the Urban
12 Search and Rescue (USAR) Team to provide for the rapid response of trained
13 professionals to emergencies and other hazards occurring in the State. The
14 Commissioner shall appoint a USAR Team program manager to carry out the
15 duties and responsibilities of the USAR Team.

16 (b) The USAR Team program manager shall perform all the following
17 duties:

18 (1) organize the State USAR Team to assist local first responders in
19 response to emergencies and other hazards;

20 (2) hire persons for the USAR Team from fire, police, and emergency
21 medical services and persons with specialty backgrounds in emergency
22 response or search and rescue;

1 (3) coordinate the acquisition and maintenance of adequate vehicles and
2 equipment for the USAR Team;

3 (4) ensure that USAR Team personnel are organized, trained, and
4 exercised in accordance with the appropriate search and rescue standards or
5 certifications;

6 (5) negotiate and enter into agreements with municipalities, municipal
7 agencies that maintain swiftwater rescue teams, State-recognized swiftwater
8 rescue teams, or other technical rescue teams to provide expert assistance and
9 services to the USAR Team when necessary; and

10 (6) coordinate USAR Team participation in search and rescue operations
11 under chapter 112 of this title.

12 (c) The Department of Public Safety may employ as many USAR Team
13 responders as the Commissioner deems necessary as temporary State
14 employees, who shall be compensated as such when authorized to respond to
15 an emergency or hazard incident or to attend USAR Team training. State
16 USAR Team responders, whenever acting as State agents in accordance with
17 this section, shall be afforded all of the protections and immunities of State
18 employees.

7 Sec. 18. PUBLIC NOTIFICATION POLICY DURING EMERGENCY

8 The Department of Public Safety’s Division of Vermont Emergency
9 Management (VEM), in consultation with the Enhanced 911 Board, shall
10 develop a policy for the use of E-911 databases that maintain callback numbers
11 of subscribers to provide VT-Alerts more effectively and expeditiously during
12 emergencies in order to reduce the risk of harm to persons and property. The
13 Division shall issue its policy on or before July 1, 2025.

14 Sec. 19. 30 V.S.A. § 7055 is amended to read:

15 § 7055. TELECOMMUNICATIONS COMPANY ORIGINATING
16 CARRIER COORDINATION

17 (a) Every ~~telecommunications company under the jurisdiction of the Public~~
18 ~~Utility Commission~~ originating carrier offering access to the public switched
19 telephone network shall make available, in accordance with ~~rules adopted by~~
20 ~~the Public Utility Commission~~ requirements established by the Federal
21 Communications Commission, the universal emergency telephone number 911
22 for use by the public in seeking assistance from fire, police, medical, and other

1 emergency service providers through a public safety answering point and shall
2 deliver their customers' 911 calls to the point of interconnection defined by the
3 Board.

4 (b) Every ~~local exchange telecommunications provider~~ originating carrier
5 shall provide the ANI, if applicable, and any other information required by
6 rules adopted under section 7053 of this title to the Board, or to any
7 administrator of ~~the Enhanced 911 database~~ databases, solely for purposes of
8 maintaining the ~~Enhanced 911 database~~ databases and for purposes outlined in
9 subdivisions 7059(a)(1)(B) and (D) of this title, unless such information is
10 provided by submission to the Vermont 911 ALI database, in which case the
11 information may also be used for the purposes outlined in subdivision
12 7059(a)(1)(A) of this title. Each such provider shall be responsible for
13 updating the information at a frequency specified by such rules. All persons
14 receiving confidential information under this ~~section~~ subsection, as defined by
15 ~~the Public Utility Commission~~ section 7059 of this title, shall use it solely for
16 the purposes of ~~providing emergency 911 services~~, specified in subdivision
17 7059(a)(1) of this title and shall not disclose such confidential information for
18 any other purpose.

19 (c) Each ~~local exchange telecommunications company, cellular company,~~
20 ~~and mobile or personal communications service company~~ originating carrier
21 providing services within the State shall designate a person to coordinate with

1 and provide all relevant information to the Enhanced 911 Board and Public
2 Utility Commission in carrying out the purposes of the chapter.

3 (d) ~~Wire line and nonwire cellular~~ Originating carriers certificated to
4 provide service in the State shall ~~provide ANI signaling which identifies~~
5 ~~geographical location as well as cell site address for cellular 911 calls.~~
6 ~~Personal communications networks and any future mobile or personal~~
7 ~~communications systems shall also be required to identify the location of the~~
8 ~~caller. The telephone company shall provide ANI signaling which identifies~~
9 ~~the name of the carrier and identify the type of service as cellular, mobile, or~~
10 ~~personal communications as part of the ALI along with a screen message that~~
11 ~~advises the call answerer to verify the location of the reported emergency.~~
12 ~~Telecommunication providers of mobile wireless, IP-enabled, and other~~
13 ~~communication services which have systems with the capability to send data~~
14 ~~related to the location of the caller with the call or transmission instead of~~
15 ~~relying on location data otherwise contained in the ALI database shall provide~~
16 ~~this data with calls or transmissions for the sole purpose of enabling the~~
17 ~~emergency 911 system to locate an individual seeking emergency services.~~
18 ~~Location data shall be provided in accordance with relevant national standards~~
19 ~~for next generation 9-1-1 technology~~ transmit with each 911 call available ANI
20 or pseudo-Automatic Number Identification (p-ANI) that can be used to query
21 the Enhanced 911 or third-party databases to provide the Automatic Location
22 Identification as defined by standards approved by the National Emergency

1 Number Association (NENA). Originating carriers with the capability to
2 provide location and caller data with the call shall do so in accordance with the
3 approved i3 Standards for Next Generation 9-1-1.

4 (e) Each local exchange telecommunications provider in the State shall file
5 with the Public Utility Commission tariffs for each service element necessary
6 for the provision of Enhanced 911 services. The Public Utility Commission
7 shall review each company’s proposed tariff; and shall ensure that tariffs for
8 each necessary basic service element are effective within six months ~~of~~ after
9 filing. The Department of Public Service, by rule or emergency rule, may
10 establish the basic service elements that each company must provide for in
11 tariffs. Such tariffs must be filed with the Public Utility Commission within 60
12 days after the basic service elements are established by the Department of
13 Public Service.

14 (f) As used in this section:

15 (1) “Incumbent local exchange carrier” has the same meaning as in
16 47 U.S.C. § 251(h) and includes rural local exchange carriers.

17 (2) “Originating carrier” or “originating service provider” means an
18 entity that provides voice services to a subscriber and includes incumbent local
19 exchange carriers operating in Vermont.

20 Sec. 20. ENHANCED 911 BOARD TARIFFS; REPORT

21 On or before January 15, 2025, the Enhanced 911 Board shall report to the
22 House Committee on Government Operations and Military Affairs and the

1 Senate Committee on Government Operations on current local exchange
2 telecommunications tariffs, and, in particular, evaluating existing tariffs
3 permitted pursuant to 30 V.S.A. § 7055, determining actual costs for the
4 provision of the service elements, and comparing those tariffs to similar cost
5 recovery mechanisms in other states.

7 Communications * * *

8 Sec. 21. 20 V.S.A. § 4 is added to read:

9 § 4. LANGUAGE ASSISTANCE SERVICES FOR STATE EMERGENCY

10 COMMUNICATIONS

11 (a) If an all-hazards event occurs, the Vermont Emergency Management
12 Division shall ensure that language assistance services are available for all
13 State communications regarding the all-hazards event, including relevant press
14 conferences and emergency alerts, as soon as practicable. Language assistance
15 services shall be provided for:

16 (1) individuals who are Deaf, Hard of Hearing, and DeafBlind; and

17 (2) individuals with limited English proficiency.

18 (b) As used in this section, an “individual with limited English proficiency”
19 means a person who does not speak English as the person’s primary language
20 and who has a limited ability to read, write, speak, or understand English.

21 (c) Annually, the Vermont Emergency Management Division shall hold a
22 public meeting with members of the Vermont Deaf, Hard of Hearing, and

1 DeafBlind Advisory Council; the Office of Racial Equity; the Vermont
2 Association of Broadcasters; and other relevant stakeholders to review the
3 adequacy and efficacy of the provision and distribution of language assistance
4 services of emergency communications over mass communication platforms to
5 individuals who are Deaf, Hard of Hearing, and DeafBlind as well as
6 individuals with limited English language proficiency.

8 Sec. 23. LANGUAGE ASSISTANCE SERVICES FOR EMERGENCY
9 COMMUNICATIONS WORKING GROUP; REPORT

10 (a) Creation. There is created the Language Assistance Services for
11 Emergency Communications Working Group, consisting of staff at the
12 Vermont Emergency Management (VEM) Division and the Office of Racial
13 Equity, who will collaborate with the Vermont Association of Broadcasters;
14 the Vermont Deaf, Hard of Hearing, and DeafBlind Advisory Council;
15 organizations that represent language service providers; and other relevant
16 stakeholders.

17 (b) Duties. The Working Group shall:

18 (1) develop best practices for the provision of language assistance
19 services in emergency communications during and after all-hazards events, as
20 defined in 2 V.S.A. § 2;

21 (2) identify geographical areas within the State with the greatest needs
22 for language assistance services during and after all-hazards events; and

1 (3) analyze and make recommendations on the appropriate uses of
2 technologies for providing these services, including tools such as
3 Communication Access Realtime Translation (CART) and Picture-in-Picture
4 (PIP) techniques and automated language translation services or machine
5 translation.

6 (c) Report. On or before December 15, 2024, the Working Group shall
7 submit a written report to the House Committee on Government Operations
8 and Military Affairs and the Senate Committee on Government Operations
9 with its findings and any recommendations for legislative action.

10 (d) Prospective repeal. The Working Group shall cease to exist on June 30,
11 2025.

13 Sec. 24. POST-SECONDARY DISASTER MANAGEMENT PROGRAM
14 REPORT

15 On or before February 15, 2025, the President or designee for the Vermont
16 State University and the President or designee for the University of Vermont
17 shall each submit a written report to the House Committee on Government
18 Operations and Military Affairs and the Senate Committee on Government
19 Operations examining the creation of post-secondary disaster management
20 programs, including the associated costs, projected enrollments, and aspects of
21 curricula.

22 * * * Emergency Powers of the Governor and Emergency Management * * *

1 Sec. 25. 20 V.S.A. § 1 is amended to read:

2 § 1. PURPOSE AND POLICY

3 (a) Because of the increasing possibility of the occurrence of disasters or
4 emergencies of unprecedented size and destructiveness resulting from all-
5 hazards and in order to ensure that preparation of this State will be adequate to
6 deal with such disasters or emergencies; to provide for the common defense; to
7 protect the public peace, health, and safety; and to preserve the lives and
8 property of the people of the State, it is found and declared to be necessary:

9 (1) to create a State emergency management agency; and to authorize
10 the creation of local and regional organizations for emergency management;

11 (2) to confer upon the Governor and upon the executive heads or
12 legislative branches of the towns and cities of the State the emergency powers
13 provided pursuant to this chapter;

14 (3) to provide for the rendering of mutual aid among the towns and
15 cities of the State; with other states and Canada; and with the federal
16 government with respect to the carrying out of emergency management
17 functions; and

18 (4) to authorize the establishment of organizations and ~~the taking of~~
19 ~~steps as necessary and appropriate~~ to carry out the provisions of this chapter as
20 necessary and appropriate.

21 * * *

22 Sec. 26. 20 V.S.A. § 8 is amended to read:

1 § 8. GENERAL POWERS OF GOVERNOR

2 * * *

3 (b) In performing the duties under this chapter, the Governor is further
4 authorized and empowered:

5 * * *

6 (3) Inventories, training, mobilization. In accordance with the plan and
7 program for the emergency management of the State:

8 (A) to ascertain the requirements of the State or the municipalities for
9 food ~~or~~, water, fuel, clothing, or other necessities of life in any all-hazards
10 event and to plan for and procure supplies, medicines, materials, and
11 equipment for the purposes set forth in this chapter;

12 * * *

13 (C) to institute training programs and public information programs,
14 and to take all other preparatory steps, including the partial or full mobilization
15 of emergency management organizations in advance of actual disaster, to
16 ensure the furnishing of adequately trained and equipped forces of first
17 responders and other emergency management personnel in time of need.

18 * * *

19 (8) Mutual aid agreements with other states. On behalf of this State, to
20 enter into reciprocal aid agreements under this chapter and pursuant to
21 compacts with other states and the federal government or a province of a
22 foreign country under such terms as the Congress of the United States may

1 prescribe. These mutual aid arrangements shall be limited to the furnishing or
2 exchange of food, water, fuel, clothing, medicine, and other supplies;
3 engineering services; emergency housing; police services; National Guard or
4 ~~State Guard~~ units while under the control of the State; health; medical and
5 related services; fire fighting, rescue, transportation, and construction services
6 and equipment; personnel necessary to provide or conduct these services; and
7 other supplies, equipment, facilities, personnel, and services as needed; and the
8 reimbursement of costs and expenses for equipment, supplies, personnel, and
9 similar items for mobile support units, ~~fire fighting~~ firefighting, and police
10 units and health units. The mutual aid agreements shall be made on such terms
11 and conditions as the Governor deems necessary.

12 * * *

13 Sec. 27. 20 V.S.A. § 9 is amended to read:

14 § 9. EMERGENCY POWERS OF GOVERNOR

15 Subject to the provisions of this chapter, in the event of an all-hazards event
16 in or directed upon the United States or Canada that causes or may cause
17 substantial damage or injury to persons or property within the State in any
18 manner, the Governor may ~~proclaim~~ declare a state of emergency within the
19 entire State or any portion or portions of the State. Thereafter, the Governor
20 shall have and may exercise for as long as the Governor determines the
21 emergency to exist the following additional powers within such area or areas:

22 (1) To enforce all laws and rules relating to emergency management and

1 to assume direct operational control of all first responders, other emergency
2 management personnel, and ~~helpers~~ volunteers in the affected area or areas.

3 * * *

4 Sec. 28. 20 V.S.A. § 11 is amended to read:

5 § 11. ADDITIONAL EMERGENCY POWERS

6 In the event of an all-hazards event, the Governor may exercise any or all of
7 the following additional powers:

8 (1) To authorize any department or agency of the State to lease or lend,
9 on such terms and conditions and for ~~such a period as he or she deems~~
10 necessary related to the declaration of emergency to promote the public
11 welfare and protect the interests of the State, any real or personal property of
12 the State government, ~~or authorize the temporary transfer or employment of~~
13 ~~personnel of the State government to or by the U.S. Armed Forces.~~

14 (2) To enter into a contract on behalf of the State for the lease or loan,
15 on such terms and conditions and for such period as ~~he or she~~ the Governor
16 deems necessary to promote the public welfare and protect the interests of the
17 State, of any real or personal property of the State government, or the
18 temporary transfer or employment of personnel thereof to any town or city of
19 the State. ~~The chief executive of,~~ the chair or president of the legislative
20 branch, or the emergency management director of the town or city is
21 authorized for and in the name of the town or city to enter into the contract
22 with the Governor for the leasing or lending of the property and personnel, and

1 the chief executive ~~or~~, the chair or president of the legislative branch, or the
2 emergency management director of the town or city may equip, maintain,
3 utilize, and operate such property except ~~newspapers and other publications~~
4 news outlets, radio stations, places of worship and assembly, and other
5 facilities for the exercise of constitutional freedom, and employ necessary
6 personnel in accordance with the purposes for which such contract is executed;
7 ~~and may do all things and perform all acts necessary to effectuate the purpose~~
8 ~~for which the contract was entered into.~~

9 * * *

10 (5) To make compensation for the property seized, taken, or condemned
11 on the following basis:

12 (A) ~~In case~~ Whenever the Governor deems it advisable for the State
13 to take property is taken for temporary use or to take property permanently, the
14 Governor, at the time of the taking, shall fix the amount of compensation to be
15 paid for the property, ~~and in~~. In case the property is taken for temporary use
16 and returned to the owner in a damaged condition or shall not be returned to
17 ~~the owner~~, the Governor shall fix the amount of compensation to be paid for
18 the damage ~~or failure to return~~.

19 (B) Whenever the Governor deems it advisable for the State to
20 temporarily or permanently take title to property taken under this section, the
21 Governor shall ~~forthwith cause~~ notify the owner of the property ~~to be notified~~
22 of the taking in writing by registered mail or in person, ~~postage prepaid~~, and

1 ~~forthwith cause to be filed~~ shall file a copy of the notice with the Secretary of
2 State.

3 ~~(B)~~(C) Any owner of property of which possession has been either
4 temporarily or permanently taken under the provisions of this chapter to whom
5 no award has been made or who is dissatisfied with the amount awarded ~~him~~
6 ~~or her~~ by the Governor may file a petition in the Superior Court within the
7 county wherein the property was situated at the time of taking to have the
8 amount to which ~~he or she~~ the owner is entitled by way of damages or
9 compensation determined, and either the petitioner or the State shall have the
10 right to have the amount of such damages or compensation fixed after hearing
11 by three disinterested appraisers appointed by the court, and who shall operate
12 under substantive and administrative procedure to be established by the
13 Superior judges. If the ~~petitioner~~ owner of the property is dissatisfied with the
14 award of the appraisers, ~~he or she~~ the owner may appeal the award to the
15 Superior Court and thereafter have a trial by jury to determine the amount of
16 the damages or compensation. The court costs of a proceeding brought under
17 this section by the owner of the property shall be paid by the State, and the fees
18 and expenses of any attorney for the owner shall also be paid by the State after
19 allowances by the court in which the petition is brought in an amount
20 determined by the court. The statute of limitations shall not apply to
21 proceedings brought by owners of property under this section for and during
22 the time that any court having jurisdiction over the proceedings is prevented

1 from holding its usual and stated sessions due to conditions resulting from
2 emergencies described in this chapter.

3 (6) To perform and exercise other functions, powers, and duties as
4 necessary to promote and secure the safety and protection of the civilian
5 population.

6 Sec. 29. 20 V.S.A. § 13 is amended to read:

7 § 13. TERMINATION OF EMERGENCIES

8 The Governor:

9 (1) May terminate by ~~proclamation~~ declaration the emergencies
10 provided for in sections 9 and 11 of this title; provided, however, that no
11 emergencies shall be terminated prior to the termination of such emergency as
12 provided in federal law.

13 (2) May declare the state of emergency terminated in any area affected
14 by an all-hazards event.

15 (3) Upon receiving notice that a majority of the legislative body of a
16 municipality affected by a natural disaster no longer desires that the state of
17 emergency continue within its municipality, ~~shall~~ may declare the state of
18 emergency terminated within that particular municipality. Upon the
19 termination of the state of emergency, the functions as set forth in section 9 of
20 this title shall cease, and the local authorities shall resume control.

21 Sec. 30. 20 V.S.A. § 17 is amended to read:

22 § 17. GIFT, GRANT, OR LOAN

1 (a) Federal. ~~Whenever~~ Subject to the provisions of subsection (c) of this
2 section, whenever the federal government or any agency or officer of the
3 federal government offers to the State, or through the State to any town or city
4 within Vermont, services, equipment, supplies, materials, or funds by way of
5 gift, grant, or loan for purposes of emergency management, the State, acting
6 through the Governor in coordination with the Department of Public Safety, or
7 such town or city acting with the consent of the Governor and through its
8 executive officer or legislative branch, may accept the offer, and upon such
9 acceptance, the Governor or the executive officer or legislative branch of the
10 political subdivision may authorize any officer of the State or of the political
11 subdivision, as the case may be, to receive the services, equipment, supplies,
12 materials, or funds on behalf of the State or the political subdivisions, and
13 subject to the terms of the offer and rules, if any, of the agency making the
14 offer. Whenever a federal grant is contingent upon a State or local
15 contribution, or both, the Department of Public Safety and the political
16 subdivision shall determine whether the grant shall be accepted and, if
17 accepted, the respective shares to be contributed by the State and town or city
18 concerned.

19 (b) Private. ~~Whenever~~ Subject to the provisions of subsection (c) of this
20 section, whenever any person, firm, or corporation offers to the State or to any
21 town or city in Vermont services, equipment, supplies, materials, or funds by
22 way of gift, grant, or loan, for purposes of emergency management, the State,

1 acting through the Governor, or the political subdivision, acting through its
2 executive officer or legislative branch, may accept the offer, and upon such
3 acceptance, the Governor or executive officer or legislative branch of the
4 political subdivision may authorize any officer of the State or the political
5 subdivision, as the case may be, to receive the services, equipment, supplies,
6 materials, or funds on behalf of the State or the political subdivision; and
7 subject to the terms of the offer.

8 (c)(1) Any services, equipment, supplies, materials, or funds by way of gift,
9 grant, or loan for purposes of emergency management, accepted by the
10 Governor pursuant to subsections (a) and (b) of this section shall be accepted
11 in accordance with the provisions of 32 V.S.A. § 5.

12 (2)(A) Notwithstanding the provisions of subdivision (1) of this
13 subsection, the Governor shall have the sole authority to accept services,
14 equipment, supplies, materials, or funds by way of gift, grant, or loan for
15 purposes of emergency management pursuant to subsections (a) or (b) of this
16 section, or both, if there exists a reasonable expectation that without the
17 acceptance the all-hazards event will imminently cause bodily harm, loss of
18 life, or significant property damage within the State.

19 (B) As soon as practicable after an acceptance pursuant to subsection
20 (A) of this subsection (2), the Department of Finance and Management shall
21 provide the Joint Fiscal Committee and Legislative Joint Fiscal Office a report
22 detailing the acceptance and shall include information with respect to the

1 following items:

2 (i) the circumstances leading the Governor to reasonably expect
3 that without the acceptance the all-hazards event would have imminently
4 caused bodily harm, loss of life, or significant property damage within the
5 State;

6 (ii) the source and value;

7 (iii) the legal and referenced title, in the case of a grant;

8 (iv) the costs, direct and indirect, for the present and future years;

9 (v) the receiving department or program, or both; and

10 (vi) a brief statement of purpose.

11 Sec. 31. 20 V.S.A. § 26 is amended to read:

12 § 26. CHANGE OF VENUE BECAUSE OF ~~ENEMY ATTACK~~ AN ALL-
13 HAZARDS EVENT

14 In the event that the place where a civil action or a criminal prosecution is
15 required by law to be brought has become and remains unsafe because of an
16 attack upon the United States or Canada or an all-hazards event, such action or
17 prosecution may be brought in or, if already pending, may be transferred to the
18 Superior Court in an unaffected unit and there tried in the place provided by
19 law for such court.

20 Sec. 32. 20 V.S.A. § 30 is amended to read:

21 § 30. STATE EMERGENCY RESPONSE COMMISSION; CREATION

22 (a) The State Emergency Response Commission is created within the

1 Department of Public Safety. The Commission shall consist of ~~17~~18 members:
2 eight ex officio members, including the Commissioner of Public Safety, the
3 Secretary of Natural Resources, the Secretary of Transportation, the
4 Commissioner of Health, the Secretary of Agriculture, Food and Markets, the
5 Commissioner of Labor, the Director of Fire Safety, and the Director of
6 Emergency Management, or designees; and ~~nine~~ ten public members,
7 including a representative from each of the following: local government, the
8 local emergency planning committee, a regional planning commission, the fire
9 service, law enforcement, public works, emergency medical service, a hospital,
10 a transportation entity required under EPCRA to report chemicals to the State
11 Emergency Response Commission, and another entity required to report
12 extremely hazardous substances under EPCRA.

13 (b) The ~~nine~~ ten public members shall be appointed ~~by the Governor~~ for
14 staggered three-year terms as described in this subsection.

15 (1) Three public members, appointed by the Speaker of the House.

16 (2) Three public members, appointed by the Senate Committee on
17 Committee.

18 (3) Four public members, appointed by the Governor.

19 (4) When the seat of a public member is vacated, the replacement
20 member shall be appointed on a rotating basis starting with the Speaker of the
21 House, with the next appointment to be made by the Senate Committee on
22 Committee, and then the next appointment to be made by the Governor, and

1 then beginning again.

2 (c) The Governor shall appoint the Chair of the Commission.

3 ~~(e)~~(d) Members of the Commission, except State employees who are not
4 otherwise compensated as part of their employment and who attend meetings,
5 shall be entitled to a per diem and expenses as provided in 32 V.S.A. § 1010.

6 Sec. 33. 20 V.S.A. § 34 is amended to read:

7 § 34. TEMPORARY HOUSING FOR DISASTER VICTIMS

8 (a) Whenever the Governor ~~has proclaimed a disaster~~ declares an
9 emergency under the laws of this State, or the President has declared an
10 emergency or ~~a major disaster~~ an all-hazards event to exist in this State, the
11 Governor is authorized:

12 (1) To enter into purchase, lease, or other arrangements with any agency
13 of the United States for temporary housing units to be occupied by disaster
14 victims and to make such units available to any political subdivision of the
15 State.

16 (2) To assist any political subdivision of this State that is the locus of
17 temporary housing for disaster victims to acquire sites necessary for the
18 temporary housing and ~~to do all things required~~ to prepare the site to receive
19 and utilize temporary housing units by:

20 (A) advancing or lending funds available to the Governor from any
21 appropriation made by the General Assembly or from any other source;

22 (B) “passing through” funds made available by any agency, public or

1 private; or

2 (C) becoming a co-partner with the political subdivision for the
3 execution and performance of any temporary housing for disaster victims
4 project and for such purposes to pledge the credit of the State on such terms as
5 the Governor deems appropriate having due regard for current debt
6 transactions of the State.

7 (b) ~~Under rules adopted by the Governor, to~~ During a declared state of
8 emergency, the Governor may, by order or rule, temporarily suspend or modify
9 for not more than 60 days any law or rule pertaining to public health, safety,
10 zoning, or transportation ~~(within or across the State), or other requirement of~~
11 ~~law or rules within Vermont when by proclamation~~ if, the Governor deems the
12 suspension or modification essential to provide temporary housing for disaster
13 victims.

14 (c) Any political subdivision of this State is expressly authorized to
15 acquire, temporarily or permanently, by purchase, lease, or otherwise, sites
16 required for installation of temporary housing units for disaster victims, and to
17 enter into whatever arrangements are necessary to prepare or equip such sites
18 to utilize the housing units, including the purchase of temporary housing units
19 and payment of transportation charges.

20 (d) ~~The Governor is authorized to adopt rules as necessary to carry out the~~
21 ~~purposes of this chapter.~~ [Repealed.]

22 (e) Nothing in this chapter shall be construed to limit the Governor's

1 authority to apply for, administer, and expend any grants, gifts, or payments in
2 aid of disaster prevention, preparedness, response, or recovery.

3 (f) ~~As used in this chapter, “major disaster,” “emergency,” and “temporary~~
4 ~~housing” have the same meaning as in the Disaster Relief Act of 1974, P.L. 93-~~
5 ~~288. [Repealed.]~~

6 Sec. 34. 20 V.S.A. § 39 is amended to read:

7 § 39. FEES TO THE HAZARDOUS SUBSTANCES FUND

8 (a) Every person required to report the use or storage of hazardous
9 chemicals or substances pursuant to EPCRA shall pay the following annual
10 fees for each hazardous chemical or substance, as defined by the State
11 Emergency Response Commission, that is present at the facility:

12 (1) \$40.00 for quantities between 100 and 999 pounds.

13 (2) \$60.00 for quantities between 1,000 and 9,999 pounds.

14 (3) \$100.00 for quantities between 10,000 and 99,999 pounds.

15 (4) \$290.00 for quantities between 100,000 and 999,999 pounds.

16 (5) \$880.00 for quantities exceeding 999,999 pounds.

17 (6) An additional fee of \$250.00 will be assessed for each extremely
18 hazardous chemical or substance as defined in 42 U.S.C. § 11002.

19 (b) The fee shall be paid to the Commissioner of Public Safety and shall be
20 deposited into the Hazardous Chemical and Substance Emergency Response
21 Fund.

22 (c) The following are exempted from paying the fees required by this

1 section but shall comply with the reporting requirements of this chapter:

2 (1) municipalities and other political subdivisions;

3 (2) State agencies;

4 (3) persons engaged in farming as defined in 10 V.S.A. § 6001; and

5 (4) nonprofit corporations.

6 (d) No person shall be required to pay a fee for a chemical or substance that
7 has been determined to be an economic poison as defined in 6 V.S.A. § 911 or
8 for a fertilizer or agricultural lime as defined in 6 V.S.A. § 363 and for which a
9 registration or tonnage fee has been paid to the Agency of Agriculture, Food
10 and Markets pursuant to 6 V.S.A. chapter 28 or 81.

11 (e) The State or any political subdivision, including any municipality, fire
12 district, emergency medical service, or incorporated village, is authorized to
13 recover any and all reasonable direct expenses incurred as a result of the
14 response to and recovery of a hazardous chemical or substance incident from
15 the person or persons responsible for the incident. All funds collected by the
16 State under this subsection shall be deposited into the Hazardous Chemical and
17 Substance Emergency Response Fund created pursuant to subsection 38(b) of
18 this chapter. The Attorney General shall act on behalf of the State to recover
19 these expenses. The State or political subdivision shall be awarded costs and
20 reasonable attorney's fees that are incurred as a result of exercising the
21 provisions of this subsection.

22 (f)(1) The Department of Public Safety shall have authority to inspect the

1 premises and records of any employer to ensure compliance with the
2 provisions of this chapter and the rules adopted under this chapter.

3 (2) A person who violates any provision of this chapter or any rule
4 adopted under this chapter shall be fined not more than \$1,000.00 for each
5 violation. Each day a violation continues shall be deemed to be a separate
6 violation.

7 (3) The Attorney General may bring an action for injunctive relief in the
8 Superior Court of the county in which a violation occurs to compel compliance
9 with the provisions of this chapter.
